

Welcome to OPRF!

Huskie Kickoff Day is Monday, August 24, 2026! This first day of school for freshmen is a day full of activities dedicated to helping students transition to high school. Students will spend the morning with their counselor as well as in groups led by our Student Ambassadors & Leadership and Launch student leaders. There will be workshops to help them learn more about the school, meet their **Student Services Teams** (Counselor, Dean and Social Worker), and acclimate to the building with a tour. After lunch, students will do a run through of their complete schedule so they will know where their classrooms are located and meet their teachers. Lunch will be provided by OPRF free of charge. Students may bring their own lunch if they'd prefer.

Students should arrive at the Main Entrance/Welcome Center doors beginning at 8:00 AM and the day will conclude at 2:00 PM. **Students should wear their Student ID** (if it was not picked up on Schedule Pick Up day, we will help them get one); **everything else will be provided.** They should **not** bring a chromebook or textbooks as they will not be needed on this day (if students have not picked up these items there will be time at the end of the day to do so).

We are SO EXCITED to welcome our newest Huskies to the pack! We hope you have had a great summer and are ready to begin this awesome high school journey.

Additional reminders:

- Schedule/Book Pick-Up Day for freshmen is **Monday, August 17, 2026**. Freshmen attend this day according to the schedule found in this document.
