PLAINFIELD SPECIAL EDUCATION PARENT ADVISORY COMMITTEE

Supporting Families Together

WHAT IS PLAINFIELD'S SPECIAL EDUCATION PARENT ADVISORY COMMITTEE

SEPAC

The Plainfield Special Education Parent Advisory Committee (SEPAC) is a group of parents who provide input and make recommendations on Special Education policy, programs, and practices to the district. SEPAC members will act as liaisons to share comments and concerns with school leaders such as you! Our common goal is to ensure each student and his/her family is provided an equitable opportunity to participate within the school environment.

If you are interested in joining the SEPAC team, please reach out to Beth Shepperd, Director of Special Education, at eshepperd@plainfield.k12.in.us.
