

The background image shows a classroom or studio environment. In the foreground, several students are seated at desks, working on computers. The desks are equipped with multiple monitors. In the background, there is a large green screen, likely used for video production or digital art. The room is lit with overhead fluorescent lights and has a modern, industrial feel with exposed pipes and a high ceiling. The text is overlaid on a semi-transparent dark brown shape on the left side of the image.
