The SLUH Scholarship Golf Classic has raised more than \$2 million for financial aid since its inception. This sum represents an incredible impact on the young men of SLUH. Your support of the Scholarship Golf Classic takes on new importance since contributions support the mission of SLUH: serving all qualified young men regardless of their families' economic circumstances. SLUH conducts need-blind admissions and does not cap financial aid. More than 49% of students receive tuition assistance which projects to \$6.1 million in need-based financial aid for the 2025-26 school year. This accessibility makes the school unique, not only in St. Louis but in private education on a broad scale.
