

PVSD Food Services News

Welcome Back!

Please read below for important info

ALL school meals are free for ALL students

This is great news for our students! PLEASE take a moment to complete the School Benefit Form

Why do I need to complete this form?

1. Completing this form extends household benefits beyond the cafeteria such as, future EBT funds, discounted utilities (internet service), free or reduced bus transportation, AP/SAT fee waiver, and more!
2. Completing this form helps secure ESSENTIAL funding for PVSD & your school, like school supplies, additional classroom hours, funding for after-school programs, and more!

You can find the 2026-27 School Benefit Form online at: <https://pvsd.vcoe.org> or a paper copy at school sites or the district office
