SECTION 1: GENERAL PROVISIONS

ARTICLE I: RECOGNITION AND REPRESENTATION

1.1 Parties to the Agreement

This Agreement is by and between the Board of Education of East Aurora School District No. 131, Kane County, Illinois, hereinafter referred to as the "Board," and the East Aurora Council, American Federation of Teachers-Local 604, AFT/IFT, AFL/CIO, hereinafter referred to as the "Union," pursuant to and in compliance with the Illinois Educational Labor Relations Act.

1.2 Recognition, Jurisdiction, and Scope

For the purposes of collective bargaining with respect to wages, hours, and terms and conditions of employment, the Board recognizes the Union as the sole and exclusive representative for:

- a. all full-time certified personnel (except as excluded herein) including: teachers, school social workers, speech/language pathologists, school psychologists, school counselors, school nurses, librarians, interventionists, facilitators, instructional coaches, and special education coordinators (the "teachers bargaining unit" or "Teachers");
- b. all full-time (32.5 hours per week or more) classified employees in the following categories: academic assistants, special education assistants, learning center assistants, bilingual assistants, pupil personnel assistants, parent educator, bilingual special education interpreters, sign language interpreters, speech language interpreters, parent liaisons, health assistants, preschool assistants, and hearing/vision technicians (the "support staff bargaining unit" or "Support Staff"); and
- c. all full-time office staff in the following categories: Clerical, Secretary I, Secretary II, bookkeeper, but excluding administrative assistants (Finance, HR, Associate Superintendent, and executive assistant to the Superintendent) and all other classified staff, certified staff, administrators, managerial, supervisory, and short-term employees as such employees are defined in Section 2 of the Illinois Educational Labor Relations Act (the "office staff bargaining unit" or "Office Staff"),

In the General Provisions applicable to all employees covered by this Agreement, the units described in subsections a., b., and c. above may be referred to collectively for convenience as "the bargaining unit."

1.3 Conformity to Law

Should any article, section, or clause of this Agreement be declared illegal by a court of competent jurisdiction, or in the event the Congress or the Legislature enacts a law in conflict with any article, section, or clause of this Agreement, said article, section, or clause shall be automatically deleted from this Agreement to the extent that it violates the law, but the remaining articles, sections, or clauses shall remain in full force and effect for the duration of the Agreement, if not affected by the deleted article, section, or clause.

ARTICLE II: UNION/BOARD RELATIONS

2.1 Right to Representation

The Union agrees to fulfill its duty of fair representation to all members of the bargaining unit for purposes of negotiations with the Board concerning terms and conditions of their employment.

2.2 Union/Superintendent Meetings

The Superintendent shall meet with the Union's executive board, which is generally no more than six (6) members, to discuss matters relating to the implementation of the Agreement, as well as matters of mutual concern, provided that the Superintendent shall not be required to meet more than one (1) time per calendar month. The Superintendent shall not be required during such meetings to discuss any pending grievances or any matter which is then subject to consideration as part of the negotiations of a successor Agreement. The Union's representatives shall submit an agenda of items to be discussed at least three (3) school days in advance, if possible, of such meeting, and for matters arising after the submission of the agenda not later than the outset of the meeting. The Union's agenda items shall be discussed prior to any other matters. The scope of the meetings should be general contract issues rather than individual issues that should be addressed at the building level. Where possible the Union should present documentation for patterns of actions, and the Superintendent shall provide relevant documents that the Union may request. Meetings shall ordinarily be one and one-half (1.5), but not to exceed two (2) hours in length, unless otherwise agreed. Minutes from the meetings shall be prepared by the Union and shall be reviewed by the Union and the Superintendent together at the conclusion of the meeting or when the minutes are prepared. The minutes shall be factually based without editorial comment, and shall include a summary of the issues discussed, possible resolutions, and necessary follow-up. The minutes shall be submitted to the Superintendent, the East Aurora Council President, the Assistant Superintendent of Human Resources, and, depending on the issues discussed, to such other persons as appropriate.

2.3 Union/Principal Meetings

The principal of each building shall meet with representatives of the Union to discuss matters relating to the implementation of this Agreement as well as matters of mutual concern, provided that the principal shall not be required to meet more than once each month. The principal shall not be required during such meetings to discuss any pending grievances or any matter which is then subject to consideration as part of the negotiations of a successor Agreement. Meetings shall be at mutually agreed times and ordinarily last one (1) hour, or one (1) class period unless otherwise agreed. The Union representative shall submit an agenda of items to be discussed at least three (3) school days, in advance, if possible, of such meeting, and for matters arising after the submission of the agenda not later than the outset of the meeting. The Union's agenda items shall be discussed prior to any other matters.

