

Dear New Fourth Grade Student,

My name is Mrs. Isaacs, and I am looking forward to being your teacher this year! Fourth grade is really the BEST! It is a wonderful year full of exploring, questioning, growing, and learning. I am excited to go on this adventure with you! This year we will grow our classroom community, have fun, and learn lots along the way. I can hardly wait to meet you, so we can get started on some of the exciting activities I have planned. I hope you had a fantastic summer! I want to hear about the books you read, games you played and discoveries you made. My summer was fantastic. I spent many hours working in my garden, swimming at the lake, exploring at the beach, having many picnics, and going on lots of hikes. I also enjoyed reading several great books. I am looking forward to sharing some of my favorite games and books with you and hearing about your favorites.

I have three children. Their names are Nick (35 years), Michaela (24 years) and Jack (19 years). This summer, my husband, George, and I went to Hawaii where we saw lots of sea turtles and we swam in the ocean. We also dropped our son Jack off at college for his second year at college in Texas..

This is my fifth year at Northwood and before that I was at West Mercer for twelve years where I taught fourth grade there as well.

I am looking forward to meeting and getting to know you and your family and hearing about your summer adventures. I am excited to meet you!

Sincerely,
Mrs. Isaacs
