VIRGINIA BEACH CITY PUBLIC SCHOOLS (VBCPS) HIGH SCHOOL INFORMATION

Please review the following information that summarizes School Board policies, regulations and procedures that directly affect high school students. Additional information and direction can be found on the School Division's website www.vbschools.com in the *Behavior Supports and Code of Student Conduct*, *Secondary School Curriculum Student Guide for 2026-2027*, the *Code of Virginia*, and the *Virginia Beach City Public Schools' Policies and Regulations*. Individual school rules are provided by each high school.

ACCEPTABLE USE POLICY (AUP) FOR COMPUTER TECHNOLOGY

The School Board provides computer systems to promote educational excellence, resource sharing, innovative instruction, and communication and to prepare students to live, collaborate, and work in the 21st century. To be eligible to use computer systems, students under the age of 18 must obtain parental/guardian acknowledgment of the provisions of the Acceptable Use Policy (AUP) outlined in [SB Policy 6-64](#). A Parent Acknowledgment Form will be forwarded annually and signed by the parent/guardian acknowledging that they have read and understand the AUP (see [SB Policy 6-62](#)). Access to the School Division computer systems is granted as a privilege, not a right, and any student who fails to comply with the terms of this policy or related regulations may lose computer systems privileges and may be disciplined in accordance with the Code of Student Conduct. Understanding the importance of internet/computer safety, information on this subject will be made available to all students throughout the school year. Additionally, internet/computer safety tips can be found on www.vbschools.com.

ACCESS/DISCLOSURE OF STUDENT RECORDS

In compliance with the Family Educational Rights and Privacy Act (FERPA) and in accordance with [SB Policy 5-31](#) and [Regulations 5-31.1](#) & [2](#), parents/legal guardians of minor students may review their children's cumulative education records at the school office upon request. If student education records are inaccurate or misleading, the student's parent or legal guardian may request an amendment by contacting the school principal. Cumulative records are treated as confidential material, and the privacy rights of parents/legal guardians and students are safeguarded. Except as provided by law, no outside agencies or individuals may have access to a student's record without written consent of the parent/legal guardian. If records are copied, a minimal fee may be charged. Parents/legal guardians have the right to file a complaint with the Family Compliance Office, U.S. Department of Education for failure to comply with FERPA. Whenever a student transfers from one school or school division to another, the scholastic and discipline record or a copy of the scholastic and discipline record will be transferred to the school or school division upon request from the school or school division.

The School Board authorizes making certain Student Directory Information public as permitted under state and federal laws and School Board policies and regulations. Adult students or parents/guardians of minor students must provide consent for the release of certain directory information. Student Directory Information means information contained in an education record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. [SB Policy 5-66](#) defines Student Directory Information as the following: student in attendance or no longer in attendance; date and place of birth; dates of attendance; participation in officially recognized activities and sports; height and weight, if a member of an athletic team; awards and honors received; and recordings of virtual instructional activities; photographs or digital images, including recordings of educational or school related sporting/extracurricular events that third parties attended; yearbooks, class pictures, playbills or programs for shows, plays, concerts, graduations or similar school created publications or advertisements; and other similar information. School Board policy gives the superintendent the discretion of selecting which student directory information may be released. Detailed information on FERPA can be found on www.vbschools.com under the category *Policies*.

ALCOHOL/DRUG POLICY

Under Virginia law, it is unlawful for any person to manufacture, sell, distribute, possess with the intent to sell, give, distribute, or bring any controlled substance, imitation controlled substance, or marijuana on public school property (including buildings and grounds), within 1,000 feet of school property, on any school bus or to any school-sponsored event. Violation is a crime; violators are subject to expulsion. A student accused of possession of, use of, or under the influence of, and is the first offense, at the principal's discretion, may be offered the opportunity to participate in the Substance Abuse Intervention Program (SAIP) in lieu of the recommendation for expulsion.

ALTERNATIVE EDUCATION FOR DISCIPLINARY PURPOSES

All students and staff deserve an educational environment that is free from prohibited conduct and unnecessary disruption or threats. Students who are under investigation, are being disciplined for violations of the Behavior

VIRGINIA BEACH CITY PUBLIC SCHOOLS CHARTING THE COURSE

Supports and Code of Student Conduct or who are facing certain criminal charges, may be reassigned to alternative forms of education for the term of the investigation, discipline, or criminal matter. Alternative education assignments are provided by the School Board as a service to allow students to make some progress toward their core educational classes. Alternative education will not provide the student with all the same classes, services, or extracurricular opportunities that the student enjoyed prior to the assignment to alternative education. It may be necessary for a student to repeat a course or take additional courses due to placement in an alternative education program. Loss of the opportunity to take certain courses, participate in special programs or academies, or participate in extracurricular opportunities will not constitute the basis for overturning an assignment to alternative education. Failure to enroll in or attend an assignment to alternative education may subject students and parents/legal guardians to truancy proceedings. The School Division is not obligated to waive absences or make up loss of educational opportunity for students who do not attend alternative education placements.

