For the purpose of defining an employee who is full time, the term "full-time employee" shall include any employee working 25 hours or more per week, five hours per day, for a period of at least 175 working days per year inclusive of paid holidays. An employee working 875 hours or more per fiscal year without fulfilling the requirement of five hours per day, 25 hours or more per week and 175 days per year may qualify for benefits subject to the working conditions being pre-approved in writing by the immediate supervisor and the Executive Director of Human Resources. ARTICLE IV LEAVES

Section A. Sick Leave:

1. All full-time employees working 260 days a year shall earn sick leave at the rate of 14 days per year for each year of service. Such sick leave shall be a personal benefit to the employee only. Annual sick leave shall accrue at the beginning of the school year on a proportionate basis to the employee's workday. Employees working less than 260 days a year shall earn pro rata sick days based upon the number of days worked for each year of service. Employees hired after July 1, 2014 will also be credited with an additional 14 days of disability in their first year of employment.
2. Unused sick leave days will accumulate to a maximum credit of 254 days of sick leave per employee of which a maximum of 240 days will carry over to the following year. This provision is not retroactive.
3. Each employee's accumulation of unused sick leave benefits shall be credited and communicated to the employee at the opening of each school year. A request for sick leave shall be processed upon submission of a signed request form.
4. Sick leave benefits with pay shall be allowed by the school district whenever an employee's absence is found to have been due to illness or disability, including pregnancy, which prevented attendance at school and performance of duties on that day or days.
5. The school district may require an employee to furnish a medical certificate from a district-designated physician or other qualified physician as evidence of illness, indicating such absence was due to illness, in order to qualify for sick pay. However, the final determination as to the eligibility for sick leave is reserved to the school district.

It shall be the responsibility of each employee to provide medical certification by a doctor acceptable to the school district. Sick leave will not be paid by the school district unless medical certification is provided to the school district when requested.

6. AST employees may use sick leave up to the amount accumulated for serious illness of the employee or employee's minor child. Employees may also use sick leave not to exceed four (4) days per year for serious illness in the immediate family. Immediate family is defined as a spouse, parent, adult child, brother, sister, spouse's parent, or persons who reside in the employee's household. Subject to the discretion and pre-approval of the superintendent or designee, employees may also use up to six (6) additional sick leave days for a serious disability of a spouse, parent or adult child; however, the granting of such leave will require a doctor's certificate specifying that attendant care is required for the disabled person.

Section B. Bereavement Leave:

Up to five (5) days of paid leave shall be granted for death in the immediate family. The particular amount of leave allowed under this provision is subject to the discretion of the superintendent, depending upon the circumstances. For purposes of this section, immediate family is defined as the employee's spouse, child, parent, brother, sister, mother-in-law, father-in-law, sister-in-law, brother-in-law, grandparent, legal guardian, aunt, uncle, grandchild, daughter-in-law, son-in-law, niece, nephew, and spouse's grandparent, aunt, uncle, and persons who reside in the employee's household. Up to one (1) day of paid leave per year shall be granted for the death of any other relative or friend not covered in the definition of bereavement leave. Days used for this section shall not be deducted from sick leave.

Section C. Jury Duty Leave:

An employee who serves on jury duty shall be granted the day or days necessary as stipulated by the court to discharge this responsibility without any salary deduction or loss of basic leave allowance. In the event an employee serves on jury duty pursuant to this section, the school district will compensate the employee for the difference between the regular salary and the amount received as jury duty pay.

Section D. General Leave:

1. Employees in the school district may apply for an unpaid leave of absence subject to the provisions of this section. The granting of such leave shall be at the discretion of the school district.
2. Such leave may be granted by the school district for overseas teaching, Peace Corps, National Teacher Corps, child care leave, extended illness of the employee's family, adoption, civic activities or other reasons deemed appropriate by the school district.

Section E. Military Leave:

Military leave shall be granted pursuant to applicable laws.

Section F. Medical Leave:

1. An employee who is unable to work because of illness or disability, and has exhausted all disability leave credit available, or has become eligible for long term disability compensation, shall, upon request, be granted a medical leave of absence, without pay, up to one (1) year. The school district may, in its discretion, renew such a leave.
2. A request for leave of absence or renewal thereof under this section shall be accompanied by a written doctor's statement outlining the conditions of health and estimated time at which the employee is expected to be able to assume his/her normal responsibilities.

3. If an employee is not granted a renewal of a medical leave of absence, in the discretion of the school district, such employee's employment may be terminated pursuant to individual contract language.

