Meeting 2, March 3, 2026
7:00pm

Multi-Tiered System of Supports (MTSS) is a system of identifying student needs and providing targeted support to students who need it most. The goals in Eastern's 2025-2026 Title I Annual School Plan are aligned to our implementation of MTSS.

We are continuing to monitor student attendance, grades, and instruction related to all three Title I goals.

Goal 1: Tier 1 Instruction - Supportive Strategies for All Students

Continued implementation of instructional strategies based on aggregated Mindprint assessment results.

2025-2026 - Additional support positions to support grades 10-12.

Goal 2: Attendance:

2025-2026 - Goal of 10% chronic absenteeism for 9th grade (class of 2029) and 10th grade (class of 2028).

Current Chronic Absenteeism: Freshman 10.7%; Sophomore = 11.8%

Goal 3: Academic Success:

2025-2026 - Maintain <4% of freshmen (class of 2029) and sophomores (class of 2028) with two or more failing grades in core academic courses

% of class failing 2 or more courses: Freshman = 5.5%; Sophomores = 4.5%

To better implement and monitor all of the goals related to our Title I Annual School Plan, a new diagnostic benchmark platform and data analytics platform are being investigated for the 2026-2027 school year.
