

St. Anthony Village High School Three-Sport / Three-Activity Award Guidelines

The Three-Sport / Three-Activity award recognizes senior students for their outstanding commitment to athletics and activities at St. Anthony Village High School (SAVHS). Earning a letter in three sports or three activities is a significant accomplishment that reflects dedication, perseverance, and school spirit. The SAVHS Athletics & Activities Department proudly commends these students for their hard work, commitment, and contributions to the school community.

Eligibility Requirements

Three-Sport Award

To earn the Three-Sport Award, a senior student must letter in three different Minnesota State High School League (MSHSL) sports.

These three letters must be earned during their senior season and be for active participation in the sport. Earning a letter for being a team manager does not qualify.

Three-Activity Award

To earn the Three-Activity Award, a senior student must letter in three different school-sponsored clubs or activities that meet the criteria below.

These three letters must be earned during the student's senior year and must be for a co-curricular activity (not an MSHSL sport).

General Lettering Requirements

To earn a letter, the following criteria must be met:

1. Time commitment – A minimum of 100 hours of competition and/or actual practice or preparation must be spent.
2. Public performance – There must be a publicness in the form of meets, competitions, displays, etc.
3. Standard of excellence – There must be a standard of excellence setting a varsity caliber of participation.
4. Student registration – All student participants must be registered with the main office.

To be eligible for the Three-Sport / Three-Activity Award, a student must letter in three sports or three activities – a combination of sports and activities does not qualify. The award recognizes a sustained commitment to either athletics or activity involvement.
