

Powell Middle School

6th Grade Supply List

2026-2027

Backpack- As you prepare for the school year, we encourage you to purchase a large, sturdy backpack for your child. Students carry their Chromebooks, textbooks, notebooks, folders, school supplies, and personal items with them throughout the day, as lockers are rarely used. Choosing a durable backpack with plenty of space will help your child stay organized and comfortably carry everything they need for a successful school day.

Planner- We strongly encourage families to purchase a weekly planner, journal, or spiral notebook for their student. Students are expected to record homework assignments, quizzes, tests, and project due dates each day. Having a dedicated planner helps students stay organized, manage their time effectively, and develop responsibility and independence. Taking 15 minutes each evening to review the planner together can also help families stay informed and support your child's success throughout the school year.

See example below. Click on this link for another [Example of Student Planner](#)