ATTENDANCE AT SCHOOL

The School Division has established residency rules and attendance zones for schools. Under Virginia law, adult students or parents/legal guardians who falsify address information may be found guilty of a class 4 misdemeanor. Adult students or parents/legal guardians shall be liable to the school division for tuition charges while enrolled in the School Division. At the discretion of school administration, students who are admitted to VBCPS or specific schools based upon false information may be disqualified from attending VBCPS or a specific school.

Regular school attendance is important to academic development and successful completion of required Standards of Learning and end-of-course tests; therefore, excessive, or unexcused absences from school and specific classes can be detrimental. Virginia law requires that all persons who have not reached their 18th birthday must attend school in the city or county in which they reside. Failure to attend school regularly may result in a referral to the courts. Virginia law requires schools to develop plans of action when a student has five (5) unexcused absences for which the parent has provided no documentation. After seven (7) unexcused absences, schools must report these absences to appropriate authorities.

The School Division has established reasons for which an excused absence can be granted including personal illness, severe illness or death in the family, exposure to contagious disease, religious holidays, extremely inclement weather, or school-related activities for which participation has been granted by the school. Absences for other reasons, including out-of-school suspension, are considered unexcused absences.

Absence for any reason other than those stated above requires prior permission from the school administration. Requests for this approval should be written and submitted as soon as possible, but no later than 24 hours prior to the date requested. The reason for the request and length of absence must be provided. In all cases of absence or tardiness, minor students must present a written excuse from a parent/legal guardian to the school stating the reason. Adult students must present written excuses for absences to receive credit for class. With a tardy or late arrival, the parent/legal guardian must accompany the student to the security desk at the main entrance and obtain a pass to class. In the high school setting, a student is marked absent if more than 15 minutes of class is missed. Students with more than six class absences, within a given semester—excused or unexcused—will receive a failing grade (63/N) for that course or the actual class grade, whichever is lower, unless a waiver has been approved.

When extenuating circumstances exist, an adult student or parent/legal guardian of a minor student should discuss extensive absences with the principal or his/her designee. Students who miss 15 consecutive days during the school year are withdrawn from the school. When a student's absences equal two-thirds of the number of excessive absences, the school will notify the adult student or parent/legal guardian of a minor student in writing of the number of absences. Through discussion and working with the parent and student, a corrective action plan will be developed as appropriate.

BICYCLES/E-BIKES/SKATEBOARDS/SCOOTERS

At schools where bicycles and e-bikes are allowed, students must obtain permission from the school to ride to or from school. Bicycles and e-bikes must be secured on a bike rack with the student's lock. Bicycles and e-bikes are not permitted in the school building and may not be ridden on sidewalks at the school. Students under 14 are required to wear helmets while riding bicycles and e-bikes and should obey traffic signals and signs to ensure a safe ride to and from school. The school assumes no responsibility for bicycles or e-bikes on school property. Skateboards and scooters are not allowed on School Board property and cannot be used for transportation purposes to and from school. Students will not be permitted to board VBCPS buses or vehicles if they are in possession of a bicycle, e-bike or other wheeled riding device.

BREAKFAST/LUNCH PROGRAM

VBCPS participates in the National School Breakfast and Lunch Programs. Applications for free or reduced-price meals can be obtained from the school office throughout the school year or submitted online at schoolcafe.com. Menus, current meal prices, and a complete listing of a la carte items can be found on www.vbschools.com by selecting the “Student Meals” icon tab at the middle of the page. In addition to breakfast and lunch items, other items are offered for sale as a la carte options. Payments for meals can be made using one of three methods: cash; checks; and online using Visa, MasterCard, or a debit card. This [online service](#) allows parents of students to prepay money directly into their child’s computerized point-of-service system meal account, monitor their child’s food purchases, set up low-balance email reminders, and schedule recurring payments.

BULLYING

[SB Regulation 5-36.3](#) defines bullying as “any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim, including on the basis of the actual or perceived membership of the victim in a group that is protected from discrimination pursuant to the Virginia Human Rights Act, as amended; and is repeated over time or causes severe emotional trauma.” Bullying includes cyber bullying but does not include ordinary teasing, horseplay, argument, or peer conflict. Bullying may include, but is not limited to, verbal or written threats or physical harm. All students should refrain from bullying behavior and report acts of bullying to an administrator. Students and parents/legal guardians can contact the student’s school administrator in the school’s main office to report bullying. School administrators will notify the parent/legal guardian of any student involved in an alleged incident of bullying within twenty-four (24) hours of the allegation of bullying. Administrators will then investigate the concerns and work with the student and parents to address bullying concerns. Any student determined by administration to be involved in bullying behavior is subject to disciplinary action in accordance with the Code of Student Conduct.

