STUDENT SCHEDULES AND TRANSPORTATION

Student schedules and transportation information will be available through the Campus Portal at www.Naperville203.org.

Please continue to check the Campus Portal as the first day approaches, as bus routes and pick-up times may change. For transportation-related questions, contact the Transportation Department at 630-420-6464.

Families driving students to school should review Madison's drop-off and pick-up procedures and follow the directions provided by staff members assisting outside.

STUDENT ORIENTATION AND LOCKER JAM EVENTS

More than one-third of Madison students are new to our school each year. To help all students feel comfortable and prepared, we are offering several opportunities before school begins to set up lockers, walk class schedules, pick up preordered school supplies, and purchase a PE shirt, if needed.

Students should bring a printed copy of their schedule that includes their locker number and combination. Families who are unable to print a schedule may receive assistance from the Madison office. Instructions for printing schedules and locker information are also available on our website.

Additional information about Curriculum Night will be shared after the school year begins.