Section G. Personal Leave:

A full-time employee may be granted one (1) day of personal leave per year.

Section H. Sabbatical Leave:

A sabbatical leave of absence for professional study may be granted to an AST employee subject to the following provisions:

1. In order to be eligible for a sabbatical leave, an AST employee must have completed at least seven consecutive years of employment in the Eden Prairie Schools.
2. No more than one AST employee shall be granted a sabbatical leave in any one year.
3. The proposed program of study must be approved in advance by the Superintendent. The professional study for which sabbatical leave is granted shall be directly related to the AST employee's assignment, unless otherwise agreed in writing.
4. Salary allowance granted to an AST employee on sabbatical leave shall be 60% of the employee's basic contract salary for the school year in which the sabbatical leave is taken. The pay reduction may be taken over two years by mutual consent. Length of the sabbatical leave will be determined on an individual basis dependent upon the proposed program of study.
5. An AST employee receiving a sabbatical leave must agree in writing to return to the school district for at least one year of service after completion of the sabbatical leave. An AST employee who fails to return and complete one year of service for any reason other than the individual's incapacity to perform the job shall refund monies received from the school district while on sabbatical leave.
6. Applications for sabbatical leave shall be submitted in writing to the Executive Director of Human Resources by March 15. Notice of action by the school district shall be given prior to April 15. The AST employee must confirm acceptance of a sabbatical leave by May 1.
7. An AST employee receiving a sabbatical leave in accordance with this section shall receive employment credit for the leave.

Section I. Disaster Leave:

The district shall provide disaster leave coverage for an AST employee who has exhausted accumulated disability days prior to the commencement of long-term disability benefits. An

AST employee will become eligible for disaster leave coverage after the AST employee has been continually disabled and unable to work for thirty (30) consecutive work days as certified by a medical doctor. Disaster leave payments shall be retroactive to the day that regular disability leave payments expire and shall continue only for a period during which the AST employee remains continuously disabled and unable to perform his/her work function. Disaster leave payments shall cease on the 61st calendar day of disability.

Section J. Leave Authorizations:

General leaves and medical leaves shall be authorized by the school district. Other leaves shall be granted subject to submission of a properly signed and authorized report form reflecting appropriate information.

Section K. Insurance Application:

An employee on leave under D. and F. of this Section is eligible to continue to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as he/she wishes to retain commencing with the beginning of the leave. However, an employee who has performed services at least ninety (90) days during the school year shall receive the pro rata portion of the school district contribution proportionate to the days worked to the regular duty year. It is the responsibility of the employee to make arrangements with the school business office to pay to the school district the monthly premium amounts in advance and on such dates as determined by the school district. The right to continue participation in such group insurance programs, however, will discontinue upon termination of employment.

Section L. Eligibility:

Only "full-time employees" as defined in Article I.C. of this employment agreement shall be eligible for leave benefits provided in Article II.

ARTICLE V PROFESSIONAL ABSENCE

The district encourages employees covered by this agreement to pursue professional growth activities as approved by the school district. Persons covered by this agreement may be allowed to attend professional meetings and other activities of a professional nature with full pay when authorized by the school district. When personnel attend meetings on behalf of the school district, expenses shall be paid by the school district, if provided for and authorized in the budget. Such authorization should be obtained from the employee's supervisor in advance of the meeting to be attended.

ARTICLE VI MILEAGE REIMBURSEMENT

Persons covered by this agreement may be provided a travel allowance to compensate for expenses incurred in the use of a private automobile for the transaction of school business.

The actual dollar amount of the travel allowance shall be determined by the school district after consultation with the administrator and such allowances, if any, shall be evaluated yearly by the school district. Any employee not receiving a travel allowance shall receive the mileage rate provided under the school policy.

ARTICLE VII SEVERANCE PAY AND HOSPITALIZATION INSURANCE COVERAGES

Section A. Severance / Sick Leave Payout - For Employees Hired Prior to July 1, 1998

