

REDLANDS UNIFIED SCHOOL DISTRICT

To: All Certificated Personnel

From: Shannon Nelson, Manager of Accounting & Payroll

Date: 6/18/2026

Subject: 2026-2027 Certificated Contract Payroll Dates

The months below will have pay dates other than the first of the month for the upcoming 2026-27 school year. The varied pay dates is inevitable each year and is guaranteed to happen every January.

- August 3, 2026
- November 2, 2026
- January 4, 2027
- May 3, 2027

The County Office of Education establishes our payroll schedules and is responsible for processing all payments. Classified employees are paid on the last business day of each month and Certificated on the first business day of each month. For Certificated, if the first of the month falls on a weekend or holiday, payment is issued on the next business day. Under State Education Code, the County may issue Certificated employee payments as late as the fifth day of the month.

In months when weekends or holidays coincide with the first day of the month, employees with automatic withdrawals scheduled for the first may experience timing challenges if their financial institution has not yet released the deposited funds.

Some financial institutions choose to make direct deposit funds available earlier than the official release date. This is determined solely by the receiving bank upon notification of the incoming transfer from the County's financial system. While some employees may see funds deposited prior to the official pay date, early availability is not guaranteed.