Minutes from the monthly meetings shall be prepared by the Union and shall be reviewed by the Union and the principal together at the conclusion of the meeting or when the minutes are prepared. The minutes shall be factually based without editorial comment, and shall include a summary of the issues discussed, possible resolutions, and necessary follow-up. The approved minutes shall be

submitted to the Superintendent, the East Aurora Council President, the Assistant Superintendent of Human Resources, and, depending on the issues discussed, to such other persons as appropriate.

2.4 Information to the Union

Documents, including but not limited to the following, shall be either furnished to the Union President or posted on the District's website, as they are received, completed, or compiled. (Items G & H to be provided in electronic format):

- A. Board agendas;
- B. Official minutes of the Board;
- C. Monthly budget summaries;
- D. Board policy manual;

A draft list of new employees shall be provided by the first institute day, and the final list of new employees hired shall be given to the Union by September 20 of each year, and names of persons employed after that date, along with the information listed above, shall be provided within twenty (20) days of hire.

2.5 Meetings, Notices, and General Information

The Union shall have the right to request and, upon approval of the building principal, to use buildings for meetings of the East Aurora Council (which may include other employees of the Board and a reasonable number of guests), provided that such meetings do not interfere with instructional and/or extra-curricular programs. Any special expenses as a result of such meeting(s) will be reimbursed to the District by the Union.

The Union may use the inter-building delivery system, teacher school mailboxes, and teacher lounge bulletin boards for Union matters. The use of the inter-building delivery system shall be subject to any rules or regulations as may be promulgated by the United States Postal Service or other governing agency or any legislation which may be hereafter adopted.

The Union may use the District's e-mail system for the communication identified to the Superintendent.

When using the District's e-mail system, the Union will comply with the District's Acceptable Use policy and administrative procedures as amended from time to time.

The Union shall be allowed reasonable use of computers, copying equipment and audio/visual equipment upon approval of the Administration. The Union will pay for all consumable materials used. No school equipment may be removed from the premises or used for political purposes. The Union will be financially responsible for all damage occasioned by the use of such equipment. Nothing herein shall be construed as precluding the Board from designating an employee other than a member of the bargaining unit to actually operate such equipment or to supervise its use.

2.6 Dues Check-Off

The Board shall deduct from the regular paycheck of each member, from whom it received written authorization to do so, the required amount of Union dues. The dues of a list of employees from whom the dues have been deducted, and the amount deducted from each shall be forwarded to the proper Union officer no later than ten (10) days after such deduction was made. Deductions shall continue unless and until authorization is withdrawn by the employee in accordance with the law and the terms of the deduction authorization.

2.7 District Directory

The Union and its officers shall be listed in the District Directory posted on the District's website.

2.8 Union Presentation

The Union or designees shall be on the program for the orientation for new teachers for a period not exceeding sixty (60) minutes. The Union President or designees shall be given ten (10) minutes to welcome all IFT staff during the beginning of the year institute day. The Union President or designee shall also be on the agenda, upon request at least two (2) days in advance, for a period not to exceed ten (10) minutes at the beginning of the general building faculty meeting of the month, and for ten (10) minutes prior to their lunch break on SIP days or in-service days (regardless of the building where staff are attending), to address matters of staff concern. When available, Administrators shall cover the office in order for Office Staff to attend.

A Union representative will be provided with an opportunity to meet with new bargaining unit employees for one (1) hour pursuant to Illinois Public Act 101-0620 during the District's onboarding process to inform the new employee(s) of their obligations, rights and benefits under the Agreement. In order to facilitate such Union meetings with new employees, the employer shall schedule and notify the Union of onboarding meetings as soon as practicable.

2.9 Union President Released Time

- A. The Union President, or their designee, shall be released from their regular duties to the District on a daily basis for each school day; provided, however, the amount of release time shall be reviewed each contract renewal by the Union and the District. It is understood that the released time will be used to attend to the duties of the Union President. In the absence of the President, or as may be needed for support staff or office personnel, the applicable Union officers shall be released for up

to a total of five (5) school days per year without loss of pay for the investigation of grievances or other activities relating to personnel issues.

