

G200

INDOOR AIR QUALITY

The Superintendent shall appoint a person to serve as the Indoor Air Quality (IAQ) Coordinator for the Corporation. The IAQ Coordinator shall serve as the lead contact person for matters related to indoor air quality in the facilities operated by the Corporation, and if available, shall be present during investigations. The IAQ Coordinator contact information shall be available to all students, parents, employees, visitors, and the state inspector. The contact information shall be published on the Corporation's website and in school handbooks. The Corporation shall also notify the Indiana Department of Health of the IAQ Coordinator's name and contact information.

Each school facility is to meet criteria established by the Indiana Department of Health.

Indiana Department of Health Indoor Air Quality in Schools Best Practices Manual