1. The school district shall provide four (4) pro rata days of severance pay for each full year of employment in the Eden Prairie School District. An AST employee is eligible for severance pay when he/she discontinues employment with the school district for any reason other than dismissal for cause. The rate of pay shall be calculated at the rate of the last day of employment. The divisor for the daily rate of pay will be 240 days (or pro-rata thereof for reduced contracts). Severance pay may not exceed an amount equivalent to six months of wages, per MN Statute 465.722.
2. AST employees shall also receive as severance pay 50% of unused accumulated sick leave, not to exceed the maximum limitations set forth in Article IV, Section A.
3. Total severance pay (including sick leave pay out) to any AST employee shall not exceed one year's salary nor any other limitations set forth in state statutes.
4. Election of Severance Pay Benefits
 - a. Severance pay shall be paid by the school district within 30 days of the AST employee's last day of employment. Severance pay shall not be granted to any AST employee who is discharged or terminated for cause by the school district.
 - b. If an AST employee dies before the severance pay has been disbursed, that balance due shall be paid to a named beneficiary, or, lacking same, to the deceased's estate.
 - c. An employee qualifying for severance pay provided for in Section VII, A. of this article will receive that severance pay as follows. The first 60% of the severance shall be contributed to the employee's account under the VEBA Trust for Eden Prairie Schools (the health reimbursement arrangement (HRA) sponsored by the school district that is funded with a VEBA authorized under Section 501(c)(9) of the Internal Revenue Code). The remaining 40% shall be contributed to the employee's account under

a 403(b) plan (i.e., TSA account) sponsored by the school district that is funded solely with accumulated sick leave, vacation, and/or severance.

5. Offset Against Severance

District contributions to the tax-sheltered annuity matching program will be offset (be deducted from) the final severance amount upon retirement with the employee receiving the net amount as severance. Should the district's contributions to the tax-sheltered annuity matching program exceed eligible severance at the time of retirement, no severance payment will be due.

6. Full-time employees hired prior to 7/1/98 shall be eligible to receive severance. Full-time employees hired 7/1/98 or after shall be eligible to receive only the 403(b) matching program.

Section B. Hospitalization and Dental Insurance Coverage:

1. Employees Qualifying for School District Contributions to Retiree Insurance:

- a. For employees hired prior to July 1, 1995. An employee who retires pursuant to Article VII, A. with at least 15 years as an employee in the Eden Prairie School District, at least 20 years in TRA and/or PERA and who is 55 years of age or more shall be eligible to participate in a school-district-sponsored group medical-hospitalization insurance plan and dental insurance up to a maximum of \$950 per month, if permitted by the terms of the respective master group medical-insurance policy. Effective the first month of the employee's retirement, the district contribution towards medical-hospitalization and dental insurance premiums shall be paid by the school district. The employee's right to district contribution towards group insurance, however, will discontinue upon the employee becoming eligible for Medicare.
- b. The provisions of this agreement shall apply to AST employees contracted for 1,920 hours or more per year. Full-time AST employees, as defined in Article I.C. of this agreement, contracted for less than 1,920 hours per year shall receive a pro rata portion of this benefit by dividing the number of hours contracted by 1,920 and multiplying by the monthly premium. In case the contracted hours are not consistent from year to year, the numerator of this equation shall be determined by averaging the most recent five years. Once an employee is eligible for Medicare, benefits must be coordinated with Medicare.

2. Employees Not Qualifying for School District Contributions:

An employee who is 55 years of age or more but does not qualify for benefits under Subdivision 1 of this section shall be eligible to continue participation in a school-district-sponsored group medical-hospitalization insurance plan at the same level of participation as a full-time employee, if permitted by law and if permitted by the terms of the respective master group medical-hospitalization insurance plan, but the employee shall pay the entire premium commencing with the date of the employee's retirement. It is the responsibility of such an employee to make arrangements with the school district business office to pay to the school district the monthly premium amounts in advance and on such date as determined by the school district. Once an employee is eligible for Medicare, benefits must be coordinated with Medicare.

Employees who resign prior to June 30th will not be eligible for payment for that fiscal year.
3. The employee may receive reimbursement from the Account for expenses related to medical care, as defined under the Internal Revenue Code; however, the definition of expenses eligible for reimbursement may be modified if necessary to comply with applicable nondiscrimination requirements under the Internal Revenue Code.

Any salary earned above and beyond base salary does not apply to the matching program.
- D. Employees may defer additional unmatched amounts of their compensation to the 403(b) program or in any other TSA of their choosing as is permissible by law. Employees are advised to seek advice from a qualified tax advisor or financial planner to ensure they meet permissible guidelines.

- F. The employee may select any qualified company pre-approved by the State of Minnesota and also approved by the school district.

- H. The parties agree that any description of benefits contained in this Article is intended to be informational only, and the management of contributed funds is the responsibility of the company selected by the employee. It is further understood that the District's only obligation is to make contributions as specified in this Article and that no other claim shall be made against the District pursuant to this Article.

