SUBJECT: RELEASE OF FY26 SCHOOL AND DISTRICT GRADES

On July 1, 2026, the Florida Department of Education (FDOE) released the FY26 School and District Grades. The School District of Palm Beach County continues to be “A” rated in FY26.

During the FY23 school year, FDOE transitioned from the Florida Standards Assessments (FSA) to the Florida Assessment of Student Thinking (FAST). The FAST results provide the foundation for school grades based on a grading system adopted by the State Board of Education (SBOE). This grading system uses the percentage of total points earned across several components including: achievement; learning gains for all students; learning gains for the lowest 25% of students; high school graduation rates; and acceleration success in middle and high school. In FY24, the grade 3 reading performance component was added for elementary and applicable combination schools as well as Districts. The present summary includes FY23, FY24, FY25, and FY26 results for comparison. Schools and districts are rated “A” through “F” based on a percentage of points earned. Table 1 details the grading scale.

Table 1. FY26 School Grade Scales

	Elementary	Middle	High, Combination & District
A	62% or greater	64% or greater	65% or greater
B	54% - 61%	57% to 63%	60% - 64%
C	41% - 53%	44% to 56%	45% - 59%
D	32% - 40%	34% to 43%	35% - 44%
F	31% or less	33% or less	34% or less

A review of the FY26 preliminary School and District Grades revealed the following:

District Grades

- Palm Beach earned an “A” grade.
- Palm Beach earned 68% of possible points, up two percentage points from 66% in FY25.

School Grades

- For FY26, the results for traditional¹ District schools showed that:
 - 143 (84%) schools were rated “A” or “B,” up from 120 schools in FY25.
 - 54% of elementary schools were rated “A,” an increase of 8 percentage points from FY25.
 - 82% of middle schools were rated “A” or “B,” an increase of 9 percentage points from FY25.

Tables 2a-2e contain the numbers and percentages of school grades for Florida and District-operated elementary, middle, high, combination, and charter schools. Tables 3a–3e contain the percentages of letter grades for District-operated elementary, middle, high, combination, and charter schools in the seven large urban Florida districts. Table 4 contains District grades for the seven large urban Florida districts. Table 5 includes school grade components for each Palm Beach school.
