Welcome to a new school year

Dr. Aaron D. Fulmer

Welcome to the 2026-2027 school year in Spartanburg County School District Four!

For the last five years, we have looked forward to the opening of the new Woodruff High School as well as the restructuring of our current buildings. Along this journey, we have consistently focused on how to honor the traditions of the past while embracing the future to meet the needs of our students and community. Significant growth and development have brought new families, industry, and retail to our area and will continue to do so. Even still, the rich legacy of loyalty and tradition remains as a steady heartbeat amid the changes.

We are proud of our long-standing tradition of academic, athletic, and artistic excellence, and we are thankful for a community that values hard work, discipline, and self-sacrifice. Safe and orderly schools have been and will remain as the foundation that allows excellent teaching and learning to flourish. These principles will continue to lead and guide us as we continue to look toward the future.

We want to welcome all our new families and community members and share tremendous gratitude for those who continue to invest in and support our schools. I look forward to seeing you at W.L. Varner Stadium on Friday nights as well as other athletic and school events throughout the year.

I wish you all the best for a great 2026-2027 school year. Go Wolverines!

Residency Verification Requirements for Attendance in Spartanburg County District Four Schools

For the 2026-2027 Academic Year

All new students who plan to enroll in Spartanburg County School District Four along with returning students who will be in 2nd, 4th, 6th, or 9th grade during the 2026-2027 academic year are required to verify residency. Residency for the required students must be completed before the student(s) can be officially enrolled or complete registration.

Please read below for instructions on how to submit the required information as requirements have changed.

A Driver's License or State Issued ID will be required of the parent/guardian for each student and ONE of the following documents:

- Current Property Tax Receipt
- Current Mortgage Statement
- Current Rental Agreement

(When submitting your information, please make sure to list the legal name of each child attending, their date of birth, and their grade level for the 2026-2027 academic year.)

To submit residency verification information, please visit the Spartanburg District Four Administrative Office at 118 McEdco Road, Woodruff, SC between the hours of 8:00am – 3:30pm on Monday-Thursday or 8:00am – 11:30am on Friday. For more information you may contact the Spartanburg District Four Administrative Office at 864-476-3186.

Title I program works to improve student achievement

Spartanburg District Four participates in the federally funded Title I program, an initiative of the Every Student Succeeds Act (ESSA). Title I funds provide programs that would not otherwise be available to our students. Title I funds are utilized at Woodruff Primary School, Woodruff Elementary School, Woodruff Intermediate School, and Woodruff Middle School.

Spartanburg District Four is continually monitoring the implementation of our Title I Plan and welcomes input from parents regarding the content and future plans. Any parent who would like to provide input into the Title I program should contact Rachel Traynham, Director of Compliance and Student Support Services, at the District Office (864-476-3186 or rtraynham@spartanburg4.org).

We also encourage parent input into the revision of District Four's Parent Involvement Policy. Parents are also encouraged to communicate any suggestions and/or concerns to Casey Dover, principal at Woodruff Primary (864-476-3174 or cdover@spartanburg4.org), Dr. Michelle McCoy, principal at Woodruff Elementary (864-476-3123 or mmccoy@spartanburg4.org), Giada Parris, principal at Woodruff Intermediate (864-756-7010 or gparris@spartanburg4.org), and Scott Lawson, principal at Woodruff Middle (864-476-3150 or dlawson@spartanburg4.org). If parents must leave a message, they can expect to be contacted within two days.

The goal of supplemental programs and services provided through Title I is to increase student achievement. Since Title I funds have been utilized to provide supplemental instruction, Spartanburg District Four students have shown outstanding achievement.

Title III and Multilingual Learners Programs

The goal of Spartanburg District Four's Multilingual Learners (ML) Program is to provide equal educational opportunities to students who have a primary or home language other than English. Multilingual Learners embody the shared core values of diversity and inclusion which are integral parts of Spartanburg School District Four. The primary focus of the ML program is to provide an English-rich environment so students will become proficient in English. This program will provide multilingual students the opportunity to obtain proficiency in listening, speaking, reading, and writing for the academic content areas.

Spartanburg District Four monitors the progress of Multilingual Learners (MLs) on standardized assessments and the WIDA ACCESS assessment designed for MLs. The district receives Title III funding through the federal Every Student Succeeds Act (ESSA). This additional funding provides professional development for the ML teachers, administrators, literacy coaches, and general education teachers. The funding also provides extended day and extended year programs for MLs and their families.

