St Dunstan's Education Group

St Dunstan's College was founded on benevolence and ambition. Benevolence that saw a group of parishioners from St Dunstan's in the East see fit to fund a new school that was "ahead of its current time".

A school that would enable students to "find out and do" rather than simply sit and listen, introduce a radically different curriculum and relish a broad, liberal approach to education, introducing one of the first truly co-curricular programmes in the world.

Today, St Dunstan's is proud of its heritage. We continue our commitment to increase the number of transformational bursaries, ensuring talented students regardless of background or circumstances, can thrive with us. During the 2025-2026 academic year, we educated:

78 Bursary Students | Bursaries ranging from **50%** to **110%**
