Dr. Judith Campbell, Superintendent of Schools

Dr. Judith Campbell, Superintendent of Schools made the following report:

"Good evening, as a moment of silence was held in the opening of our BOE meeting, I would like to acknowledge that our district family has experienced tremendous loss over these past few weeks, as we mourn the passing of both an administrator and a student. During difficult times such as these, we are reminded of the strength, compassion, and support that define District 211. Please keep these families in your thoughts along with our students and staff at Conant and Schaumburg High School.

Graduation season is here, as I had the opportunity to participate in my first graduation ceremony at Hoffman Estates High School, for our Alternative, Higgins, and North High School students. I was inspired as this season reminds us of the growth, grit and potential of our students. Graduations will continue through next Wednesday, May 20, 2026, as we look to close out the 2025-2026 school year.

Over the past and current month, I continue to have meaningful opportunities to connect with our students, staff, and community, as I highlight a few of those experiences this evening.

On April 20th, I had the opportunity to serve as a guest speaker for the "Speaker Series" with the Fremd High School Girls Varsity Softball Team. It was a privilege to speak with

such an outstanding group of student-athletes about leadership, perseverance, and the importance of teamwork both on and off the field.

April 22nd, I spent time reading to preschoolers in the Little Vikes program at Fremd. This was my 2nd invite to read as experiences like these are always a reminder of the joy, curiosity, and excitement our youngest learners bring each day.

Open House took place April 30, 2026, as this was another home proudly built by D211 students from Conant, Hoffman, and Schaumburg High School. The level of craftsmanship, creativity, and professionalism demonstrated by our students was truly impressive and highlights the incredible opportunities available through our career and technical education programs in partnership with Nitti's Development.

This same day, we held our final Superintendent Student Advisory Meeting of the school year. I continue to be grateful for the thoughtful feedback, honest conversations, and student perspectives shared throughout the year. Their voices help guide and strengthen the work we do across the district.

Although I was not able to attend, last Thursday the annual Pitch Night took place right here in this room, in which students from across the district presented their entrepreneurial ideas to community members, business leaders, and guests. This robust showcase is the culmination of months of preparation and creativity where students demonstrated incredible innovation, collaboration, and entrepreneurial thinking.

A few other things that I want to highlight that took place entering this month are Staff Appreciation Week and the Years of Service Celebration at the Administrative Office. Thank you!"