Spartanburg District Four currently serves about 228 students in the ML program and continues to monitor additional students who have met proficiency levels. Ms. Lina Garcia-Brock (lgarciabrock@spartanburg4.org), Rhonda Compton (rcompton@spartanburg4.org), Ms. Angie Gilbert (agilbert@spartanburg4.org), Mitzi Sheppard (msheppard@spartanburg4.org) and Ms. Summer Baxter (sbaxter@spartanburg4.org) are the district ML teachers. Parents are encouraged to contact them with any questions about ML services. They may be reached via email or by calling their child's school. If you have additional questions about the ML programs available in Spartanburg School District Four, you may contact Rachel Traynham (rtraynham@spartanburg4.org) at the District Office (864-476-3186).

Both can be purchased/ordered at registration.

MEALS

All students enrolled in the school/district may participate in the breakfast and lunch program at no charge to them for 2026-2027 school year. Families will not have to fill out meal applications. Breakfast and lunch meals follow the United States Department of Agriculture (USDA) guidelines for healthy school meals. Students will receive one breakfast and one lunch at no cost. Students can pay for extra items by cash or by using their lunch account provided money is in their account. The school/district will not provide extra food unless the student has the funds to purchase. Parents or students may add money to their lunch account by check, by card, or by going online (https://www.k12paymentcenter.com). Please encourage students to participate in the breakfast and lunch program.

WPS MEET THE TEACHER

Tuesday, August 4, 2026 · 4:00 p.m. – 6:00 p.m. WPS Classrooms

We encourage you to use this time to help familiarize your child with his or her route to the classroom. Beginning on the first day of school, we ask that parents of 1st grade students drop their children off in the car circles instead of walking them to class. Parents of 3K, 4K, and 5K students will be allowed to walk their child to class on a staggered entry schedule the first week of school. WPS staff members will be posted throughout the building to help all students find their classrooms on school days.

FIRST DAY OF SCHOOL

- 1st Grade: August 6, 2026
- 3K, 4K, and 5K Staggered Entry: August 6 – 11, 2026
- 3K: Student start dates will be assigned in alphabetical order and given to parents by the teacher.
- 4K and 5K: Students will be assigned one testing day on August 6th, 7th, or 10th. Testing days will be assigned in alphabetical order and given to parents by the teacher. All students will begin regular attendance on August 11th.

CAR ARRIVAL AND DISMISSAL

Arrival: Preschool Circle begins at 7:25 a.m. and ends at 7:50 a.m.
Kindergarten and First Grade Circle begins at 7:15 a.m. and ends at 7:50 a.m.

Dismissal: Preschool Circle begins at 2:15 p.m. and ends at 2:45 p.m.
Kindergarten and First Grade Circle begins at 2:25 p.m. and ends at 2:55 p.m.

NEW THIS YEAR... Kindergarten car riders will dismiss in the front car circle!

SCHOOL SHOPPING REMINDERS:

- School supply lists are available on the WPS website and at the school.
- Water bottles must be clear, plastic, and spill proof. The body of the beverage container must be see through by design. Water is the only beverage that can be consumed in the classrooms or hallways.
- "Rolling" bookbags create a tripping hazard in hallways and loading areas. Since our young students are not required to carry heavy books, rolling bookbags are not allowed at WPS.
- Tennis shoes are the safest shoes for young children. Sandals, flip-flops, cowboy boots, Crocs, and dress shoes cause falls on steps, sloped hallways, and at recess. Students must wear tennis shoes to participate on PE and music days and to utilize climbing equipment at recess.
- Clothing should be appropriate for the learning environment. Specific information on student dress can be found in the Parent-Student Handbook.

A Message from Principal Casey Dover

As we begin the 2026-2027 school year, I am honored to welcome our students, families, staff, and community members back to Woodruff Primary School. Whether you are returning for another year or joining our school family for the first time, we are excited to partner with you in providing a strong foundation for our youngest learners. This school year brings both excitement and change. As part of our district's ongoing efforts to best serve students, our second-grade classes have transitioned to Woodruff Elementary School. While we will certainly miss having those students and teachers on our campus, we are grateful for the opportunities this change creates for continued growth and success throughout Spartanburg District 4. At Woodruff Primary School, our commitment remains unchanged. We are dedicated to ensuring that every child is known, valued, and supported in a safe, nurturing, and engaging learning environment. Student safety, academic achievement, and social-emotional growth continue to be our highest priorities. Our outstanding teachers and staff work tirelessly to provide personalized instruction and support that meets the unique needs of every learner. We believe that the youngest students in our district deserve exceptional educational experiences, and we are committed to helping each child build the skills, confidence, and curiosity that will serve them throughout their academic journey. The success of our students is made possible through the strong partnership between home, school, and community. Together, we can create meaningful learning experiences and celebrate the achievements of every child. I am excited about the opportunities that lie ahead and look forward to a wonderful year.

DRESS CODE

Parents, please keep these dress code guidelines in mind as you purchase school clothes for your WES students. We encourage your child to dress in clean, comfortable clothes. Good grooming and appropriate dress assist in reducing distractions and promoting health and a productive learning atmosphere. Dress code infractions will result in parent notification. ■ Hats, caps, jacket hoods, hoodies, unusually large or distracting headbands, and bandanas are not to be worn in the school building. ■ Tank tops, spaghetti straps, halter-tops, sheer shirts, fishnet tops, bare midriffs, are not permitted. Straps must be at least 1" in width. ■ No holes above the knees. Holes above the knees will be enforced. Parents will be asked to bring a change of clothes. Holes or slits above the knees permitted only with another layer underneath. No exposed skin showing. ■ No markings, stickers, temporary tattoos, or insignias on the body or face. ■ No logos depicting alcohol or tobacco companies or obscene or suggestive words or phrases. ■ No body piercing other than ears. ■ No unnatural hair colors such as greens, purples, pinks, etc. This includes artificial hair clips, feathers, and tinsel. Be especially careful with different tints of red. For example, **maroon is not a natural hair color.** ■ No unusual hairstyles including Mohawks. ■ No pants hanging below the waistline. ■ No pants or shorts with words written across the seat or crotch. ■ Shorts, skirts, and dresses must be to fingertip length. ■ No pajama pants or bedroom shoes. ■ Dress up days will have exceptions. Special dress-up days will be communicated to students.

A Message from Principal Dr. Michelle McCoy

I am honored and excited to begin this journey as the new principal of Woodruff Elementary School to serve a community that I am already familiar with and value. I look forward to strengthening our partnership to ensure every child reaches their highest potential. Strong connections between home and school are essential to student success, and our teachers remain committed to providing a rigorous, supportive, and engaging learning environment. While I bring a fresh perspective, I am equally committed to preserving and building upon the strong practices already in place. Please feel free to reach out to me by email or phone at any time. I am truly excited about the year ahead and all that we will accomplish together.

STUDENT CELL PHONE USE

The use of cell phones and smartwatches is not permitted on campus during the school day. Cell phones/smartwatches are to be turned off and kept out of sight. Cell phones/smartwatches should remain off the entire time the student is on campus. Cell phone/smartwatch use may be defined as, but not limited to, sending or receiving calls, text messages, pictures, videos, playing games, voice mail, surfing the internet, etc. Students may be held responsible for violations of additional policies while using cell phones/smartwatches. This includes inappropriate use of cell phones/smartwatch or other electronic devices during school sponsored extracurricular activities. Any photo or video uploaded to any social media will result in a consequence.

*Smartwatches may be worn but should not be used for sending or receiving calls, text messages, pictures, videos, playing games, voice mail, surfing the internet, etc.

A Message from Principal Giada Parris

I would like to welcome everyone to Woodruff Intermediate School. We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that to be successful in school, our children need support from both home and school. We know a strong partnership with you will make a significant difference in your child's education. We put a strong emphasis on academics and discipline. Our teachers are committed to providing a rigorous education. As an employee of District Four for the last 27 years, I am dedicated to the students and community. Please feel free to contact me by email or phone. Let us make the 2026-2027 school year a great one!

SC IMMUNIZATION

All students entering middle school must have a current SC IMMUNIZATION certificate. Students who attended Spartanburg District Four last year will have this information on file. New students to the district or students who are still completing immunizations must provide this information at registration. All 7th graders are required to have 1 dose of the Tdap vaccine (tetanus, diphtheria and pertussis) administered on or after the 10th birthday. Students without a current, up-to-date immunization record may not register. This vaccine is required for all 7th grade students enrolled in Spartanburg District Four.

YEARBOOKS AND SCHOOL PICTURES

Yearbooks may be ordered at registration or during announced times during the school year. A yearbook purchase is not part of registration fees. The cost of a yearbook is $43.00.