- B. If and when it is necessary for the Union President or their designee to be absent during the non-school day time assigned to contractual services to the District, in order to attend meetings or conferences, investigate grievances, or deal with other teacher or school related matters, the President or their designee will be available for a like amount of internal coverage time during hours they would normally be released. The Union President shall notify the Superintendent or their designee at least two (2) school days in advance.
- C. The Union President or their designee will not incur loss of wages, benefits, tenure, or salary scale advancement because of the exercise of this provision.
- D. Whenever the Union Presidency passes to a different member, the release time provision will be accommodated as soon as practicable, but no later than the beginning of the next semester.
- E. As used in this section, "designee" shall mean only another Vice President.

2.10 School Security

The Board shall make a reasonable effort to assure the safety of employees in school buildings. In addition, the Board shall make a reasonable effort to provide security in faculty parking lots, provided it is acknowledged that absolute protection against vandalism may not be achievable.

In addition, the District will provide all employees with information and online training on school emergency response procedures and employees shall act in accordance with the procedures outlined in the School Emergency Procedures Flip Chart, a copy of which shall be available in each classroom.

2.11 Joint Committees

The District and the Union agree to maintain joint committees to support collaboration on matters impacting the District. Joint committees shall be structured at the district, building, and ad hoc levels as outlined below.

District-Level Committees:

Insurance, Calendar, Stipends, Job Descriptions, Safety, Evaluation, Professional Development, MTSS-Behavior, and T&L/Academic.

Building-Level Committees:

MTSS-Behavior, T&L/Academic, and Safety.

Ad Hoc Committees:

Committees may be created and dissolved as needed by mutual agreement of the District and the Union to address specific topics (e.g., Mentoring, Dual Language).

Joint committees shall operate under the following parameters:

- Representatives shall be appointed by the District and the Union respectively. The size of each committee will be determined by the committee co-leads based on its purpose and needs. Committees will include an equal number of District and Union representatives unless otherwise agreed.
- By October 1 of each year, committee co-leads will meet to establish a meeting schedule by mutual agreement and communicate that schedule to committee members.
- Committees will strive to reach decisions by consensus. For purposes of this section, consensus means general agreement among members, even if not all members fully agree.

The District and the Union may mutually agree to add, merge, or eliminate joint committees as needed.

Committees required by law shall follow a similar collaborative structure, but will be governed by the applicable statutory requirements, including but not limited to PERA, RIF/SB7, and the Parent-Teacher Advisory Committee (PTAC).

2.12 Job Descriptions

Work duties for all bargaining unit employees shall be as described in the job description for each assigned position. Each job description shall identify the employee's immediate supervisor. The District shall provide job descriptions to the Union.

A Joint Job Description Committee, established in accordance with Section 2.11, shall review job descriptions and recommend changes as needed. The Committee shall also review and make recommendations regarding position category placements and work calendars.

Employee job descriptions, category placements, and work calendars shall not be permanently changed until the Joint Job Description Committee has reviewed and discussed the proposed changes. All recommended changes shall be subject to approval by the Board.

2.13 School Calendar

The Board shall establish school calendars on a two (2) year cycle. Each calendar shall not exceed one hundred eighty-nine (189) school days and shall include no more than one hundred eighty (180) teacher workdays (except for newly employed teachers who may be required to attend up to four (4) additional non-instructional workdays in their first partial and/or full year of employment). Emergency days which are not used for emergency purposes shall be designated as special holidays at the end of the school year.

School calendars shall be jointly developed through a District-wide Calendar Committee in accordance with Section 2.11. The Committee shall meet during the first quarter of the school year to develop the calendar. The Committee's recommended calendar for the upcoming school year shall be submitted in time to secure Board approval by the last Board meeting in March. A draft calendar for the subsequent school year shall be developed by the end of the school year. The Administration shall provide relevant information to the Committee to support the development of the calendar.

2.14 Staffing Projections and Communication

The District shall annually provide staffing projections to the Union and will maintain open dialogue to consider feedback regarding staffing needs. Final decisions regarding staffing levels and assignments shall remain within the discretion of the District.

2.15 Parent-Teacher Conferences

Parent-teacher conferences shall be scheduled in accordance with the approved school calendar. Teachers are required to attend and participate in all scheduled conference days and times.

