Important Reminders

Immunizations - Attention parents of incoming 7th grade students:

Students entering or attending 7th grade are REQUIRED to have a Tdap (tetanus-diphtheria-pertussis) prior to attending class on the first day of school or a valid documented exemption. This grade level is also required to have two varicella vaccines. All schools in the county are required to enforce these immunization requirements. Please submit a certificate of immunization (DH-680) with the documented Tdap vaccine to the school at your earliest convenience. Documentation should be sent to the attention of the school nurse. Be sure to get started now, so your child is ready! Thank you in advance.

Thank you for your continued support and partnership in your child's education journey. Together, we can inspire greatness and empower our students to reach for the stars. Wishing you a splendid Fourth of July filled with relaxation, laughter, and endless possibilities!