SPORTS

Information about all sports will be available at registration. Any 7th or 8th grader participating in athletics is required to have a physical form and a parent permission form on file before practicing or playing. These forms may be picked up at registration or in the office at WMS or WHS.

DRESS CODE

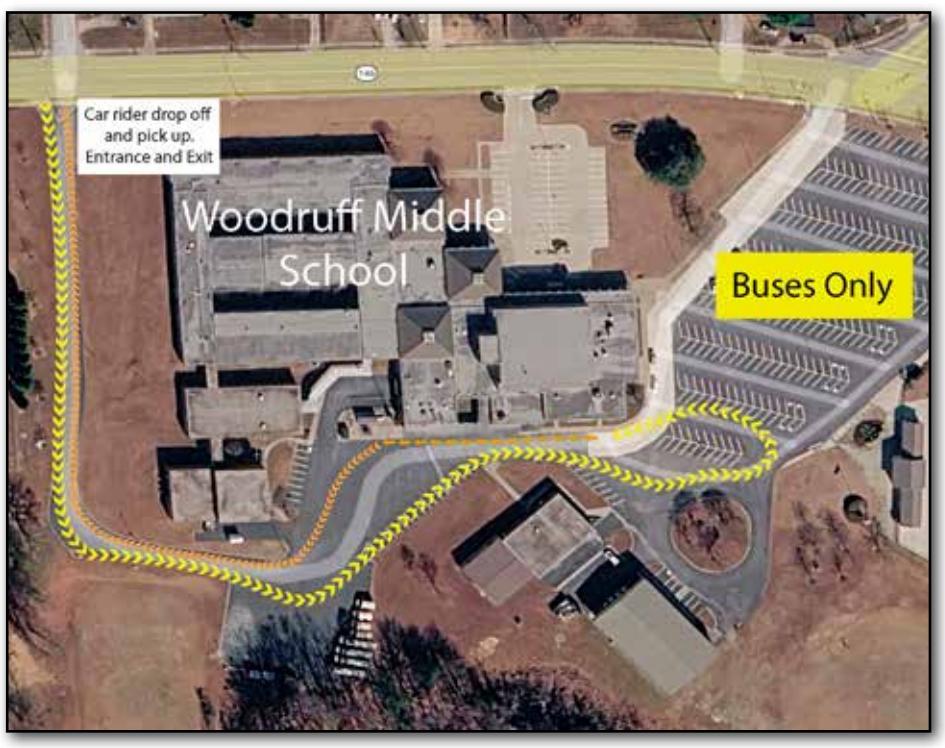

Be familiar with the dress code in the student agenda planner before school begins. Skirts, shorts, and dresses must be no shorter than the vertical length of a student ID (debit card, driver's license, keyless entry card, etc.) from the top of the knee. This is applied to a student standing fully upright with the garment being worn at the waistline. Leggings are not permitted unless they are worn with an accompanying t-shirt, sweatshirt, skirt, or dress that comes fingertip length with the student standing fully upright and arms at their side. Articles of clothing with holes are allowed ONLY when a shirt or pants are worn underneath so that skin is not exposed. Holes in jeans, even with articles of clothing underneath, must fall below the fingertip length.

A message from Principal D. Scott Lawson

The faculty and staff join me in welcoming you to the 2026-2027 school year. Woodruff Middle School recognizes the unique characteristics of middle schoolers, and our goal is to help them make a successful transition from the elementary grades to middle school. Our structured day creates a secure learning environment for student success. Middle school students will be …on the P.R.O.W.L. this year, and will be challenged through academic coursework, the fine arts, and extracurricular activities to always be Prepared, Responsible, Outstanding, Wolverine Leaders. We look forward to serving our students in a different facility this year. Please accept this invitation to become part of Woodruff Middle School.

WOODRUFF HIGH SCHOOL GUIDANCE INFORMATION:

Our goal in the WHS Guidance Department is to provide parents and students with the knowledge, skills, and information needed to assist with career and college exploration. We are excited about the opportunity to share our experiences with the students to educate them on their options, and to help them achieve the academic requirements to meet their goals. Graduation-Preparation-Success is our theme, and we look forward to helping your student develop a comprehensive plan for his or her future. If you have questions or concerns at any time during the year, please contact one of the School Counselors for help.

Counselors:

A message from Principal Christine Morris

It is my pleasure to welcome you to Woodruff High School. The faculty and staff join me in expressing how happy we are to have you as a part of our school family. It is our desire to provide outstanding educational opportunities in an environment conducive to teaching and learning. We recognize the important role parents play in the educational process and ask for your support in the upcoming year. Clear communication between home and school is vital to the success of your child. We value the thoughts and concerns of parents as we seek to provide a learning environment that is nurturing, academically challenging, and strong in discipline. It is our hope that the 2026-2027 school year will be the best yet. BE A WOLVERINE

HEALTH SCREENING SERVICES

Health screening services are provided to students in District Four. Screening Services provide an opportunity to identify students who may have health problems and/or conditions that could interfere with the student's ability to learn. The recommended grades for screening for the 2026-2027 school year are:

- HEARING: grades 3K, 4K, 5K, 1, 2, 3
- VISION: grades 3K, 4K, 5K, 1, 2, 3, 5, 7, 9
- DENTAL: grades 4K, 5K, 1, 2, 3, 5, 7
- SCOLIOSIS: grade 6 female, grade 8 male
- BMI: grades 5, 8 and WHS students in grades 9-12 that are enrolled in PE.

All screenings will be done during the school year at the respective schools. Dental screenings will be conducted during the school year by Healthy Smiles of Spartanburg. Scoliosis screening is done through the physical education classes at WMS.

For more health information or questions, please contact your child's school nurse.

DISTRICT FOUR TRANSPORTATION

Each year, nearly half of the state's 750,000 students ride a school bus to or from school. Since the 1950s, South Carolina has owned, fueled, and maintained the fleet of school buses that transport students to and from its public schools. Currently, the state utilizes 5,600 school buses. Spartanburg Four operates twenty-four state buses, four activity buses, and three minibuses.

Each day nearly 1,600 students are transported on Spartanburg School District Four buses to our schools, RD Anderson Applied Technology Center, Whitlock Flexible Learning Center, Brookwood Academy, Master Skills Center, Spartanburg Community College, USC Upstate, and other satellite campuses in Spartanburg County. Spartanburg School District Four is the largest district in Spartanburg County geographically and our buses travel over 1,500 miles each day.

Transportation plays a vital role in Spartanburg County School District Four. The Transportation Department's main objective is to transport your children to and from school safely, efficiently, and in a timely manner.

2026-2027 School Year

All students must have a completed and approved bus form on file prior to riding the bus. Parents are strongly encouraged to complete bus forms online in PowerSchool Parent Portal prior to registration on July 27th to ensure that transportation needs are met in a timely and efficient manner. Bus drivers will notify parents about stop locations and times on August 4th and 5th. All regular route buses will be equipped with stop arm cameras and six inside cameras to ensure the safety of all passengers and drivers. The district will also add four additional state buses to the fleet.

My Ride K-12

Spartanburg Four has been using Traversa, a student transportation software, for the past five years that has allowed routes to be more efficient and provide more accurate details of individual routes and route modifications. Parents and students are highly encouraged to access their bus stop location, route, pick-up and drop-off times via the My Ride K-12 mobile app or website. To sign-up, scan the QR code or use the web address below:

https://sites.google.com/spartanburg4.org/traversa-ride-360-instructions/

Notification of Delays

Occasionally, bus delays may occur due to driver illness, mechanical problems, etc. To aid parents in obtaining information concerning interruptions in bus schedules, the district has implemented an automated calling service. A message will inform you of any delays. To receive these messages, phone numbers must be updated with the school main office.

Contact

Parents should contact Bryan Ard, Director of Transportation, at (864) 476-3158 to discuss transportation issues or concerns. Parents should not contact bus drivers directly. Please visit Spartanburg School District Four's website for additional information.

MEETING NOTICE:

The District Four Board of Trustees meets on the first Monday of each month at 6:00 p.m. at Woodruff High School (1501 Cross Anchor Road, Woodruff, SC 29388). Some dates have been adjusted due to holidays. The public is invited to attend.

The Spartanburg School District Four Board of Trustees determines the direction of the school district by attending to duties outlined in the South Carolina Code of Laws including:

- Approving policies to govern the district in the areas of personnel, finance, instruction, administration, board operations, student operations, and public relations.
- Employing a superintendent to carry out board-set policies, to manage the day-to-day operations of the district, and to evaluate the superintendent.
- Developing an annual budget based on priorities for instruction, buildings, personnel and services.
- Setting district goals and objectives and monitoring their progress.
- Serving as an appeals body for student and employee discipline cases.

