Specific Tips!

Study Buddy

Have two study buddies in each class. Study together in study hall, after school, or over the phone.

Flash Cards

Make Flash cards using note cards to go over key ideas.

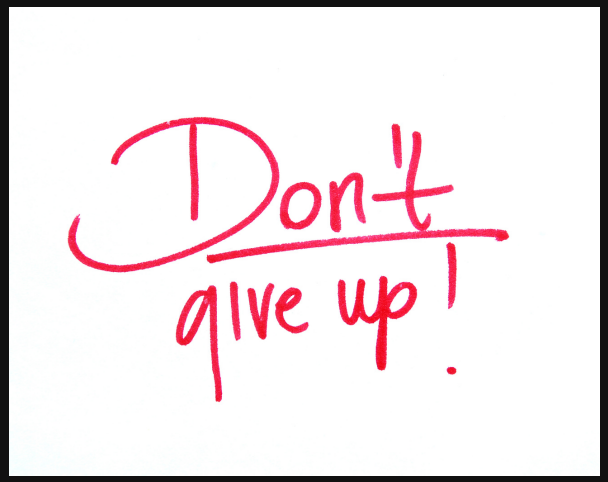

Watch a Video

Use Khan Academy and learning channels on YouTube to find lessons on topics you might be going over in class!

Quizzes

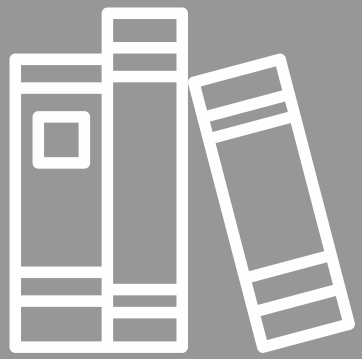

Review old quizzes or make your own quiz on Quizlet to help you study!

STUDY SKILLS

For Middle School

BENEFITS OF STUDYING

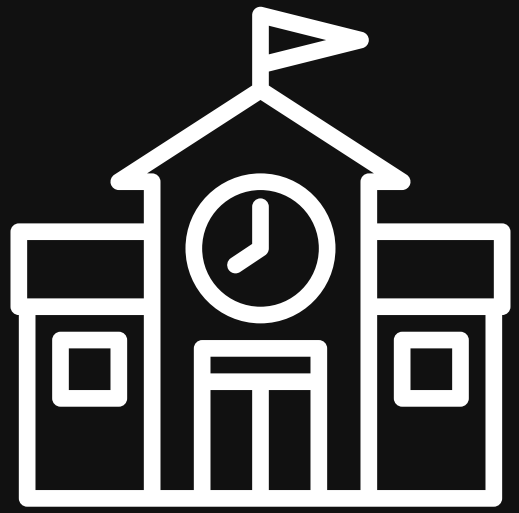

- Reduces overall stress level
- Helps you feel in control of your own learning
- Builds your self-confidence and responsibility.

Use the Resources that our School gives you!

- ProgressBook
- OneNote
- Email
- Other online sites that your teacher uses!

DAILY TIPS

IN CLASS

- Be attentive
- Take Good Notes
- Participate in Class
- Be an Active Learner

BECOME A TEACHER

Explain it to someone else! Teach someone else what you learned, maybe a classmate or someone at home!

REVIEW

Don't Forget to review your notes every night so you can ask questions the next day if you are still not understanding!