BUS TRANSPORTATION

Bus transportation is provided for VBCPS students based on each school’s transportation zone. Students riding a bus to school must be at their stop no later than five minutes before regular pickup time. The *Behavior Supports and Code of Student Conduct* outlines the conduct for all students while riding a school bus. Bus schedules, pickup times, and live bus tracking will be available in your ZUM Parent APP if you registered for bus transportation. Students riding a special needs school bus will be contacted by your student’s school bus driver before the first day of school. Bus information, bus stop guidelines, and safety tips are posted on www.vbschools.com. Students must ride their assigned buses. Extenuating circumstances requiring a bus change must be submitted in writing with a contact telephone number and approved in advance by school administration. Failure to comply with policies and regulations may result in loss of bus privileges.

CELLULAR PHONES AND PERSONAL ELECTRONIC COMMUNICATION DEVICES

Student possession and use of cellular phones and other personal electronic communication devices to include hand-held computing devices, and blue-tooth connected devices such as earbuds and speakers, are governed by [SB Policy 5-52](#) and [Regulation 5-52.1](#). Student use of cellular phones and personal electronic communication devices during the school day is disruptive to the educational environment and not productive to the learning experience, therefore, students are prohibited from using them during the school day. Students are prohibited from accessing and using cellular phones and personal electronic devices during the instructional day, defined as the time from the first bell to start the school day to the dismissal bell signaling the end of the day including all transitions between classes and lunch. Students may possess such devices on school grounds provided the devices are not on their person, are not visible, and are not activated. The principal of each high school will establish procedures for off-site events and activities including all school sponsored events, such as field trips, and other non-building specific instructional opportunities, and notify students and parents/legal guardians in advance. Students and parents are expected to familiarize themselves with the procedures and guidelines for each school/campus where a student attends for instructional activities. Students who violate this regulation will be prohibited from having any personal electronic communication device or accessory on school property or at school events if the School Administration determines the student has failed to demonstrate the ability to adhere to applicable rules, regulations, and policy.

In accordance with [SB Policy 5-65](#) and [Regulation 5-65.1](#), the school division reserves the right to inspect or search both school division owned and private electronic devices or storage systems without student or parent/guardian consent if a reasonable suspicion exists to believe there is a violation of the Code of Student Conduct or a safety/health emergency. Use of activities may only be done with prior authorization from a school administrator.

CHILD CUSTODY

The school division recognizes that issues related to the legal and physical custody of students are complicated and can impact the student's educational experience. Parents and legal guardians of students are strongly encouraged to stay involved with their student's academic progress. Unless a court order decrees otherwise, either parent or a legal guardian may view education records and attend school functions or school meetings regarding the student. Official notices and report cards will be sent to the parent or legal guardian with primary physical custody of the student during the school year. It is the responsibility of the parent or legal custodian with primary physical custody to provide current copies of court orders to the school. Child visitation and exchange of custody should not take place during school hours or on school property. The school division will assume no responsibility for enforcing visitation or custody orders and reserves the right to prohibit parents or legal guardians from entering School Board property if their conduct becomes disruptive to the school environment. Concerns regarding custody and visitation should be directed to the school principal. For additional information see [SB Regulation 5-10.2](#).

CHILD FIND/NOTICE OF GENERAL SCREENING

VBCPS maintains an active and continuing child find process designed to identify, locate, and evaluate those children in need of special services. Child find includes children who are migrant, homeless, attend private schools or are home schooled. The special education process begins when a referral from a parent, teacher, physician or another interested person is received by the school. VBCPS screens the vision and hearing of all students within the first 60 days of enrollment. All students in kindergarten through third grade are also screened in the areas of speech, voice, language, and motor development. All students in grades three, seven, and ten are screened in vision and hearing. Scoliosis information is distributed annually within 60 days after the opening of the school year to the parents of students in grades five through ten. If scoliosis screening for grades five, seven, and nine will be conducted, parents will be notified and given the opportunity to opt out. VBCPS maintains screening procedures to assure the identification of students with disabilities who may require special education services. Safeguards include written notice, confidentiality and maintenance of student's scholastic records.

CLINIC: OVERVIEW OF HEALTH SERVICES FOR STUDENTS

Each school clinic is staffed with a full-time registered nurse, along with trained clinic assistants in the larger schools. They provide health screenings, assessments for chronic and acute illness, and first aid. The registered nurse at each school is available to consult with parents as needed, regarding health concerns of students.