ARTICLE X

TUITION REIMBURSEMENT FOR ADVANCED COLLEGE COURSE WORK

The school district shall reimburse 50% tuition expense, and required course fees, application fees and books up to \$150 per course for up to 9 credits in any one fiscal year for advanced (graduate level) college course work which pertains directly to the position. Correspondence courses will not be reimbursable. In order to be considered for reimbursement, all course work must be approved by the AST employee's supervisor prior to taking the course work. Tuition reimbursement will occur after an AST employee has satisfactorily completed the course with a grade equivalent of "C" or higher.

ARTICLE XI TRAINING PERIOD

An employee under the provisions of this agreement shall serve a training period of twelve (12) calendar months of continuous service in the school district during which time the school district shall have the unqualified right to suspend without pay, discharge, or initiate other discipline. However, a trainee shall have the right to bring a grievance alleging a violation relating to any other provision of this agreement. (See Appendix B).

ARTICLE XII WORKERS COMPENSATION

- A. Upon the request of an employee who is absent from work as a result of a compensable injury under the provisions of the Workers' Compensation Act, the school district will pay the difference between the compensation received pursuant to the Workers' Compensation Act and the employee's regular rate of pay to the extent of the employee's earned accrual of sick leave and/or vacation pay.
- B. A deduction shall be made from the employee's accumulated sick leave or vacation accrual time according to the pro rata portions of days of sick leave or vacation time which is used to supplement Workers' Compensation.
- C. Such payment shall be paid by the school district to the employee only during the period of disability.
- D. In no event shall the additional compensation paid to the employee by virtue of sick leave or vacation pay result in the payment of total daily, weekly or monthly compensation that exceeds the normal compensation of the employee.
- E. An employee who is absent from work as a result of an injury compensable under the Workers' Compensation Act who elects to receive sick leave or vacation pay pursuant to this policy shall show each of his/her Workers' Compensation checks to the school district prior to receiving payment from the school district for his/her absence.

ARTICLE XIII DURATION OF THE AGREEMENT

Note: Additional factor – An additional factor may be added to a position for such reasons as market comparison of teachers moving into the unit to make salaries comparable. This factor is

established through the authority of the Superintendent and Executive Director of Human Resources. It is important to be cognizant of the impact future step increases will have on an employee's total salary when added to an additional factor in succeeding years. Factors do not increase with salary increases.

APPENDIX B GRIEVANCE PROCEDURE

Section 1. Grievance Definition:

A "grievance" shall mean an allegation by an employee resulting in a dispute or disagreement as to the interpretation or application of any term or terms of this Policy.

Section 2. Representative:

The employee, administrator, or school district may be represented during any step of the procedure by any person or agent designated by such party to act in his/her behalf.

Section 3. Definitions and Interpretations:

Subd. 1. Extension: Time limits specified in this Policy may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays not designated as holidays by state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

Section 4. Time Limitation and Waiver:

Grievances shall not be valid for consideration unless the grievance is submitted in writing to the school district's designee, setting forth the facts and the specific provision of the Policy allegedly violated and the particular relief sought within 15 days after the date the event giving rise to the grievance occurred, or within 15 days after the employee, through the use of reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the school district's designee.

Section 5. Adjustment of Grievance:

The parties shall attempt to adjust all grievances, which may arise during the course of employment of any employee within the school district in the following manner:

Subd. 1. Level I: If the grievance is not resolved through informal discussions, the school district designee shall give a written decision on the grievance to the grievant involved within 10 days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent of Schools, provided such appeal is made in writing within 5 days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or his/her designee shall set a time to meet regarding the grievance within 10 days after receipt of the appeal. Within 10 days after the meeting, the Superintendent or his/her designee shall issue a decision in writing to the parties involved.

Section 6. School Board Review:

The school board reserves the right to review any decision issued under Level I or Level II of this procedure at the request of the grievant or at its own instance provided the school board or its representative notifies the parties of its intention to review within 10 days after a decision in Level I or Level II has been rendered. In the event the school board reviews a grievance under this section, the school board reserves the right to affirm, reverse or modify such decision and at the option of the school board, a committee or representative(s) of the school board may be designated by the school board to hear the appeal at this level, and report its findings and recommendations to the school board. The school board shall then render its decision within 13 days after notification of intent to review.

Section 7. Denial of Grievance:

Failure by the school board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 8. Grievance Form:
