SUMMER 2025 SITE IMPROVEMENTS

Beck Middle School

West parking lot reconstruction, sanitary service replacement, new sidewalks and replacement of some existing sidewalks

Cooper Elementary School

Main parking lot reconstruction, new accessible ramps and steps at main entrances, new sidewalks, new flagpole, lighting and reconstruction of existing playground

High School West Stadium

New accessible spaces in main parking lot and small parking lot, new sidewalks to connect home and visitor bleachers, concrete pad in front of field house, limited storm water infrastructure and new trash enclosure. Fencing replacement ongoing.

SUMMER 2025 SITE IMPROVEMENTS

Barton and Sharp Playground Replacement

Consolidated playground areas and provided composite play structures, with independent playground equipment, underdrain systems, and curbing. Accessible from student assembly areas

PLANNING FOR THE FUTURE

Kilmer Playground – Complete by January 2026