District Four voters elect the school board ensuring local control of the school district. Board members are elected to four-year terms and serve without compensation.

NUTRITION REPORT

School Food Service Encourages Healthy Choices and Participation in School Breakfast and Lunch!

This year, students will have the chance to participate in the breakfast and lunch program for free. They will be provided with one breakfast and one lunch without any charge. Providing all students with healthy meals at no cost ensures they attend classes well-fed and prepared to learn. Please encourage your students to make the most of this program. The foodservice team at Spartanburg County School District Four is committed to providing safe and nutritious meals that support the growth and learning of the students we serve. We incorporate locally sourced ingredients and follow rigorous safety standards. Our team takes pride in their role in nurturing informed and health-conscious future generations.

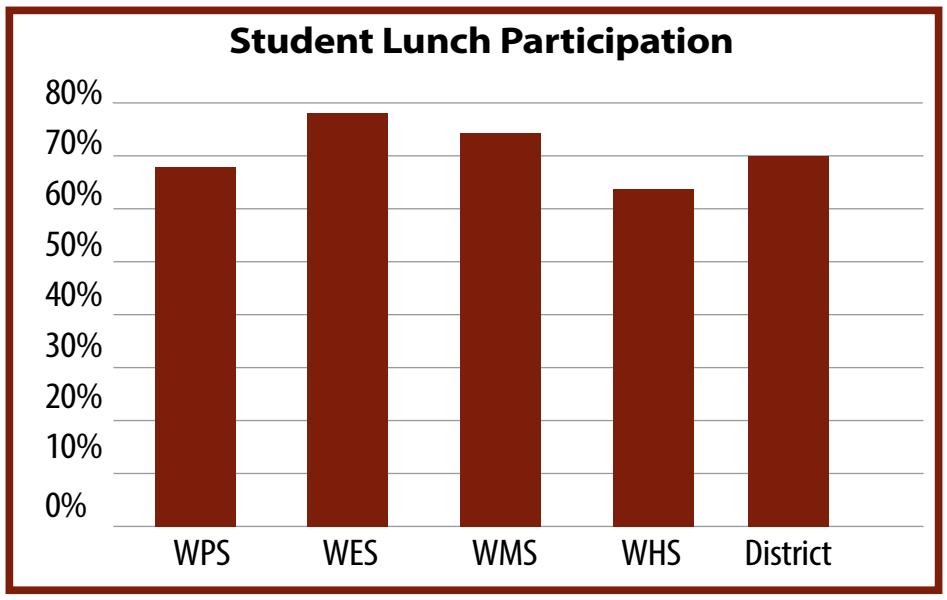

Audra Terry, Food Service Director

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the State or local Agency that administers the program or contact USDA through the Telecommunications Relay Service at 711 (voice and TTY). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Mail Stop 9410, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov; This institution is an equal opportunity provider.

Parent's piece of the Puzzle is Critical to the Success of our Crisis Response

For approximately 180 days a year, we, as parents, take or send our children to school and on school activities. We entrust the individuals working in our school systems to lead and watch over our children daily. This is not a responsibility we take lightly in Spartanburg County School District Four. It is with the same trust and confidence you demonstrate daily that we ask you to share with us in the event of a crisis in our schools. The ultimate goal is a good education for our children, but we also realize that a safe learning environment is an essential phase that enhances the educational process for all. Therefore, we spend much time in research and training to develop a well-balanced, comprehensive, yet simple, school crisis plan. Our schools train their staff members, review and update plans annually, and collaborate with emergency agencies to help ensure our efforts meet state and national standards. In addition, along with District staff, we have four outstanding School Resource Officers (SROs) that discuss and evaluate all aspects of our crisis plan throughout the year and summer.

Our 2026 – 2027 School Resource Officers:

WOODRUFF PRIMARY SCHOOL
Darrell Dawkins (Woodruff Police Dept.)
WOODRUFF ELEMENTARY SCHOOL
Dustin Clevenger (Spartanburg County Sheriff's Dept.)
WOODRUFF INTERMEDIATE SCHOOL
Kevin Murphy (Spartanburg County Sheriff's Dept.)
WOODRUFF MIDDLE SCHOOL
Richie Foster (Spartanburg County Sheriff's Dept.)
WOODRUFF HIGH SCHOOL
Steve Calhoun (Spartanburg County Sheriff's Dept.)

