

Summer EBT 2026

Supporting child nutrition all year

About Summer EBT

The Summer Electronic Benefit Transfer (S-EBT) program is a federal program that gives families with school-aged children extra funding to buy groceries during summer months when school meals are not available.

- Available for summer months
- One-time issuance of \$120 per eligible child
- Separate S-EBT card

If Your Family Does Not Receive SNAP, TANF, or Medicaid

Even if your household doesn't receive SNAP, TANF, or Medicaid, you may still be eligible for S-EBT. Learn more about eligibility at www.dhhs.nh.gov/summerebt.

Eligibility

If, **during the 2025-2026 school year**, your household received SNAP, TANF, or Medicaid and had a student enrolled in the National School Lunch Program/School Breakfast Program (NSLP/SBP), you will automatically receive 2026 S-EBT benefits on a separate card. Families who have cards from prior years will get their 2026 benefits on that card.
