

Mrs. Bicherl's 12:1:1 2026-27 School Supply List

Please keep this handy dandy list on hand throughout the summer to make sure that you catch the needed supplies while they are on sale. Sales usually start in June...I know, but truly they start as soon as we get out. Be sure to check out Walmart and Target especially when they have the ever important CRAYOLA crayons and coloring pencils as well as ELMER'S glue sticks on sale for usually under \$1. Please note that although the dollar tree is great in a pinch, the glue sticks tend to dry up very quickly...just from our experiences.
