ISSUE 6 JUNE 2026

The MakeWaves Monthly

We develop students to become the best versions of the world, so they can transfer the world.

Superintendents' Message

We hope you are enjoying a wonderful summer filled with sunshine, relaxation, and quality time with family and friends! While classrooms may be on summer break, Gulf Shores City Schools remains full of energy. Our campuses are alive with students participating in a variety of engaging summer programs, including EcoTourism, Beach BRAIN, STEAM and Summer Camp, just to name a few. It's inspiring to see our students continuing to learn, explore, and grow all summer long.This summer also marks an exciting new chapter for Gulf Shores City Schools as we prepare for the opening of our beautiful new Gulf Shores High School. Over the coming weeks, staff will be busy making the transition into our newest campus. At the same time, Gulf Shores Middle School will relocate to the current high school campus, and Gulf Shores Elementary School will expand into the current middle school building. These moves represent an exciting investment in our students, teachers, and the future of our district, and we can't wait to welcome everyone into their new learning spaces this fall.As you prepare for the new school year, don't forget to download the **GSCS Mobile App** if you haven't already. The app provides the latest district news, school updates, calendars, athletic information, notifications, and much more—all in the palm of your hand. Once downloaded, you can personalize your experience by selecting the schools, calendars, teams, and notifications you want to follow so you never miss an important update. School offices remain open throughout the summer, Monday through Friday, with office hours varying by campus. If you have questions about registration, summer assignments, or preparing for the upcoming school year, our staff is happy to assist you. We hope the rest of your summer is filled with fun, relaxation, and special memories. We look forward to welcoming our Dolphin family back for an exciting new school year beginning **Wednesday, August 12, 2026**. We can't wait to **MakeWaves** together!

Dr. Matt Akin - Superintendent makin@gsboe.org

T9	+4	Jackson, Baylor

Glow Yoga came to GSES Summer Camp!

The Gulf Shores Public Library came to summer camp. Students read and then acted out the book Misunderstood Shark.

At **Down Under Dive Shop** we love working with our community and supporting our youth! Help me in CONGRATULATING our BRAND NEW Jr. Open Water Certified Divers from Gulf Shores Middle School! Thanks **Lila Moss Harris** for your dedication and your heart for teaching and educating our community!

Randy Carlisle
State Transportation Supervisor of the Year

Amanda Talantis
Excellence in Teaching about Agriculture Award

Brandi Owens
State Bus Driver of the Year

A big thank you to Gulf Shores Beach Rescue for leading today's Little Lifeguard Program! Our participants had an incredible opportunity to learn important beach and water safety skills from the professionals who help keep our beaches safe every day.
During today's program, students learned:

- Beach safety fundamentals
- How to understand and follow the beach flag warning system
- How to spot a rip current and what to do if caught in one
- Safe ways to enter and exit the water

Proper dolphin dive technique for navigating waves safely
These hands-on lessons help build confidence, awareness, and respect for the water while teaching skills that can save lives. We are grateful to Gulf Shores Fire Rescue for sharing their expertise and helping our future beachgoers become safer and more knowledgeable around the Gulf!

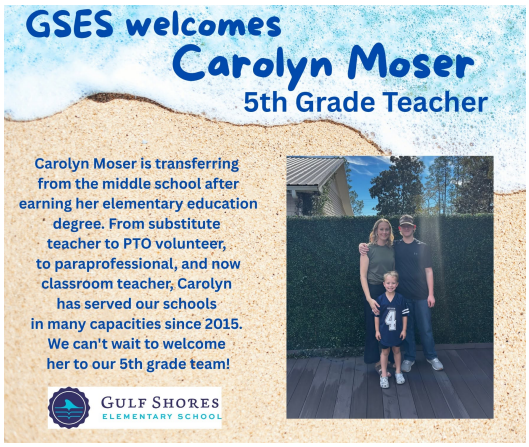
Summer Camp 3-4th Grade students having a blast at Lake Shelby!

Summer Camp's 4th-6th graders showing off their own version of Van Gogh's Starry Night.

New Faces & New Places at GSES



Familiar Face & New Place at GSMS

Beach BRAIN Camp is a hands-on, place-based math and science camp that has been made available through a partnership with the University of South Alabama College of Education and is being funded by an ASAP grant.

What better way to celebrate World Ocean Day than with rising fifth and sixth graders at Beach BRAIN! Campers visited Lake Shelby today and learned about plankton! Campers also used fractions to play Wipe Out and engaged in weather forensics.

On Lake Shelby at Gulf State Park, a group of young campers worked through a question that lay right at their feet: What fraction of this water is salt? What fraction is fresh?
It was a moment that captured exactly what “Beach Brain” is meant to do: Merge science and math and let kids search for answers by asking real questions about a place they thought they already knew.
“Being a teacher, especially after this, is now up in my top 3,” said Xander Smith, a rising high school junior. “I've thought about it, and now I want to be a teacher even more.” Read more: **https://www.southalabama.edu/.../061626beachbrain.html**
https://youtu.be/FeY3N5z2hUQ?si=wcfZR3-OvWJa1LG8

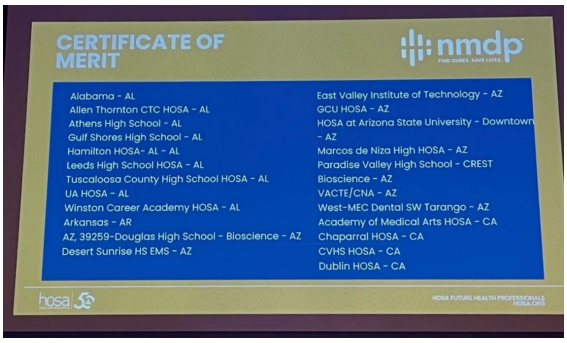
Don't miss out on your Gulf Camp summer!!
We fish, kayak, bike, sculpt, paint, garden, cook, and lots more!
Register for a week or a day and make some summer camp memories like these!

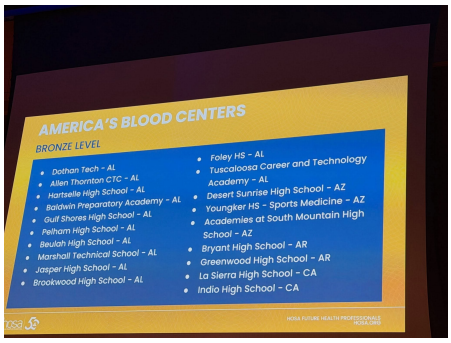
Register at www.gulfcenter.org/summer

20 Dolphin Wrestlers got better at the Penn State wrestling camp. It was a great experience for our guys getting instruction from some of the best coaches in the world!!

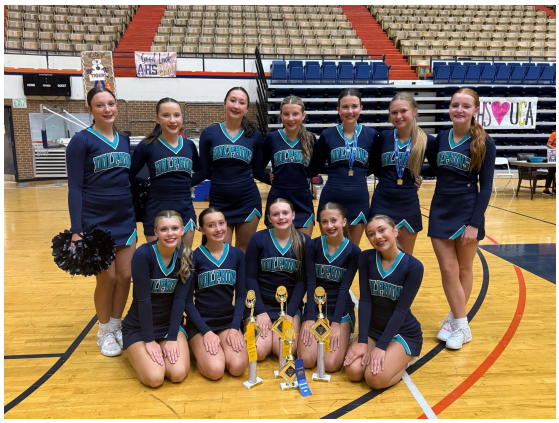
Members of the Gulf Shores Board of Education recently attended the Alabama School Boards Association Summer Professional Development Conference to enhance their knowledge and stay informed on current educational trends and best practices.

HOSA ILC 2026 - Indianapolis:
Ella advanced to round 2 in the PCT Competitive Event & was awarded a HOSA Scholarship! Mrs. Murphy has been busy with the Competitive Events Team and even got a quick hug from GSHS HOSA alumni @mauravhawkins who is also competing here in Indy! @gshs_hosa was recognized for supporting NMDP
and Americas Blood Centers . From keynote speakers, US General Surgeons, networking, expo, offsite events, and many steps taken…We are looking forward to the day of exploration and the evening Awards Session. Good luck Ella & Maura!



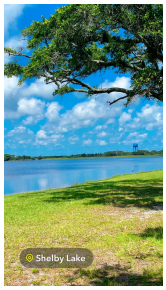


What an amazing week at Cheer Camp! Our athletes represented our school with pride, determination, and outstanding sportsmanship, and their hard work paid off in a big way!
Varsity Cheer
• 1st Place – Medium Varsity Cheer
JV Cheer
• 1st Place – Large JV Cheer
• 2nd Place – Large JV Camp Dance
• Large JV Game Day Champions
Individual Honors
• 8 cheerleaders were selected as All-Americans: Caroline Taylor, Peyton Krueger, Liliana Grandy, Melissa Montiel, Sydney Prantl, Clare Ivy-McMahan, Maddox Tabb, Maddi Thomas
• 2 cheerleaders received the prestigious Pin It Forward Award, recognizing leadership, kindness, and encouragement of others. Congratulations to Liliana Grandy and Maddox Tabb!
We are incredibly proud of every athlete for their commitment, teamwork, and positive attitude throughout the week. Thank you to our coaches, families, and supporters who helped make this camp experience so successful.
The future is bright for Dolphin Cheer, and we can't wait to bring this energy into the season!



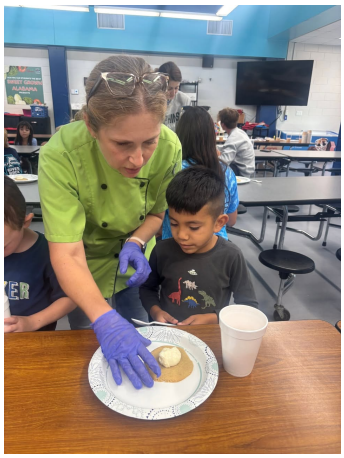
K/1st grade Summer Camp kids loved their time at the GS airport!

Summer Camp had a fun trip to Lake Shelby! We had a blast with sandnet fishing, fishing with rods, completing a service project, eating watermelon, shucking and eating fresh corn, and making our own fresh lemonade. These pictures are of our 3rd and 4th graders.



Summer Camp staff and students had a blast at Sims Park.

To continue our Community Helper week, summer camp had Gulf Shores High School's culinary teacher, Mrs. Madsen, come and walk us through making our very own fruit pizza!



Thank you to Gulf Shores Fire Department and the Gulf Shores Police Department for kicking off our Community Helpers week at summer camp.

We took flight at Eco camp. We learned all about how birds fly, experimented with bottle rockets, made origami butterflies, and cooked up delicious fresh pickles!

It's been a busy couple of weeks for our 4 PADI Divemaster candidates! Congratulations to Hunter, Anna, Caroline, and Krista! Good luck as you begin your new journey as a dive professional! Great job PADI Master Scuba Trainer Diver, Lila Harris!

Congratulations to these senior recipients! Go Dolphins

Congratulations to Lenny Lemus Suazo and Portia Hollis for being named Bedsole Scholars by The J.L. Bedsole Foundation!
The Bedsole Foundation is dedicated to supporting academic excellence and leadership, investing in students who demonstrate outstanding potential and commitment to their communities.
As Bedsole Scholars, Lenny and Portia have each been awarded a $24,000 scholarship over four years, an incredible achievement that reflects their hard work and bright futures ahead.

Portia Hollis has been selected as a recipient of the Mercedes-Benz U.S. International Scholarship, earning a $3,000 scholarship to support her studies at Samford University in Birmingham, Alabama where she is majoring in Musical Theatre and Corporate Communications.
This recognition from Mercedes-Benz U.S. International highlights Portia's dedication, excellence, and bright future ahead. We're so proud of all she continues to accomplish!

It's Tee Shirt Tuesday and Dr. Eric Mackey, The Alabama State Superintendent for Education, is wearing a tee shirt from **Gulf Shores City Schools** — enjoyed a tour of the beautiful new **Gulf Shores High School** which welcomes students to the campus this August!

The Middle School Cheer Squad ROCKED Bama camp last week!

GSMS: Mark Your Calendar and Make Plans to Attend!

Welcome, Carmen Hermecz

GULF SHORES HIGH SCHOOL

Paraprofessional

I'm thrilled to be joining the Dolphin family in the Special Education Department! With three years of hands-on experience working with students with multiple disabilities, I'm eager to make waves. My passion for supporting individuals with special needs stems from growing up with my wonderful aunt who had Down Syndrome.

As a proud alum of Foley High School and a longtime local, I embody school spirit. I've coached the dance team at Foley Intermediate, led the color guard at both Foley and Gulf Shores High, and coached cheer for Foley's city league and Foley Middle School.

I've actively participated in the Lion Backers Club, collaborating with our head football coach and team for over six years, making school spirit an integral part of my identity. On the personal side, I'm happily married to my husband Chris for two decades now and a proud mom to four amazing kids: Adrea Schwartz (husband Zach), McKenzie Gregson (husband Shane), Cooper (a sophomore at Auburn University), and Kinley (who just graduated from Foley High School). We also cherish our beautiful granddaughter, Lakelyn (affectionately known as "Peach").

Welcome, Jackie Green!

GULF SHORES HIGH SCHOOL

Special Education

I am excited to be making the transition from Middle School to High School this year and being part of the Special Services team as I begin my 14th year of my education career! I will also continue my involvement with the Gulf Shores City Schools Student Scuba Club, where I enjoy helping students learn about scuba diving and work toward certification.

