

Welcome to Second Grade with Mrs. Loiselle

Hello,

Welcome to Team 216

My name is Mrs. Loiselle, and I am delighted to be your teacher this year! We are going to have so much fun learning, growing, and building a caring classroom community together.

Our Second Grade Class

In our classroom, we will focus on developing important skills while exploring the world around us. We'll cultivate essential friendship skills, build strong problem solving skills in math, embark on inspiring reading adventures, discover exciting science phenomena, and improve our craft as writers. Our class will create unique projects and expand our skills as kind community members, resilient problem solvers and creative thinkers.

A Little Bit About Me

I grew up in Connecticut and earned my Master's Degree in Teaching from Columbia University Teachers College in New York City. When I'm not at school, my husband and I live right here on Mercer Island with our three children (a middle schooler at IMS, a high schooler at MIHS, and a college student) and our mini golden doodle. As a family, we love skiing, hiking, and playing board games.

See You Soon at Northwood!

I hope you had a wonderful summer, and I can't wait to meet you so we can start a meaningful year of learning together!

Warmly,

Mrs. Loiselle

Favorites:

eee

- Color: Green
- Places to explore: the beach or the mountains
- Flower: Peony
- Activities: reading, hiking, skiing, paddle boarding, going to the theater, creating art, watching youth sports.