Fall conferences shall be conducted on non-student attendance days and shall include conference sessions scheduled during the day and evening. The conference day shall include a mid-day break and an evening break. The total duration of the conference day, inclusive of all conference sessions and required attendance time, shall not exceed twelve (12) hours. On the day following the evening conferences, Teachers shall be released at or near mid-day, consistent with the District-established schedule.

Spring conferences shall include an evening conference session following the teacher's regular workday. The evening conference session shall not exceed three (3) consecutive hours. On the day following the evening conferences, Teachers shall be released at or near mid-day, consistent with the District-established schedule.

The specific conference schedules, including start and end times, shall be established by the District. On conference days, the Teacher workday may differ from the regular daily schedule but shall be limited to the conference schedule established by the District and shall include appropriate break periods where applicable.

Support staff shall work their regular workday unless otherwise approved by the building principal to follow the Teacher conference schedule. Support staff who are approved to follow the Teacher conference schedule shall work the same hours as teachers on those days.

Office staff shall ensure that building office functions are maintained during conference days and shall work with the building principal to establish schedules that provide appropriate coverage. Office staff who are approved to follow the teacher conference schedule shall follow the same start and end times as Teachers for those days.

ARTICLE III: MANAGEMENT RIGHTS

3.0 Management Rights

The Board retains and reserves unto itself all powers, rights, duties, and responsibilities conferred upon and vested in it by the statutes of the State of Illinois.

The Board shall not be required to bargain over matters of inherent managerial policy, which shall include such areas of discretion or policy as the functions of the employer, standards of services, its overall budget, the organization structure and selection of new employees, and direction of employees.

ARTICLE IV: NO STRIKE

4.0 No Strike

The Union agrees that there shall be no strike, withholding of services, or other refusal to render full and complete service to the Board during the term of this Agreement.

No Lockout

The Board agrees not to lock out any employees during the term of this Agreement.

ARTICLE V: GENERAL LEAVE PROVISION

The general leave provisions in this Article V apply to all employees covered by this Agreement. Specific leave provisions for certain employee groups are as follows: provisions applicable to Teachers are set forth in Article XIII; and provisions applicable to Office Staff are set forth in Article XXI. In the event of any conflict between the general provisions of this Article V and the specific provisions identified above, the applicable specific provision shall control.

5.1 Sick Leave

Sick leave means personal illness, quarantine at home, or serious illness or death in one's immediate family or household. Sick leave may also be used for the purpose of child bonding following the birth, adoption, or placement of a child for adoption, for up to sixty (60) workdays. Immediate family shall mean: parents, spouse, civil union partner, brothers, sisters, children, grandchildren, grandparents, parent-in-law, brother/sisters-in-law, and legal guardians. Sick leaves of four (4) or more consecutive days shall require medical verification and such medical verification should be presented on the 4th consecutive day of absence or as soon as practical thereafter. Failure to provide a required medical verification will result in the denial of additional requested sick days beyond the initial three (3) days for such claimed illness.

Sick leave shall terminate upon the earlier of (a) the employee's return to work, or (b) the exhaustion of the greater of accumulated sick days, other paid time off, or applicable FMLA or VESSA leave. An employee may apply for additional leave pursuant to Section 5.2 hereof in the event the employee has a condition that would qualify for sick leave and all paid time off, sick days, and applicable FMLA or VESSA leave has been exhausted.

Each full-time employee shall be entitled to thirteen (13) sick leave days per work year. Sick leave shall accumulate in accordance with applicable law and retirement system requirements.

Employees with five (5) or more years of service in the District who have a balance of fifty (50) or more accumulated sick days as of June 30 of each year shall receive fourteen (14) sick leave days for the following work year. This provision shall be implemented beginning with the 2026-2027 school year, using June 30, 2026 as the initial eligibility determination date.

5.2 Uncompensated Medical Leave of Absence

The Board, in its sole discretion, may grant an employee a leave of absence, without pay or other benefits, for a matter which would qualify for sick leave. Such leave may not commence until the employee has exhausted all accrued paid time off, accumulated sick leave, and FMLA or VESSA leave. The leave shall not exceed ninety (90) consecutive school days. Request for an unpaid leave of absence must be accompanied by medical verification as to the nature and extent of the illness or incapacity and estimated time necessary for recovery therefrom. In exercising its discretion, the Board will take into consideration continuity of instruction, support staff, medical factors to the maximum degree possible, and the pertinent time factors related thereto. This leave is available to an employee whether or not the employee is receiving short-term disability.