Originally from Kansas City, Missouri, I am a proud Kansas City Chiefs fan. Outside of work, I enjoy traveling, scuba diving, beach time, painting, and cooking. I look forward to another great year of learning, growth, and supporting students in Gulf Shores City Schools.

Welcome, Madison Dowling!

GULF SHORES HIGH SCHOOL

English

I am beyond excited to step into my next chapter at Gulf Shores High School as an English Language Arts Teacher and assistant girls basketball coach! Returning to my Alma Mater and giving back to the community that helped shape me into the person I am today is something I am truly so excited for!

I graduated with my Bachelor's degree from Spring Hill College where I also continued my athletic career playing basketball. I am so grateful to have the opportunity to be part of the dolphin family again!

Welcome, Archie Bean!

GULF SHORES HIGH SCHOOL

Girls Soccer & Custodian

I am excited to begin my first full season as the girls soccer coach having taken over mid way through last year! We have a fun and talented group that I can't wait to get going with heading into the upcoming season!

From Norwich, England, I played at University of Mobile from 2018-2023, before coaching there on the men's side from 2023-2025. Along with this, I have also coached in the Mobile, Baldwin County and Pensacola area since 2019 both at high school and club level.

I am glad I can be on campus this year with my athletes and can be present during the school day. We have a great season ahead of us for the 2027 season! Go Lady Dolphins!

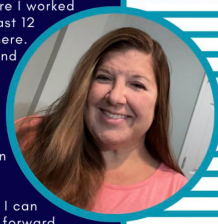
Welcome, Dawn Baxter!

GULF SHORES HIGH SCHOOL

Bookkeeper

I am so excited to be a part of the Gulf Shores High School family as a bookkeeper! I just moved here from Missouri, where I worked at a local high school for the last 12 years and was a bookkeeper there. My son, Ethan, is in the Army, and my daughter, Charley, is in college. So, it was time for me to move to the beach!

I went into the police academy after high school where I began my career as a police officer until my children came along. I really enjoy helping anywhere I can and being a fixer. I am looking forward to the new school year!



Welcome, Rett Files!

GULF SHORES HIGH SCHOOL

Health & Football/ Baseball

I am thrilled to move up to Gulf Shores High School for the 2026-2027 school year as the new Health teacher. As a Gulf Shores High School alumnus, I am excited to work in the same school feeder that I grew up attending. After graduating from GSHS, I attended the University of North Alabama, where I earned my degree while serving as quarterback for the Lions football team. My experiences as both a student-athlete & leader have helped shape my passion for education, mentorship, & athletics.

In addition to teaching, I will serve as a coach for both the football & baseball programs. I look forward to helping students succeed in the classroom, on the field, & in life by promoting character, leadership, teamwork, & healthy living. I am honored to return to Gulf Shores High School & excited to give back to the community that helped shape me into the person I am today.

Welcome, Maegan Jones!

GULF SHORES HIGH SCHOOL

Finance

I am beyond excited to be a part of the Gulf Shores High School family as the Finance teacher this year. Returning home to begin my teaching career is truly a dream come true, and I look forward to helping students develop financial skills they will use for years to come. I was born and raised in Mobile and graduated from UMS-Wright Preparatory School.

After my family moved to Gulf Shores, we quickly fell in love with this community, and I knew it was where I wanted to begin my career. I recently graduated from Mississippi State University with my Master of Business Administration after earning my bachelor's degree in Business Administration. Outside of school, I enjoy running, spending time with my dog, Rivers, and being with family and friends. I am grateful to be a part of the Gulf Shores family and cannot wait for a great year. Go Dolphins!

Welcome, Celeste Wyatt!

GULF SHORES HIGH SCHOOL

Freshmen/ Sophomore Counselor

I am more than excited to join the GSHS family this school year as a School Counselor. I love working with students of all ages, but especially high school students. I have been a School Counselor in 3 states and have learned so much from all of my previous opportunities and students! I believe that ALL students can succeed when given the tools they need!
I have a BS in Psychology from Troy University, a MS in Criminal Justice Administration from Troy University and a M.Ed in School Counseling from Auburn University.

When I'm not playing with my fur babies, you will find me with my much more relaxed, better half on the water somewhere or a beach volleyball court. I can't wait to see the hallways full and meet new students for the 2026-2027 school year!

Welcome, Anna Shugart!

GULF SHORES HIGH SCHOOL

English

After a lifetime in the foothills of the Appalachia, I decided to embrace change and move to the gulf! I began teaching English (regular, honors, AP, and dual enrollment) at Fort Payne High School in 2001 and loved every minute of it. I hope to bring my laughter, loud voice, and joy to GSHS.

I actually graduated from Fort Payne High School quite a few years ago and attended Auburn University for both a B.A. in English and an M.Ed. in Secondary English Language Arts. I became a National Board Certified Teacher in 2017.

I'll have two college students in the fall. My daughter Laurel will be a senior at Harvard University, and my son Rowan will be a freshman at the University of Alabama at Huntsville. They're growing up and need me less and less. Fortunately, my dogs need me all the more!

Last day of summer camp ended with the best fire department coming to help us enjoy water day! Thank you to all parents and students for a wonderful summer camp!

Dolphins Earn 4 Selections on the 2026 6A All-State Team!

Congratulations to our four Dolphins who were recognized by the Alabama Sports Writers Association with 6A All-State honors for the 2026 season!

Jacob O'Bryan – 1st Team All-State
John Luke Stephens – 2nd Team All-State
Tres Moore – 2nd Team All-State
Price Stephens – Honorable Mention All-State

Having four players recognized among the best in Class 6A is a testament to their hard work, dedication, and commitment to our program. We are proud of these young men and the way they represented Gulf Shores Baseball throughout the season. Congratulations, Dolphins!

Summer Camp 3rd and 4th graders visited the Gulf Shores International Airport recently. The weather limited their activities a bit, but the staff was great and they still had a wonderful time!

CLOTHING DONATIONS

REUSE. REFRESH. GIVE BACK.
WE CAN'T WAIT TO SEE YOU THERE!

DROP-OFF BEGINNING JULY 2ND THROUGH JULY 29TH

Questions? Text 334–391–1992

Former Gulf Shores High School NJROTC Cadet Jorja Carrino has successfully completed New Student Indoctrination (NSI) at Naval Station Great Lakes, Illinois.
NSI is the Navy ROTC program's introductory training course, designed to prepare incoming scholarship and college program midshipmen for the challenges of NROTC and future naval service. The training focuses on military customs and courtesies, physical fitness, leadership, discipline, and basic naval knowledge.
Completion of NSI marks an important first step as Jorja begins her journey at Jacksonville University on a full Navy ROTC scholarship, where she is pursuing her goal of becoming a Navy Nurse.
Although she has graduated from the Gulf Shores High School NJROTC program, she remains a valued member of our NJROTC family. We are proud of her accomplishments and cannot wait to see what she accomplishes in this journey.
Congratulations, Jorja!

Nora Malone received a $2,500 Baldwin Health Scholarship from the Coastal Baldwin Educational Enrichment Foundation. Nora will be attending the University of Florida, where she will major in Psychology on the Pre-Med track.
Congratulations, Nora! We are so proud of you and can't wait to see all that you accomplish.

Wrapping up another one of the best summer camps with our ECO Center partners!

GSHS NJROTC achieves another remarkable milestone!
Casey Wates has demonstrated extraordinary perseverance by successfully completing two esteemed service academy Summer Seminars, a truly impressive feat.

He attended the United States Naval Academy's program in Annapolis, MD, and shortly after, completed the United States Air Force Academy's program in Colorado Springs, CO.
As Casey competes for a Congressional Nomination this year, his remarkable work ethic and impressive resume have positioned him for outstanding success.
We are incredibly proud of his initiative and excited to see the profound impact he will make in the future. With his unrelenting drive and determination, Casey is destined for great things in his future.

STEAM Summer Camp – Into the Jungle!

STEAM took flight today as Aviation Week adventures continued!
Campers explored the science of flight by learning about two important forces that help airplanes soar—thrust and lift. After watching a short video, they put their engineering skills to the test by constructing and flying two simple paper airplane designs.At first, many were skeptical that a little paper and tape could actually fly! But through measuring, cutting, folding, taping, testing, and redesigning, they discovered that engineering is often a process of trial and error. One of the biggest lessons of the day wasn't just about airplanes—it was about perseverance. Campers learned that growth happens in the struggle, and that mistakes are often the first step toward success. By the end of the lesson, their planes—and their confidence—were soaring!

GULF COAST

ROBOTICS CHALLENGE

READY, SET, CODE.

Come to the beach and compete with your robot!! It's a win-win!!
Grades 4–12, inspired by the UA Robotics Competition style.

A retro-styled robotics challenge is released on the day of competition. Challenges themed on classic board games. Size limit of your robot limited to 13 x 13 x 13 and run missions fully autonomous.

Details:

Date: October 3
Location: Gulf Shores Middle School
Cost: $125/per team
