	Middle of the Year Academic Goal	We continue to track students growth based on their specific IEP goals. Our data reflects growth on a variety of skills sets that are worked on all year to help students be as independent as possible. This year we are also tracking the growth of our students utilizing the Edmark reading Program to show not just growth, but continued growth throughout the year.
	End of the Year Academic Goal	For students tested on Edmark Reading, we had 87% show growth at the midyear point and 83% who continued to show growth from midyear to the end of the school year.
