

Free & Reduced Meal Application

Complete your Meal Application with Ease!

With PaySchools Central, you can securely and quickly complete a Free and Reduced Meal Application. An application must be submitted each school year. If your student is returning and had free or reduced-price meal benefits last school year, those benefits will expire thirty days from the first day of school.

If your household does not qualify for benefits at this time, you can submit an application at any time, and as many times as necessary, throughout the school year, as household financial situations can change suddenly.