If a student has special health needs (medication, seizure precautions, catheterizations, gastric tube feedings, blood sugar checks, oxygen needs or others), the adult student or parent/legal guardian of a minor student is to schedule a time to meet with the school nurse to arrange for these needs to be taken care of during the student's school day. All medications and treatments require both a written order from either a physician, nurse practitioner, physician's assistant, or dentist and an adult student's/parent's/guardian's signature. The school nurse will assist the parent by preparing a plan of care for their student and advising them as to what supplies the student will need at school. If a student is required to take a prescription or over the counter medication during the school day, the following guidelines must be met:

- A Request for Administration of Medication In Hampton Roads Schools form must be completed and signed by either a physician, dentist, nurse practitioner or physician assistant, and include the adult student/parent/legal guardian signature. This medication form is available in the school clinic and on [vbschools.com](#).
- Medication must be in a container that has been labeled by the pharmacy and has the most current prescription date. Over-the-counter medication must be in a sealed, unopened new bottle.
- Adult student/parent/legal guardian (or an adult parent designee) must deliver medication to the school clinic, as students are not permitted to transport medication.
- All medicine must be picked up by the adult student/parent/legal guardian (or an adult parent designee) at the end of the school year. Medicine not picked up will be discarded.

In some situations, accommodations can be made for students with asthma or life-threatening allergies to self-administer their inhaled asthma medication or their auto-injectable epinephrine medication. The school nurse must receive either a *Virginia Asthma Action Plan* form, or Life-threatening Allergy Management Plan (Part 2 & 3) form completed and signed by either a physician, or nurse practitioner. These forms may be obtained from your school clinic and on [www.vbschools.com](#). Additional questions and concerns may be directed to the registered nurse at your school.

VIRGINIA BEACH CITY PUBLIC SCHOOLS CHARTING THE COURSE

As per the *Code of Virginia* and state legislation, the School Division must comply with all requirements for immunizations as pertaining to school age children. There are specific regulations for DPT, Polio, MMR, Hepatitis A, Hepatitis B, and Varicella immunizations, which can be located on vbschools.com. Rising seventh graders are required to have a Tdap booster and Meningococcal (*MenACWY*) vaccine prior to entering seventh grade. In addition, initially enrolling students in grades eight through twelve that have not had the Tdap booster must receive the vaccine prior to enrollment. Students initially enrolling in grades eight through eleven must have received at least one dose of meningococcal (*MenACWY*). Rising seniors must receive a meningococcal (*MenACWY*) vaccine on or after age sixteen prior to the start of their 12th grade year. Lack of compliance with vaccine requirements can result in students being excluded from school until compliance, or a plan for compliance, is achieved.

Adult students or parents of minor students are encouraged to keep the school nurse informed of significant student health concerns and diagnoses. It is essential that clinic staff have current work, cell, and home phone numbers and any other means whereby parents can be contacted. Emergencies can occur at any time. It is imperative that the student's school be able to reach emergency contacts during the school day.

COUNSELING PROGRAM

VBCPS offers a comprehensive K-12 school counseling program that is an integral part of each school's total educational program designed to promote the academic, career and personal/social development of all students. As an essential part of the instructional program, school counseling helps to build a foundation for student learning and academic success. Additional information may be accessed at vbschools.com. Parents/legal guardians of minor students may opt their children out of counseling services.

DISCIPLINE/BEHAVIOR SUPPORTS AND CODE OF STUDENT CONDUCT

Every student is expected to maintain self-discipline. If the student is unable to behave appropriately, he/she may be referred to an administrator. Disciplinary actions may include detention, suspension or recommendations for long-term suspension or expulsion. Parents/legal guardians of minor students must attend conferences following suspensions. Refer to the *Behavior Supports and Code of Student Conduct* for additional information. Parents/legal guardians and students must review these rules and procedures annually and acknowledge support of the *Behavior Supports and Code of Student Conduct*. School personnel may interview students regarding school matters without prior notice or consent of the parent/legal guardian. **The School Board requires all principals to make recommendations for expulsion when the following incidents occur:**

1. Arson or attempted arson
2. Assault and battery on an employee or student
3. Possession, use, or sale of a firearm or dangerous weapon
4. Use, possession, being under the influence of, selling, bringing, giving, distributing, or passing to another individual or possessing with intent to sell, give or distribute alcohol, marijuana, controlled substances or imitation controlled substances and inhalants
5. Extortion, attempted extortion, robbery, burglary, motor vehicle theft and/or larceny
6. Hazing: Initiation of another student through abuse and humiliation to cause bodily injury
7. Kidnapping or other serious criminal violations
8. Possession, use, distribution, sale, lighting or discharging of explosive devices
9. Homicide
10. Sex offenses: Sexual battery, inappropriate sexual behavior, obscene phone calls and sexual assault
11. Other good and just cause as determined by the Superintendent

DRIVER EDUCATION

Parent/Student Component: In accordance with Virginia Law (22.1-205), Virginia Beach City Public Schools (VBCPS) provides a comprehensive **Driver Education program** that includes both classroom instruction and behind-the-wheel training.

