**MAJOR BUDGET ASSUMPTIONS
FOR THE LAWNDALE ELEMENTARY SCHOOL DISTRICT
2026-27 BUDGET**

*Prepared by: Dr. Howard Ho, Assistant Superintendent of Business Services,
and Luis Diaz, Director of Budgeting and Accounting*

In presenting the 2026–27 proposed budget for public review and feedback, the following key assumptions have been highlighted as the basis for its development:

REVENUE PROJECTIONS

Governor Newsom’s 2026–27 May Revision reflects an improved state revenue outlook compared to earlier projections, largely driven by stronger-than-anticipated personal income tax collections associated with capital gains and high-income earnings. The May Revision increases the Proposition 98 minimum guarantee to approximately \$127.1 billion.

The May Revision fully funds the statutory 2.87% cost-of-living adjustment (COLA) for K–12 education programs and includes an additional 1.44% ongoing augmentation to the Local Control Funding Formula (LCFF) intended to address rising operating costs, declining enrollment pressures, and the implementation of new statewide obligations, including paid pregnancy disability leave.

While the near-term revenue picture has improved, the State continues to rely on optimistic revenue assumptions tied heavily to personal income tax performance and capital market activity. Although state revenues have improved, the budget proposal continues to underappropriate the constitutional Proposition 98 minimum guarantee by \$3.9 billion, which may delay full funding for school districts until future budget cycles. Below is the projected statutory COLA for the 2026-27 year and subsequent years:

2026-27	2027-28	2028-29	2029-20
2.87%	3.30%	3.09%	3.11%

DISTRICT CONTRIBUTION TO EMPLOYEES’ RETIREMENTS (CalSTRS and CalPERS)

Employer contributions for CalSTRS remain fixed at 19.10% and CalPERS slightly decreased to 26.40% for 2026–27. Despite this modest relief, these rates remain a significant cost driver. The District will continue to plan conservatively, recognizing the long-term impacts of retirement liabilities and future volatility in employer rates.

Employer Contribution to CalSTRS Retirement Funds:

Employer Rate	2026-27	2027-28	2028-29	2029-30
	19.10%	19.10%	19.10%	19.10%

Employer Contribution to CalPERS Retirement Funds:

Employer Rate	2026-27	2027-28	2028-29	2029-30
	26.40%	26.80%	25.90%	25.10%

CalPERS employer rates are determined each spring by the CalPERS Board and are subject to change. CalSTRS rates have remained steady while CalPERS employer rates, may fluctuate slightly in future years. Given this, our County Office of Education has strongly recommended that we plan prudently for both the current and future years to ensure we can meet all required funding obligations.

LOCAL CONTROL FUNDING FORMULA (LCFF)

The Local Control Funding Formula (LCFF) is a school finance system that allocates funding to school districts and charter schools based on a defined formula. In addition to the base funding, the LCFF entitlement includes several "add-on" components, such as supplemental and concentration grants for English Learners (EL), students eligible for free or reduced-price meals, and foster youth. Other add-ons include Grade Span Adjustments (GSA), funding for Transitional Kindergarten (TK), and Home-to-School Transportation (HTS).

The LCFF remains the primary source of funding for the District. A 2.87% COLA and 1.44% augmented COLA is applied to base grant rates. Lawndale's unduplicated pupil percentage (UPP) ensures continued eligibility for Supplemental and Concentration grants. Efficient attendance tracking and maintaining eligibility thresholds are critical to preserving revenue in the face of enrollment declines.

Below is the projected LCFF base grant rates per ADA for 2026-27.

2026-27 LCFF Funding Factors

Grade Span	TK-3	4-6	7-8	9-12
2025-26 Base Grant per ADA	\$10,256	\$10,411	\$10,719	\$12,423

³Maximum amount per ADA—to arrive at LEA's grant amount, multiply adjusted base grant per ADA by 65% and UPP above 55%

LOCAL CONTROL AND ACCOUNTABILITY PLANS (LCAP)

Based on May Revision budget assumptions, the 2026-27 budget estimates \$17.1M cumulatively for LCAP expenditures from Supplemental and Concentration Grant funding. A separate hearing on our LCAP will cover, in detail, the LCAP actions and services made available through LCFF funding. These services and actions aim to improve and enhance the educational programs we offer LESD's students.

Expanded Learning Opportunities Program (ELO-P)

The Expanded Learning Opportunities Program (ELO-P) continues to provide ongoing funding to support before-school, after-school, intersession, and summer learning opportunities for eligible students.

As a high unduplicated pupil percentage district, Lawndale Elementary School District continues to receive ELO-P funding intended to expand access to enrichment and academic support services beyond the traditional instructional day. For 2026–27, the District estimates approximately \$7.2M in ELO-P funding, subject to final state apportionment calculations and student eligibility requirements.

ELO-P funding remains restricted and must be used in accordance with state program requirements, including offering qualifying students access to expanded learning opportunities for the required number of instructional and non-instructional days.

The District will continue to strategically leverage ELO-P funding to support student engagement, academic recovery, attendance improvement efforts, and operational efficiencies where allowable. Given the District's ongoing structural budget challenges, careful management of ELO-P resources remains important to maximizing program benefits while minimizing unrestricted General Fund impact.

CATEGORICAL PROGRAMS

Categorical programs such as Special Education, Child Nutrition, Foster Youth, and MBG will receive the statutory COLA. These programs continue to support critical services for high-needs students. However, the California State Preschool Program is receiving a lower COLA (2.01%), putting pressure on early childhood budgets.

LOTTERY

Lottery revenue is expected to remain steady at \$190 per ADA unrestricted and \$82 per ADA restricted. These funds support instructional materials and supplemental programs. The District uses these allocations to mitigate textbook replacement costs and support site-level needs.

Universal Transitional Kindergarten (UTK) Implementation

Universal Transitional Kindergarten (UTK) implementation continues as an important component of California's early learning expansion efforts. Lawndale Elementary School District is expected to continue providing Transitional Kindergarten access to all age-eligible students in accordance with state requirements. For 2026–27, the State provides an LCFF Transitional Kindergarten add-on of \$5,704 per TK average daily attendance (ADA). To maintain eligibility for this funding, the District must continue complying with all applicable program requirements, including credentialed TK teachers, required student-to-adult staffing ratios, and class size limitations. Continued compliance

remains critical, as failure to meet program requirements could result in a reduction of LCFF revenues associated with TK enrollment.

Student Support & Professional Development Block Grant

The 2026–27 May Revision includes a proposed \$5 billion one-time Student Support and Professional Development Discretionary Block Grant to provide local educational agencies with flexible funding to address student academic needs, staff professional development, and operational priorities. Funding is expected to be allocated on a per-pupil basis, with expenditure flexibility intended to support local decision-making.

As additional implementation guidance becomes available, Lawndale Elementary School District will evaluate the anticipated allocation amount and determine how best to strategically utilize these one-time resources to support student achievement and mitigate ongoing fiscal pressures. Given the one-time nature of this funding, the District will remain cautious in avoiding commitments that create ongoing expenditure obligations.

Learning Recovery Emergency Block Grant (LREBG)

The District will continue to utilize any remaining one-time learning recovery funds, where available, to support academic interventions and targeted student support initiatives designed to address unfinished learning. Allowable expenditures may include evidence-based interventions in English language arts and mathematics, targeted tutoring, expanded learning opportunities, student support services, and professional development aligned with instructional priorities. The District will continue to closely monitor expenditures to ensure compliance with all applicable deadlines and reporting requirements while maximizing the effectiveness of these temporary resources to support student achievement.

Nutrition Services and Universal Meals

California’s Universal School Meals Program continues to receive full state support in the 2026–27 May Revision, including additional ongoing funding to sustain the program statewide and the application of the 2.87% statutory COLA to child nutrition programs. Lawndale Elementary School District will continue providing breakfast and lunch to all students at no cost, regardless of household income eligibility, in accordance with state requirements. The District will continue participating in the federal National School Lunch Program (NSLP) and School Breakfast Program (SBP) to maximize reimbursement revenue and maintain program compliance. LESD remains committed to ensuring that adequate staffing, equipment, food service infrastructure, and operational systems are in place to support meal service demand while managing ongoing cost pressures such as food inflation, labor expenses, and participation trends. No major policy changes to the Universal School Meals Program are proposed in the May Revision.

Federal Program Risk – Title III Elimination

Ongoing federal budget discussions continue to create uncertainty regarding future education funding levels, including programs that support English Learners and other targeted student populations. While no final federal funding reductions have been enacted at this time, potential changes to federal education funding could impact programs and services that support instructional materials, professional development, student interventions, and language access supports. Lawndale Elementary School District will continue to monitor federal budget developments closely and evaluate any fiscal implications as additional information becomes available. If necessary, the District will assess local mitigation strategies to minimize disruption to student services while maintaining compliance with applicable program requirements.

Proposition 28 – Arts & Music Education

Lawndale will continue to receive an allocation from the \$1.05 billion in Proposition 28 funding dedicated to supporting arts and music education in schools. The funds must be used primarily for hiring staff and expanding student access to visual and performing arts programs. Administrative expenditures are limited to no more than one percent of the total allocation. Each year, the District is required to submit an annual report to the Governing Board by September 30 outlining how the funds were used. Additionally, a final expenditure report must be submitted within three years of receiving the funds. Ensuring proper use and documentation will protect the District's eligibility for continued funding under Proposition 28.

ENROLLMENT & ATTENDANCE

LESD projects further enrollment declines to 4,168 in 2026–27, in line with state demographic trends. Declining enrollment will reduce LCFF funding. The District will continue to adjust staffing and expenditures accordingly, using multi-year projections to align programs with available resources while minimizing impact to classrooms.

RESERVES & CASH FLOW

With the proposed \$3.9 billion deferral, districts must navigate potential late apportionments. LESD maintains reserves above the state's 3% minimum to protect against these risks. The reserve also supports operational flexibility in the event of economic downturns, unexpected expenditures, or enrollment volatility. Maintaining healthy reserves remains a key strategy for financial stability.

MITIGATION EFFORTS TO LOWER EXPENDITURES

In an effort to maintain fiscal stability and safeguard reserve levels, Lawndale Elementary School District has proactively implemented a series of cost-saving strategies. The District has adjusted staffing levels to align with declining enrollment, ensuring that personnel costs remain proportionate to student attendance and state funding. The District has also strengthened internal monitoring and oversight of special education expenditures, with a

focus on maximizing the use of available resources and ensuring compliance with state and federal guidelines. These measures have contributed to a more efficient allocation of funds and have helped preserve financial flexibility amid economic uncertainty and projected funding deferrals.
