

Welcome to Kindergarten! My name is Ms. Hoisington, and I am so excited to be your teacher this year. This will be my 19th year teaching kindergarten. I have also been a school counselor, ELD teacher, reading teacher, and parent coach. I love working with students and their families...I can't wait to get to know you!

I have a big, blended family made up of my own two kids, Quinn and Kellan who are in college, three bonus kids, Ben, Anna, and Maria, and four grandkids, Danny, Charlotte, Maggie, and Kai. My family is very important to me.

When I am not at school, I enjoy reading books, spending time outside walking or hiking, and I love to go camping. On cold days you will find me inside making some kind of soup or drinking coffee and snuggling with one of our cats, Wybie and Haven.

Kindergarten is an amazing time where students blossom into readers, writers, mathematicians, scientists, and members of a new community. We'll read lots of books together, have class meetings, and play both inside and out. One of the most important things we learn in kindergarten is that it's ok to make mistakes and that we can learn from them.

I'm so excited to meet you and I'm looking forward to a fantastic year together!