It is important that parents remain diligent in their efforts to monitor and be informed about what and who their children are involved with. Students should be encouraged to share information about possible threats or danger, even if a friend is the one making the threat. Community members are also a vital source of information about what is going on in their neighborhoods, as many community incidents tend to spill over into the school. With our community growing rapidly, this has never been more important. We have seen schools without plans, parents in denial about their child's issues, parents who were not aware of what was going on in their own home, and students who were told of a threat only to stand by to watch it happen, telling no one. In approximately 80% of school violence incidents, someone else knew of the pending threat but alerted no one. Do not be afraid to share information or ask for help. Prevention is a team effort! **See Something, Hear Something, Say Something!**

Parents are an integral part of our school's crisis response plan. It is our goal, during the response, to avoid an emotional panic to the point where it creates a crisis within a crisis. It is extremely important to understand that these emotional episodes can potentially hinder or slow the critical emergency response necessary to keeping our schools and, most importantly, our students as safe as possible during an incident.

Being included on the team and having a knowledge of the plan can calm the very real emotions of responding to a critical incident at your child's school. Thus, there are things we would like to ask you to do that will allow us to respond in an expeditious and safe manner for the safety of your/our children.

The following information should give you a clearer understanding of what we plan for and details that will keep you in our circle of communications, which includes incident types, possible evacuations to off-campus sites, reunification sites, and do's and don'ts for you before, during and after a crisis.

When and why are students and staff asked to Lockdown, Shelter-In-Place or Evacuate?

- Environmental events such as chemical spills or gas leaks.
- Transportation accidents near the school, such as vehicle, rail, and air are monitored closely to see if they put our schools at risk.
- Severe weather emergencies, such as a tornado warning or winter weather advisories, are monitored and school officials will alert individuals of changes from the normal operating procedures.
- Community crimes near the school, such as robberies, homicides, shootings, and searches for criminals will be monitored and acted upon.

The nature of the crisis within the school, on the school campus or in the community dictates what type of response protocol the school officials will activate. Communications

with all our community partners play a vital part in our response to keep our students and staff safe.

We are also in communication with 911 and emergency agencies 24 hours a day in case there is a crisis that may impact the school or the transportation of students.

Parent Responsibilities During a School Emergency and Reunification After a School Emergency

In a school emergency, the first instinct as a parent is to pick up the telephone and start calling the school or rush to the school in an attempt to get your child/children. The truth is, this only complicates matters from a safety and security standpoint. Parents too close to an incident often hinder the rescue attempts of police, EMS, and fire officials on the scene. The best action parents can take in an emergency is to stay close to their phone and e-mail and to monitor local radio and TV reports for regular updates and instructions.

If the crisis is severe, you will not be able to get your child from the school. We will transport them to an off-campus site and organize a mass release from there. As part of our reunification planning, we have collaborated with five off-campus sites and will not choose one to evacuate to until the time of an incident, for safety reasons. We have also planned for mass transportation, utilizing our buses and drivers, in the event a critical incident occurs.

Encourage your child that, in the event of a crisis at their school, they should follow the directions of the staff, as they have been trained to take care of them.

How will I be reunited with my child? What will I need to do or have?

The school district has a Reunification Plan whether we are releasing students on campus or from an off-campus site after a crisis.

- School Officials and Emergency Responders on scene will evaluate all details from the crisis and determine if the students will remain on campus or be bused to an off-campus site.
- Communication systems we will utilize during a crisis: E-mail, School's All-Call System, and Media Sources. We will update each periodically with accurate information, to keep you informed.
- Off-Campus Evacuations: The District has a Mass Evacuation Plan to move students to alternate sites away from the school. It will be important for you to monitor communications from the school to know where to pick up your child.
- What you will need: In the event of a crisis, we will only release students to parents/guardians, and you will be asked for a picture ID. Please follow the signs and directions from staff once on site.
- Patience! The reunification process will be slow to ensure that we are taking care of the students' physical and emotional needs, as well as being accountable to all impacted. This will be a stressful situation for all!

