

Meet the Teacher

MRS. OLIVEIRA

ABOUT ME:

I have taught over 20 years in elementary school and am excited to continue working with a new crew of 4th graders! I promise that this year will be one in which your student will grow as a person, and as a student. My goal is to help students learn the importance of giving back and making a difference in their community. One way we will do this is by serving as pen pals to senior citizens at Aljoya on Mercer Island.

Outside of teaching, I love being a mom and helping coach my daughter in softball. I also am a workout fanatic and love competing in Hyrox races and running races. My family and I love all things sports, traveling, and spending time outdoors as much as we can. We are big UW Husky football fans!

I can't wait to meet my new 4th graders soon!

EDUCATION:

I graduated from Pacific Lutheran University in the winter of 2002. While at PLU, I rowed on our crew team and LOVED helping to make our crew nationally known. I earned my Masters in Teaching in 2007, and continue to learn and grow daily.
