DISTRICT FOUR RETIREES

BETSY ALEXANDER

Betsy Alexander
Betsy Alexander is retiring after serving 28 and half years in Spartanburg District Four. She has served as both a First and Second Grade Teacher at Woodruff Primary School throughout her time in the district. When asked about her retirement plans, Betsy said that she is looking forward to traveling internationally and especially for her daughter's upcoming wedding in Malta. She is also looking forward to having more time to spend on her hobbies and trading in her daily lunches with 20 or more six-year-old students for adult lunches out with friends. In reflecting on her time in Spartanburg District Four, she said, "After many wonderful years of teaching young children at Woodruff Primary School, I am retiring with a heart full of gratitude, love, and unforgettable memories. I have been blessed to watch young children learn to read, grow in con-

fidence, make new friends, and learn life lessons. I am deeply thankful to my students, colleagues, and administrators who have made this journey so personal and meaningful. The memories and impact of this extensive experience will forever be a part of me." We are so grateful to Betsy for all her years of service and wish her a wonderful retirement.

Marie Davis
Marie Davis is retiring after serving 34 years in education, with 29 of those being in Spartanburg District Four. During her time in the district, she has served as a Preschool (4K), Kindergarten, First and Second Grade Teacher at Woodruff Primary School and a Sixth Grade Teacher at Woodruff Middle School. When asked about her retirement plans, Marie said that she is looking forward to being more available to her family through helping to take care of her

mom, spending time with grandchildren, and enjoying her son's senior year at Woodruff High School. In reflecting on her time in Spartanburg District Four, she said, "I feel that I was very privileged to grow up here in District Four. I have so many great memories at each school and of all the teachers and coaches that had a positive impact on me here in Woodruff. I knew, when I decided to teach, that I wanted to come home to Woodruff. I would like to thank the District Four family, present and past administrators, colleagues, and friends for always being a supportive and encouraging advocate in my career." We are so grateful to Marie for all her years of service and wish her a wonderful retirement.

Toni Sloan
Toni Sloan is retiring after serving 50 years in Spartanburg District Four. She has served at Woodruff Elementary School as a

BOB WILLIAMS

Physical Education Teacher (28 years) and in other various positions (22 years) throughout her time in the district. During her time in the district, she also served as a Girls' Track and Tennis Coach (27 years) along with leading the Woodruff Elementary School Jump Rope Team (20 years). Following her retirement from Spartanburg Four, Toni plans to begin working at Libertas Academy. In reflecting on her time in Spartanburg District Four as both an educator and a student, she looks back fondly to the years after the old Woodruff High School burned and all the ways the community and district pulled together to hold classes wherever they could, being the first 9th grade class in the building that will now become Woodruff Intermediate School, sharing the same building with her dad, and being able to teach both her daughter and granddaughters. She said, "I

work with or have worked with many former students/players. They have been a blessing and are still full of pranks! Names excluded, you know who you are! Life has come full circle!" We are so grateful to Toni for all her years of service and wish her a wonderful retirement.

Bob Williams
Bob Williams is retiring after serving 11 years in education, with 4 of those being in Spartanburg District Four. He has served as a Substitute Teacher and Full-Time Student Shadow at Woodruff High School throughout his time in the district. When asked about his retirement plans, Bob said that he is looking forward to spoiling his grandchildren and travelling more. In reflecting on his time in Spartanburg District Four, he said, "It's been a joy to work with such a wonderful community of educators and students." We are so grateful to Bob for

TRACY SWITZER

his years of service and wish him a wonderful retirement.

Tracy Switzer
Tracy Switzer is retiring after serving 18 years in Spartanburg District Four as part of the District Maintenance Crew. Some of the things he will remember most about working in the district will be how the pace and excitement would always pick up after spring break each year, how the district rallied and accomplished so much during Hurricane Helene, even with no power, and all the list of summer projects that were able to be completed in such a short amount of time. When asked about his retirement plans, he said, "I don't have any real set plans. I'm interested in seeing where the next chapter in my life will take me." We are so grateful to Tracy for his years of service and wish him a wonderful retirement.