Do's and Don'ts for Parents:

- DO supply the school with accurate emergency information when registering your child for school. Keep updated if changes are made during the year.
- DO take time to talk to your child about what to do, in the event a crisis does happen at their school. Assure them a plan is in place.
- DO monitor phones, e-mails, and tune in to local media sources for accurate information that will only come from the District.
- DO contact the District, SROs, and/or Law Enforcement if you have heard information about a possible threat to or at your child's school.
- DO NOT call or rush to the school in the event of a crisis. A perimeter will be set up quickly, so you will not be able to enter the school.
- DO NOT call your child in the event of a crisis or tell them to call you. Staff and students are discouraged from using cell phones.

E3 App Information:

Spartanburg District Four implemented the E3 Emergency App on all staff member's phones and computers during the 2024-2025 Academic Year. This app allows a staff member to send out a crisis alert to all District Four staff members, as well as to local emergency agencies, as soon as it happens. The app, through a mapping system, allows everyone to know exactly where the crisis incident is occurring and where the danger is presently. It also features a communications board to help us manage the accountability of all District Four students and staff. E3 is just another tool on our belt to enhance our current plan. It does not take the place of our written crisis protocols we train our employees in each year.

New for the 2026 – 2027 Year
Spartanburg School District Four Enhances Bus Safety with New Camera System

Spartanburg School District Four is proud to announce a significant advancement in student and staff safety through the successful acquisition and implementation of a school safety grant. This funding has allowed the district to purchase and deploy a state-of-the-art mobile camera system across its fleet of school buses, reinforcing its ongoing commitment to maintaining a secure and supportive learning environment beyond the classroom.

The newly installed camera systems include both interior and exterior cameras on each bus, providing comprehensive coverage during daily transportation routes. This innovative technology enhances the district's ability to monitor activity in and around school buses, ensuring that students and staff are always protected while in transit.

Safety remains a top priority for Spartanburg School District Four, and the addition of these cameras represents a proactive step toward strengthening supervision and accountability. By increasing visibility, the camera systems serve as an effective deterrent to inappropriate behavior, helping to create a more respectful and orderly environment for all.

In addition to preventing misconduct, the cameras provide valuable documentation that can be used to review incidents, address behavioral concerns, and respond effectively to any accidents or safety issues. Access to video footage will allow school administrators to investigate situations with clarity and accuracy, ensuring fair and informed decision-making.

The introduction of this technology aligns with the district's broader safety goals, demonstrating a dedication to continuous improvement and responsible stewardship of resources. Spartanburg School District Four remains focused on ensuring that every aspect of the student experience, including transportation, is secure, supportive, and well-managed. As these systems become fully operational, families and community members can feel confident knowing that additional safeguards are in place. The district looks forward to continuing to explore innovative solutions that prioritize the well-being of its students and staff every day.

A Commitment to Safety and Efficiency

It is our hope that we never have to activate our crisis response plan, but, nevertheless, we do have a comprehensive plan, and our school district welcomes any questions you may have about our crisis plan and the procedures in place to keep our schools safe. We also have parent resources available to help you in recognizing signs your child may be experiencing. You can contact the Director of Security and Emergency Management, Bobby Turner, with questions or to schedule an appointment to view our plan. He can be reached via email at bturner@spartanburg4.org or by phone at (864) 476-3186 or (864) 476-7045 (extension 3675).

District 4 Facilities Update

In District 4, we have always taken pride in having first class facilities to compliment our students, faculty, staff, and community. The pride we all share in our schools continues to make our district the envy of others. We have been able to accomplish this while remaining one of the most fiscally conservative school districts in the state. As a small, community-based district, we have been able to effectively manage our resources while making steady improvements throughout the district.

At the present time, we are working on the following projects for the 2026-2027 school year:

- Painting at all schools as needed.
- New Carpet in the Activity Center corridor to WPS.
- New HVAC units on 400 hallway and in (7) classrooms at WMS.

Through a vision for the future, utilizing a teamwork approach, Spartanburg SchoolDistrict 4 is providing world-class facilities to our #1 customers – Our students!

The district's Asbestos AHERA plan is available for review in the District Office.

Woodruff Youth Football and Cheer Programs: The Tradition Continues

We are preparing for the 2026 WYFL football season with great anticipation. As always, we are hopeful and expectant that our players and parents will focus on learning the game and playing without distractions.

It is our goal that this be a great family experience for all involved. We hope this is a fun time for our players, so that they develop a love for the game, and we can nourish a desire to grow their skills and become successful future WOLVERINES! We are committed to helping your child grow qualities not only necessary for athletics but for life.

Go WOLVERINES!