Any employee on an approved leave pursuant to this section may participate in the District's available insurance programs but at such employee's own expense for the full monthly premium. The full monthly premium, which is the total of the portion of the premium previously paid by the employee and the amount paid by the District, is payable to the District by the employee as provided herein except the first month of participation shall require an employee to pay one (1) full month's premium in advance. The District shall bill the employee for this premium and it will be the responsibility of the employee to deliver to the benefits facilitator, on or before the 15th day of the month preceding the onset of the leave, a check payable to the District in the full amount of one (1) month's premium, for the following month. Thereafter, the District will bill the employee monthly for this premium and on or before the 15th of each month a check for the full amount of the premium must be hand delivered and receipted, or sent U.S. Mail certified return receipt, postmarked on or before the 15th of the month. Subsequent failure to pay the required monthly premium shall constitute a thirty (30) day notice of cancellation of insurance coverage. No later than fourteen (14) calendar days prior to the scheduled termination of any leave in excess of sixty (60) days, the employee shall notify the Assistant Superintendent of Human Resources in writing of their intention to return to employment. Failure to provide such notification shall be deemed a submission of resignation from employment in the District effective at the end of the leave.

5.3 Personal and/or Emergency Leave

Each full-time employee shall be granted three (3) personal leave days at full pay per work year. Employees may accumulate unused personal leave days up to a maximum of five (5) days. Any unused personal leave days in excess of five (5) as of June 30 shall be converted and added to the employee's accumulated sick leave balance.

Personal leave is intended to be utilized for attending to legal, personal business, and moral obligations which cannot be attended to at any other time except during school hours and is not intended to be used for such matters as vacation or recreation. Except in cases of an emergency, a request for personal leave shall be submitted at least two (2) work days prior to the date of the leave to the employee's supervisor or building principal, as applicable. In the case of an emergency, the employee must provide a reason for the leave as soon as possible and in any event, no later than the date they return to duty. Requests for two (2) or more consecutive work days of personal leave shall require the employee to provide the specific reason for the request. The denial of a personal leave request may be appealed to the Assistant Superintendent of Human Resources. Any appeal shall be

accompanied by documentation of the event for which the leave was requested. No more than two (2) advance notice personal leave days will be allowed in any one (1) week.

Personal leave, except in the case of an emergency, shall not be granted the day prior to or after vacation periods or holidays. Personal leave, except in the case of an emergency, shall not be granted on the day of parent-teacher conferences, open houses, curriculum nights, parent informational activities, in-service days, institute days, SIP days, nor during the first five (5) days of the school year or last five (5) days of the school year except for religious holidays; provided, however, that a personal day may be used by a teacher on the day of parent-teacher conferences, open houses, curriculum nights or parent informational activities so long as the teacher attends the required conference/open house, curriculum night or parent informational activity later that day. Examples of purposes not appropriate for personal leave include, but are not limited to, vacation, recreation, accompanying another individual on a trip, or extending a vacation or holiday period.

5.4 Court Appearances

- A. For a school-connected incident or matter, where a court appearance is required by the Board, a subpoena, or by court or law enforcement officials, there shall be no loss of salary or leave days. A copy of any subpoena or court order shall be submitted to the District in support of any claim for payment.
- B. For jury duty there shall be no loss of personal leave. A copy of a jury summons or other relevant documentation shall be submitted to the District.
- C. Family or personal court appearances must have pre-approval by HR during blackout periods to utilize personal days.

- 2. to protect the safety of a student or students; or
- 3. where the employee is the subject of a battery.

For the period of such absence, the Board shall pay the difference between the employee's salary and the amount received by the employee under the Illinois Worker's Compensation Act for temporary total disability. Nothing herein shall be construed as requiring an employee to break up a fight when the employee's safety is in danger. For purposes of safety and security, physical interaction is deemed to be the action of last resort.

5.6 Parental Leave

In addition to the use of sick days as provided in subsection C hereof, and any FMLA leave to which an employee is entitled, the Board may, in its discretion, grant parental leave without pay to full-time employees in the District.

Employees who are not eligible for FMLA leave and who are granted parental leave under this section may, for a period not to exceed sixty (60) workdays, continue participation in the District's insurance programs at the employee/employer contribution rates in the same manner as if the employee was actively working, to the extent permitted by the District's insurance carrier.

Any employee on an approved leave pursuant to this section, after exhausting any FMLA leave, may participate in the District's available insurance programs as provided herein. The full monthly premium, which is the total of the portion of the premium previously paid by the employee and the amount paid by the District, is payable to the District by the employee as provided herein except the first month of participation shall require an employee to pay one (1) full month's premium in advance. It will be the responsibility of the employee to deliver to the benefits facilitator, on or before the 15th day of the month preceding the onset of the leave, a check payable to the District in the full amount of one (1) month's premium, for the following month. Thereafter, on or before the 15th of each month a check for the full amount of the premium must be hand delivered and receipted, or sent U.S. Mail certified return receipt, postmarked on or before the 15th of the month. Subsequent failure to pay the required monthly premium shall constitute a thirty (30) day notice of cancellation of insurance coverage.

No later than fourteen (14) calendar days prior to the scheduled termination of any leave in excess of sixty (60) days, the employee shall notify the Assistant Superintendent of Human Resources in writing of his/her intention to return to employment. Failure to provide such notification shall be deemed a submission of resignation from employment in the district effective at the end of the leave. In addition, such leave is subject to the following conditions:

- A. All such leaves shall be for a fixed period with specific beginning and ending dates not to exceed one (1) calendar year in duration. The length of such leaves shall be mutually agreed upon by the employee and the administration provided the termination of such leave during the school year shall be non-precedential. The duration of the leave shall take into consideration the continuity of instructional staff, support staff, instructional assistance, medical factors to the maximum possible degree, and the pertinent time factors related thereto. Every effort shall be made to have such leave terminate immediately prior to the start of a new school term.
- B. Requests to the Board for parental leave shall be in writing and made no later than thirty (30) calendar days prior to the date the employee is requesting the leave to commence.
- C. Accumulated sick leave shall be used during periods of pregnancy-related illness or disability, and during any periods of FMLA leave, but is not available during any other portion of the unpaid parental leave used for childcare or bonding.

5.7 FMLA/VESSA Leave

5.8 Other Leaves of Absence

The Board may grant a leave of absence without pay or benefits to an employee for a purpose it, in its discretion, deems appropriate and beneficial to the District for a period of up to one (1) school year upon such terms and conditions as Board may elect. The granting, withholding, or conditioning of such leave of absence shall be nonprecedential with respect to any other request for such leave by such employee or any other employee.

Notification of intention to return to the employ of the District from an unpaid leave of absence shall be made in writing to the Assistant Superintendent of Human Resources at least ninety (90) calendar days prior to the end of the school year preceding the expected return. Failure to notify the District, in writing, shall be deemed a resignation. Employees returning from an unpaid leave of absence shall be placed on the salary schedule at the same place they occupied at the beginning of the leave unless they shall have worked at least ninety (90) days of the current year. In the latter case, employees shall be granted a full year's credit on the salary schedule if the partial year of service started before the commencement of the leave. Employees returning from an unpaid leave of absence shall resume their duties only at the beginning of the school year unless otherwise recommended by the Superintendent and approved by the Board. Upon expiration of the leave and upon presentation of evidence satisfactory to the Board manifesting compliance with the conditions of the leave, the employee shall be returned to a position within the District, however, not necessarily at the same building and/or position formerly occupied.

The Board may designate a representative to be present during any review of the personnel file by the employee. The employee shall have the right to be furnished a copy of any or all material, at their expense if requested.

Neither an employee's file nor any of its contents shall be copied or otherwise made known to other persons without the employee's permission either during or after their service in the District, provided, however, that such a file shall be available to the Board, the Superintendent or designee, and the employee's principal or immediate supervisor to whom they are responsible, and shall be otherwise disclosed pursuant to law.

- b. Written reprimand
- c. Suspension without pay (notice to be given in writing)
- d. Discharge/termination (notice to be given in writing)

The Board reserves the right to initiate discipline at any level if the circumstances warrant. Generally, job performance issues will be addressed through the evaluation process.

C. Notice and Documentation

In the event of a suspension or discharge, the employee shall be provided with a written statement of the reason(s) for the action. The employee shall have the opportunity to review their personnel

file with a representative, if requested.

D. Evidence and Opportunity to Respond

Upon request of the Union, the District shall disclose evidence supporting proposed disciplinary action and provide copies of documentation in its possession, to the extent not restricted by applicable law.

