

ANNUAL NOTICE OF NONDISCRIMINATION

The Volusia County School District offers different Career and Technical Education (CTE) programs that students in grades 6 through 12 may take as part of college and career preparation. Students may earn adult level, nationally recognized industry certifications free of charge in identified CTE courses to further prepare students for immediate entry into the workforce or postsecondary studies. In addition, Career Academies are offered that combine CTE courses with core academic courses. Career Academies focus on academic integration, project-based learning, and business partnerships to give students an excellent start in a future career. Admission requirements for Career Academies can be found at <https://www.vcsedu.org/cte>. Admission requirements may be determined by such factors as academic performance, attendance, and conduct.

The district prohibits discrimination in the terms and conditions of employment, and in access to educational programs and activities, and prohibits harassment of any individual or group on the basis of race, color, national origin, religion, sex, age, disability, marital status, pregnancy, political beliefs, sexual orientation, or genetic information.

Lack of English language skills will not be a barrier to admission and participation. The district may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation.

Questions, complaints, or requests for additional information regarding discrimination or harassment may be sent to:
