Procedures:

Create a requisition in Smarte using the following guidelines:

- Vendor: Most credit card vendors do not have a vendor number in Smarte – to add the vendor click on “suggest vendor” type in the vendor information and save.
- Requisitions must specify the vendor name, and a **LIST** of what items will be purchased **“Misc. event supplies” will not be accepted.** Please review the list of purchasing restrictions found on the purchasing website.
- Maximum amount allowed per requisition/transaction is **\$1,000**. A shopper can only shop for one funding source at a time. Lottery (1100) are not allowed. The deadline to purchase using lunchtime noon funds (0047) will be in February. Please review the Student Support Guidelines - incentives shall not exceed [\\$99 including tax](#) per awardee.
- The **comments** section must include who the items are for or being used by, what is the event, when, where, why do you need these items, and the school site action plan number, if applicable.
- Do not copy and paste requisitions. Each requisition must have specific details of the event or reason for the purchase request.

****Requisitions with missing information will be returned to the site for corrections****
