

Suggested Kindergarten Supply List

As you may know, Kindergarten is a very busy place! We use many supplies on a daily basis to help your child learn and grow. Below is a list of supplies we use on a daily basis.

Many of these supplies are shared with all of the students in the class.

****Please remember that most supplies are recommended, not required. Please choose what is comfortable for you; whether that be a couple of items or the entire list. The items that are required are marked with a star. Thank you in advance for your donations.**
