President's Report - July 1, 2026

Good morning, and welcome to our first Board of Education meeting of the 2026–27 school year. It is truly an honor to begin this year serving as President of the Rye Neck Board of Education. I want to take a moment to thank my fellow trustees, our Superintendent and administration, our incredible faculty and staff, our students, families and community members for the passion, dedication and partnership that make Rye Neck such a special place. The start of a new school year always brings a sense of excitement and possibility, and I look forward to the year ahead as we continue to learn, grow and work together in support of all of our students.

I would also like to warmly welcome our newest trustee, Laurel Ryan, to the Board. We are so pleased to have Laurel join our team and look forward to the energy, perspective and commitment she will bring to our important work. Serving on a school board is a tremendous responsibility, and I am grateful to be surrounded by a board and community that cares so deeply about our schools. As we begin this new year, we remain committed to listening, collaborating and making thoughtful decisions that continue to move Rye Neck forward while keeping our students at the heart of everything we do.