E. Review by Assistant Superintendent of Human Resources

An employee who receives discipline may submit a written request to meet with the Assistant Superintendent of Human Resources to review the decision within ten (10) calendar days of receiving notice of the discipline.

The meeting shall be held as promptly as possible, but in no case later than fifteen (15) calendar days after receipt of the request. The employee shall have the right to Union representation and to present information, arguments, and witnesses.

Any recommendations resulting from this review shall be communicated in writing to the Superintendent and the employee.

F. Board Review / Closed Session

Employees who receive discipline of suspension or discharge may request review by the Board, or a committee thereof, by submitting a written request within ten (10) calendar days of the determination. Such review may be conducted in closed session in accordance with applicable law.

In lieu of Board review, employees may elect to proceed through the grievance procedure, where applicable.

B. As used herein, "days" means calendar days unless otherwise specified.

8.2 Statement of Basic Principles

- A. Every employee covered by this Agreement shall have the right to present grievances in accordance with these procedures, with or without representation. Nothing contained in this Article or elsewhere in this Agreement shall be construed to prevent any individual teacher from discussing a problem with the Administration and having it adjusted without intervention or representation of organization representatives, provided that the Union has been given the opportunity to be present at such adjustment.
- B. An employee who participates in these grievance procedures shall not be discriminated against and shall not be subjected to discipline or reprisal because of such participation.
- C. The failure of a grievant or the Union to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step.
- D. The Union will be notified of the final disposition of the grievance within ten (10) calendar days.
- E. Conferences under this procedure shall be conducted at a time and a place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend and will be held, insofar as possible, after regular school hours or during non-teaching times of personnel involved. When such hearings and conferences are held, at the option of the Superintendent, during school hours, all employees whose presence is required shall be excused with pay, for that purpose.
- F. It is agreed that any investigation or other handling or processing of any grievance by the grieving employee or the Union representatives shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the employee.

8.3 Procedures for Adjustment of Grievances

Informal Conference

A complaint shall first be discussed with the object of resolving the matter informally.

First Step

The aggrieved employee and a representative of the aggrieved, as desired, shall file the grievance in writing at the first step within twenty (20) calendar days from the date of the occurrence of the event giving rise to the grievance. The written grievance shall state, but not be limited to, the nature of the grievance, the clause or clauses of the Agreement allegedly violated, and the remedy requested. The principal or appropriate administrator will arrange for a meeting to take place within ten (10) calendar days after receipt of the grievance to discuss the matter. The principal or Assistant Superintendent of Human Resources, or designee, shall make a decision on the grievance and communicate it in writing to the employee and the Superintendent or designee within ten (10) calendar days.

Second Step

In the event a grievance has not been satisfactorily resolved at the first step, the aggrieved employee shall file, within ten (10) calendar days of the principal or appropriate administrator's written decision or answer at the first step, a copy of the grievance with the Superintendent or their designee. The aggrieved employee shall send a copy of such grievance to the Union President. Within ten (10) calendar days after such written grievance is filed, the aggrieved, a representative of the aggrieved, as desired, and the Superintendent or their designee, shall meet to resolve the grievance. The Superintendent or their designee shall file an answer within ten (10) calendar days of the second step grievance meeting and communicate it in writing to the employee, the principal or administrator, and the Union President. The employee, upon request to the Union may have a Union representative present.

Third Step

If the grievance is not resolved satisfactorily at Step Two, the Union may, within ten (10) calendar days of receipt of the Step Two response, submit a written request for a hearing before the Board. The hearing shall be conducted in closed session, in accordance with applicable law, and shall occur within the next two (2) regularly scheduled Board meetings. The Board, or its designee, shall provide a written response within ten (10) calendar days following the hearing.

Fourth Step – Arbitration

If the grievance is not resolved satisfactorily at Step Three, the Union shall submit a written demand for arbitration to the Superintendent and the Federal Mediation and Conciliation Service within thirty (30) calendar days of receipt of the step two answer. In the event of a termination of a Support Staff employee or an Office Staff employee pursuant to Sections 17.1 or 22.1 of this Agreement, and who has elected to proceed with arbitration as provided therein, the Union shall submit a written demand for arbitration within ten (10) calendar days of the determination to the Superintendent and the Federal Mediation and Conciliation Service. The Union shall request the Federal Mediation and Conciliation Service to issue a panel of arbitrators and their qualifications and experience. In the event the Federal Mediation and Conciliation Service (FMCS) ceases to exist or is no longer available, the parties shall meet to select a mutually agreeable alternative arbitration service. The arbitrator shall be selected in accordance with FMCS rules, with the first strike determined by lot. The arbitrator selected shall be jointly notified of their selection and requested to contact the parties with respect to setting up a time for a hearing. If the demand for arbitration is not filed within thirty (30) calendar days of the date for the step two answer, then the grievance shall be deemed withdrawn.

