Submitted By (Bookkeeper Name):	Megan Boyle
Bookkeeper's Email Address:	megan.boyle@beaufort.k12.sc.us
Principal/Supervisor Name:	Dr. Mary Stratos
School/Location	District Office (DESC)
Purpose/Goal:	Imagine Learning MyPath is designed to maximize student learning through personalized learning paths that prioritize the essential skills students will need for grade-level success.
General ledger account/ Funding Source:	21817501-53450000
Who will use the software?:	Students

How will it be accessed?	Web-Based/Subscription
Link to Software/Conference Website:	www.imaginelearning.com
Is this a license renewal?:	Yes
Does this software require an annual renewal?	Yes
Does this software require proprietary hardware?	No
What is the anticipated instructional outcome?	Imagine Learning MyPath helps students in grades K-12 reach their full potential in math and reading with a personalized and adaptive path to grade-level success.
How will the anticipated instructional outcome be measured?	Imagine Learning MyPath is designed to enable core instruction, provide research-proven supplemental support, and spark personalized intervention pathways for every student. These innovative solutions use insights from real-time data to meet each student where they are and anticipate future learning needs to drive better learning outcomes.
Description of how you plan to implement (the more details the better):	We recommend the following usage and implementation guidelines to optimize student learning outcomes and ensure students utilize MyPath effectively. Students can make the most of the program by following these guidelines. Students • Spend 30 minutes (minimum) per week per subject. • Complete at least one lesson per week per subject. • Spend 15-20 minutes per session working in the program. Teachers • Check before students start or after they complete work for the week or check in when necessary. • Routine tasks include ensuring all students meet the minimum usage and completion goals and observing opportunities for small or whole-group follow-up based on lesson performance.
Understanding	I understand by selecting this box that it is the responsibility of the school/department submitting to ensure compliance with state regulations and provisos.