As part of the classroom instruction, students participate in the **Partners for Safe Teen Driving (PFSTD)** program. This required 90-minute session focuses on safe driving habits, Virginia's teen driving laws, and strengthening communication between students and their families. PFSTD is taught during Health and Physical Education II (HPE II).

VIRGINIA BEACH CITY PUBLIC SCHOOLS CHARTING THE COURSE

Parent/Guardian Participation: This program also offers parents and guardians, at no cost, a session about new driving techniques, their role in supporting state licensing laws, and how to model and promote safe driving behaviors for their teens. This is available multiple times throughout the school year in both in-person and virtual formats to support family access. Schools strongly encourage parents/guardians to attend, but participation is not required. Families may choose to opt out. Students who are 18 years old, emancipated, or otherwise exempt under Virginia law are not required to participate in the parent/student component.

Behind-the-Wheel Instruction: Behind-the-wheel training is available to eligible students during the school day, after school, and in the summer, subject to instructor availability. This portion of the program has an additional cost. For details on requirements, fees, and registration, please visit your school's website under the Parent section.

EXTRACURRICULAR ACTIVITIES

Students can participate in a variety of Virginia High School League (VHSL) sports or academic competitions, after school and club activities. The school's Student Activities Coordinator (SAC) can provide information regarding individual programs and VHSL requirements. Students requiring accommodations to participate in extracurricular activities should contact the school administration.

FIREARMS/DANGEROUS WEAPONS, INCLUDING LASER LIGHTS

Carrying or possessing firearms or other dangerous weapons, including look-alikes, is prohibited on school campuses, school buses or at school sponsored events. Using, distributing, selling, lighting, or discharging an explosive device, including fireworks, on school property violates Virginia law and School Board policy. Possessing and using laser lights to potentially cause harm, injury or irritation violates the *Behavior Supports and Code of Student Conduct*. Students may be recommended for expulsion. Safe schools and police notification are mandatory for these offenses and criminal charges shall be considered.

FIRE/EMERGENCY DRILLS

Regular emergency evacuation drills are conducted at the direction of school staff. When a fire alarm sounds, students must evacuate the school quickly in an orderly fashion. At the direction of staff, students must follow evacuation routes noted on diagrams posted throughout the school. Students must follow all staff directions regarding movement to other locations and return to classrooms. It is essential to be quiet during drills and evacuations. Specific procedures will be outlined by each high school for all other emergencies. Students that engage in disruptive or unsafe behavior while drills are being conducted may be disciplined in accordance with the Code of Student Conduct.

GIFTED PROGRAM

The high school gifted resource-cluster program offers services to students through coaching and collaborative planning with teachers and by facilitation of elective courses. These services provide resources, support, guidance, specialized curricula, and instructional strategies as well as whole-group and small-group instruction. Gifted Resource Teachers (GRTs) in each of the comprehensive high schools and academies serve as advocates for gifted learners as well as instructional coaches for teachers. The formation of cluster classrooms is at the discretion of the high school principal, who must determine the most appropriate teachers, courses, and sections for cluster classrooms. While cluster grouping of gifted learners is expected in grades nine and ten, it is an option for schools to extend clustering to grades eleven and twelve. *For the most recent listing of Gifted Program Credit Courses, please see the Gifted Education section of the current Secondary School Curriculum Student Guide.*

GRADING AND EVALUATION PROCEDURES

Each high school is responsible for developing procedures to establish grading and evaluation practices for student progress that are consistent with School Board policy and administrative guidelines. Such practices are collaboratively developed by teachers of the same grade, department, or specialized course to address homework, late work, zeros, reassessment, make-up work, extra credit and other matters affecting grading and evaluation. These practices are then reviewed by each school planning before being reviewed by the school principal. Lastly, individual school grading practices are reviewed and approved by the Department of School Leadership to ensure consistency with School Board Policy and administrative guidelines. Please note that some variety in grading practices may exist between schools. Questions regarding grading and evaluation practices should be directed to your school's principal. Please review [SB Policy 6-72](#) and [Regulations 6-72.1](#) and [6-72.2](#) for more information.

