

Canvas Parent Training

What is a Learning Management System?

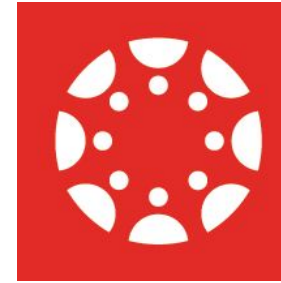

- An online platform where students access their schoolwork, lessons, and assignments in one convenient place
- Helps parents track their child's progress, assignments, and grades easily through regular updates and reports
- Facilitates communication between teachers, students, and parents, making it easier to stay connected and support learning at home

Goals

- Understand Canvas Parent (App vs. Web)
- See how to navigate Canvas as a Parent to support your student in Canvas
- Learn how to contact Tech Services for technology support

The screenshot displays the NPA web interface. On the left is a vertical sidebar with icons and labels for Account, Admin, Dashboard, Courses, Groups, Calendar, Inbox (highlighted with a red box), History, Studio, and Commons. The main content area at the top has a header with 'All Courses' and 'Inbox' dropdown menus, a search bar, and several action icons. Below the header, the inbox list shows three messages from 'Tom Tiger, Mrs. Panda' dated Oct 21, 2025 and Mar 31, 2025. The right pane shows a large envelope icon and the text 'No Conversations Selected'.