GRADING SCALE

The School Board adopted the following 10-point grading scale:

RANGE	LETTER GRADE	POINT VALUE
93 - 100	A	4.0
90 - 92	A-	3.7
87 - 89	B+	3.3
83 - 86	B	3.0
80 - 82	B-	2.7
77 - 79	C+	2.3
73 - 76	C	2.0
70 - 72	C-	1.7
67 - 69	D+	1.3
64 - 66	D	1.0
Below 64	E	0.0

A “W” is given when a student has withdrawn from a class; “I” indicates incomplete work that must be submitted to the teacher prior to the end of the following nine weeks. “N” indicates excessive absences and loss of credit.

GRADUATION REQUIREMENTS

There are specific requirements for graduation from high school. The Virginia Board of Education and the School Board establish these requirements. Specific course requirements and course descriptions are provided in a student guide published annually through the School Counseling Department and are available on vbschools.com. It is the responsibility of the student, with family support, to meet all requirements for graduation.

HEALTH INSURANCE

Family Access to Medical Insurance Security (FAMIS) is available for children (birth to 19 years) of families who qualify based on income. FAMIS is Virginia's health insurance program for children. [For additional information, click here](#) or call 1-855-242-8282.

HONOR ROLL AND PRINCIPAL LIST

In high school, an *Honor Roll* and *Principal's List* are established after each nine weeks to recognize students who achieve excellence in academic performance. To qualify for the *Honor Roll* at the high school level, a student must earn a “B” average, with no grade lower than a “C.” If a student receives a “C-,” he or she is not eligible for the *Honor Roll*. To qualify for the *Principal's List*, a student must earn all “A” grades. A student who receives an “A-” will not be eligible for the Principal's List. To be eligible for both the Honor Roll and Principal's List a student must be enrolled in five classes or earn five credits.

INCLEMENT WEATHER AND SCHOOL CLOSINGS

In the interest of student safety, federal and local agencies are consulted prior to making a decision to close, delay or dismiss schools early due to inclement weather. Families will be notified via phone and/or email about school delays or cancellations using *AlertNow*. An official notice will also be posted on www.vbschools.com, as well as on the division's social media platforms. Upon return to school after school closing, follow the schedule as provided on the [school calendar](#). Each school has an Emergency Response Plan for early closings and other emergencies. Parents/legal guardians of minor children should make sure they have plans in place since students will be transported home earlier.

INTERVIEWS OF STUDENTS BY STAFF

Students may be interviewed without the authorization of parents/legal guardians regarding investigations of violations of the *Behavior Supports and Code of Student Conduct*, violations of School Board policy or regulation, suspected or reported child abuse or neglect, or when health or safety of students or staff are of a concern.

INVESTIGATING SCHOOL-RELATED INCIDENTS

If an allegation is made that an employee is exhibiting poor performance and/or engaging in misconduct (which could include an allegation of child abuse/neglect), a VBCPS Human Resources Employee Relations Specialist or other administrator may decide to interview one or more students to obtain pertinent information. In appropriate circumstances, an interview(s) may be conducted jointly with the Department of Human Services and/or law enforcement or Child Protective Services personnel. School Division administrators are not legally obligated to obtain parental permission before interviewing a student. Virginia law permits law enforcement personnel and/or child protective service workers to interview any child suspected of being abused or neglected and/or siblings without first obtaining parental consent.

LEAVING SCHOOL GROUNDS

Students must remain on school grounds after arriving on school grounds. Minor students may be released to authorized adults who present appropriate identification. Minor students are released to parents/legal guardians or designated adults listed in the student database who have presented acceptable photo identification. Minor students are dismissed to older siblings when parents/legal guardians submit prior authorization. Written parent/legal guardian approval is necessary prior to leaving school grounds for field trips or special visits to specific schools or work sites.

MAKEUP WORK

Students who receive excused absences will be allowed to make up all assignments that affect the course grade and will be made aware of these assignments. It is the student's responsibility to make up assignments within a reasonable amount of time. Students who receive unexcused absences may make up assignments at the teacher's discretion, subject to the requirements communicated (provided) by the teacher at the beginning of the course. It is the student's responsibility to be aware of established guidelines and to follow those guidelines to make up the assignment. Students who are under the penalty of Out-of-School Suspension (OSS) will be able to access and complete graded work during and after the suspension, so the student may remain current with school instruction as long as enrolled in school.

MEDIA COVERAGE

From time to time, news reporters and personnel from the School Division's Department of Communications and Community Engagement may take photos, video, or audio footage of students. A parent/legal guardian of a minor child who objects to a student's image or sound being used should notify the school by signing and returning the opt-out form at the beginning of each academic school year. Forms are available in each school office and at www.vbschools.com.

MINUTE OF SILENCE AND PLEDGE OF ALLEGIANCE

The Virginia General Assembly has mandated a daily minute of silence and the recitation of the Pledge of Allegiance. The *Behavior Supports and Code of Student Conduct* addresses disruptive behavior during these daily activities.

MONITORING STUDENT PROGRESS/VBCPS PARENT PORTAL

Adult students/parents and guardians of minor students have access to the [VBCPS Parent Portal](http://www.vbschools.com). The *VBCPS Parent Portal* is a powerful online resource that provides the opportunity to monitor student progress in school and view historic academic and enrollment information. Students and their families are encouraged to use this resource to help the student succeed academically. To learn more about the *VBCPS Parent Portal*, to log in to your account, or to set up an account, go to the home page of any school website or www.vbschools.com.

NOTICE OF NON-DISCRIMINATION POLICY

Virginia Beach City Public Schools does not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation/gender identity, pregnancy, childbirth or related medical condition, disability, marital status, age, genetic information, or military status in its programs and activities, employment, or enrollment and provides equal access to the Boy and Girl Scouts and other designated youth groups. PROTECTION OF PUPIL RIGHTS AMENDMENT, 20 U.S.C. § 1232 (H)

The Protection of Pupil Rights Amendment (PPRA) 20 U.S.C. § 1232 (h), as amended, requires that the School Board notify parents/legal guardians and obtain consent or allow parents/legal guardians to opt their student out of participating in certain school activities such as student surveys, analyses or evaluations that concern one or more of the following areas:

- Political affiliations or beliefs of the student or student's parent/legal guardian
- Mental or psychological problems of the student or student's family
- Sexual behavior or attitudes
- Illegal, anti-social, self-incriminating or demeaning behavior
- Critical appraisals of others with whom respondents have close family relationships
- Legally recognized privileged relationships such as with lawyers, doctors or ministers
- Religious practices, affiliations, or beliefs of the student or parents
- Income, other than as required by law to determine program eligibility

PPRA also applies to the collection, disclosure or use of student information for marketing purposes as well as certain physical exams and screenings. Parents will receive notice and an opportunity to opt their child out of the following:

1. Any other protected information survey, regardless of funding.
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision or scoliosis screenings, or any physical exam or screening permitted or required under state law.
3. Activities involving collection, disclosure or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

Parents may inspect the following before the school administers or uses:

1. Protected information surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing, sales or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents/guardians to a student who is 18 or an emancipated minor under state law. VBCPS has developed and adopted policies, in consultation with parents, regarding these rights as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure or use of personal information for marketing, sales or other distribution purposes. VBCPS will directly notify parents/guardians of these policies at least annually at the start of each school year and after any substantive

instructional materials, extracurricular activities, and employment.

OFFICE OF SECURITY & EMERGENCY MANAGEMENT (OSEM) EMERGENCY PROCEDURES

VBCPS is committed to providing a safe environment for students, staff, and visitors. VBCPS works closely with national, state, and local safety officials – police, fire, emergency medical services and public health to ensure schools are well prepared for an emergency. The School Division's *Emergency Response Plan* covers a wide variety of emergencies and serves as a guide to help staff and public safety partners respond swiftly should a crisis occur in VBCPS schools.

The School Division conducts annual OSEM audits of all school facilities in accordance with state and federal law and regulation. The audit process provides a comprehensive assessment and overview of each school's overall security and emergency management preparedness.

Should a school emergency occur, families will be notified and updated by phone and/or email using *AlertNow*. It is critical for families to follow directions communicated in the notification. In case of an evacuation, the *AlertNow* message will include a location designated by public safety officials for families to report. At this location, families will be asked to complete a student reunification form and school staff will locate and escort the student to reunify with family. Family members will be required to show proper identification, and a minor student can only be released to an adult who is documented as an emergency contact. Non-custodial parents must be listed with the student's emergency contact information. In addition to being notified via *AlertNow*, families can receive information about the school emergency by calling the School Division's Emergency Hotline at 757-263-1000 or by visiting www.vbschools.com.

In accordance with School Board policies and regulations, all visitors must enter through the main entrance of all VBCPS buildings. Upon arrival, visitors are to use the intercom system and present proper identification before being admitted. Proper ID must be provided to the security personnel, and a visitor badge will be issued and must be visibly displayed while on school grounds. Any visitor demonstrating disruptive or unsafe behavior will be denied access to school premises.

OUT-OF-ZONE REQUESTS DUE TO RESIDENCE CHANGE

Pursuant to [SB Regulation 5-14.1](#), if a student moves out of his/her school attendance zone but continues to reside in the City of Virginia Beach during the school year, the adult student/parent/legal guardian of a minor student may request an out-of-zone waiver. The request is applicable only to the school year during which the move is made. The adult student/parent/legal guardian of a minor student must complete a *Student Placement Request Form* (available in each school, on the School Division's website at www.vbschools.com and from the Office of Student Leadership). For a student in grades nine-twelve, the adult student/parent/legal guardian of a minor student will submit the request and any required documentation to the Coordinator of Student Conduct/Services in the Office of Student Leadership. If the request is approved, the adult student/parent/legal guardian of a minor student is responsible for providing transportation. Bus transportation is not provided for out-of-zone students. Approval of out-of-zone attendance can be revoked at any time with written notification to the adult student/parent/legal guardian of a minor student. Reasons for revocation include, but are not limited to, poor attendance, habitual tardiness, failure to provide safe and punctual transportation, Behavior Supports and Code of Student Conduct violations or other discipline issues, failure to maintain passing grades, and any action or behavior by the student or parent/legal guardian that is uncooperative, disruptive and/or interferes with the educational process.

PARENT/LEGAL GUARDIAN ACKNOWLEDGEMENT FORM AND SUPPORTING DOCUMENTS

Parents/legal guardians will receive a *Parent/Legal Guardian Acknowledgement Form* during the first week of the school year. This form is for parents/legal guardians of all minor students or for students 18 years of age or older enrolled in Virginia Beach City Public Schools. The *Parent/Legal Guardian Acknowledgement Form* must be electronically signed, or a paper copy returned to the student's teacher in order to verify that the parent/legal guardian has received these important documents. A complete list of documents is available on www.vbschools.com.

changes. VBCPS will also directly notify, such as through U.S. Mail or email, parents/guardians of students who are scheduled to participate in specific activities or surveys and will provide an opportunity for the parent/legal guardian to opt his or her child out of participation of the specific activity or survey. VBCPS will make this notification to parents/guardians at the beginning of the school year if the School Division has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents/guardians will be provided reasonable notification of planned activities and surveys and be provided an opportunity to opt their child out of such activities and surveys. Parents/guardians will also be provided an opportunity to review any pertinent surveys.

Parents/guardians who believe their rights have been violated may file a complaint with: Student Privacy Policy Office U.S. Department of Education 400 Maryland Avenue, SW Washington, D.C. 20202-8520

STUDENT RESOURCES

High school students have access to many online resources to support learning and communication with teachers. Virtual resources provided by the school division can be accessed from school, home, or any internet connected device and are found in *ClassLink*.

TEXTBOOKS/CHROMEBOOKS

The school division provides Textbooks/Chromebooks and instructional resources free of charge to students for use during the school year. Students are expected to care for the resources they receive. Fees are assessed for damaged or lost books, Chromebooks, and other school-issued resources. Virginia law authorizes local school boards to take action against students who fail to return property owned by the school division. Unpaid fees are forwarded to the city treasurer's office for collection.

THREATS

A communication or behavior may be determined by school administrators to be a threat if a reasonable person would believe that the communication or behavior could result in violence, fear, apprehension for safety, or substantial and material disruption to the educational and work environment. Threats made while at a school or school sponsored events, off school property or through personal means of communication may be subject to discipline by the School Division. All threats should be reported immediately to the student's school administrator so that appropriate investigation can be done. For further information regarding what constitutes a threat and when the School Division may discipline a student for a threat, please see [SB Policy 5-43](#) and [SB Regulation 5-43.1](#). Students may be disciplined up to and including long-term suspension, expulsion, and removal from special programs, and extracurricular activities. TOBACCO/NICOTINE AND VAPOR/ELECTRONIC CIGARETTES POSSESSION AND USE

Students possessing or using tobacco products/nicotine or vapor/electronic cigarettes are subject to disciplinary action as described in the *Behavior Supports and Code of Student Conduct*. Under Virginia law, the Police Department must be notified when a student under the age of 21 is suspended for a tobacco/nicotine or vapor/electronic cigarette product related offense.

VISITATION TO SCHOOLS/TRESPASS/BAN

Preservation of the educational environment and safety of students and staff are of paramount importance. Accordingly, anyone not an authorized student, employee, official or agent of the School Board is considered an invitee to School Division activities. All invitees must receive authorization to be in the school, on school grounds, communication systems or vehicles, or attending school sponsored events and must comply with all School Board policies and regulations. Failure to comply with policy or regulation or disruptive/threatening conduct may result in a ban or limitation of access to schools or school-sponsored activities and criminal charges. Students may not visit schools to which they are not assigned unless they have prior authorization. Visitation with students or observation of students during school hours or while attending school sponsored events must be authorized by the school administration and be done in accordance with School Board policy and regulations.