The arbitrator, in their opinion, shall not amend, modify, nullify, ignore, or add to the provision of the Agreement. Their authority shall be strictly limited to deciding only the issue or issues presented to them in writing by the Board and the Union, and their decision must be based solely upon their interpretation of the meaning or application of the express relevant language of the Agreement. The arbitration shall not make any award void or prohibited by law, statutory, or decisional.

Each party shall bear full costs for its representation in the arbitration. The cost of the arbitrator and the FMCS shall be divided equally between the Board and the Union (or employee).

If either party requests a transcript of the proceedings, that party shall bear full cost of that transcript. If both parties order a transcript, the costs of the two transcripts shall be divided equally between the Board and the Union (or employee).

8.4 Bypass to Superintendent

If the Union and the Superintendent agree, Step One of the grievance may be bypassed and the grievance brought directly to Step Two.

Employees will be reimbursed at a rate not to exceed two hundred dollars (\$200) per semester (credit) hour, up to a maximum of nine (9) semester (credit) hours per year.

Courses for an ESL endorsement that receive partial reimbursement through the bilingual department shall remain eligible for reimbursement under this Section, provided the total reimbursement from all sources does not exceed the cost of tuition.

D. Reimbursement Procedures

Employees must follow the District's established process for reimbursement, including submission of official transcripts and itemized proof of payment.

The District shall confirm receipt of reimbursement applications and process complete and accurate submissions in accordance with established timelines. Incomplete or inaccurate submissions will be returned to the employee for correction and resubmission.

Reimbursement shall be issued only for coursework in which the employee earns a grade of "A" or "B" or receives a PASS in a PASS/FAIL course.

The employee must have paid the tuition at their own expense. Courses taken through a tuition waiver shall not be eligible for reimbursement.

9.12 Retirement Incentive

The District shall offer a retirement incentive program applicable to all bargaining unit members, including Teachers, Support Staff, and Office Staff.

A. Definitions

For purposes of this Section, the following definitions shall apply:

Base Year – The last full work year immediately preceding the first Notice Year. The Base Year establishes the employee's creditable earnings upon which the retirement incentive increases will be calculated.

Notice Years – The one (1) to four (4) work years between the Base Year and the employee's retirement from the District, during which the employee receives the retirement incentive benefits described in this Section.

Creditable Earnings – Earnings recognized by the applicable retirement system (TRS or IMRF) as creditable, including creditable earnings from the District and, where applicable, from other employers, for the performance of duties in the work year immediately preceding the first Notice Year, to the extent required for compliance with TRS or IMRF regulations.

B. Eligibility

Employees shall be eligible to participate in the retirement incentive program if they:

- Have completed at least ten (10) consecutive years of full-time service in the District as of the date of retirement; and
- Are eligible to retire under the applicable retirement system, including the Illinois Teachers' Retirement System (TRS) or the Illinois Municipal Retirement Fund (IMRF), as applicable to their position; and
- Submit a written notice of intent to retire in accordance with the timelines set forth below.

C. Notice of Intent to Retire

Employees seeking to participate in the retirement incentive program must submit a written notice of intent to retire to the Superintendent or designee no later than April 1 of the employee's Base Year.

Once approved, the employee's retirement date shall be binding and may not be rescinded. An employee may request to accelerate the retirement date, subject to approval by the Board.

Once an employee's notice of intent to retire is approved under this Section, the employee shall be entitled to the retirement incentive benefits set forth herein, and such benefits shall not be reduced or eliminated by any subsequent collective bargaining agreement.

D. Retirement Incentive Benefit

Eligible employees shall receive a retirement incentive consisting of:

- An annual increase of six percent (6%) to the employee's creditable earnings, as defined above, for each Notice Year, up to a maximum of four (4) Notice Years; and
- A non-creditable post-retirement payment of five hundred dollars (\$500) for each Notice Year worked, payable no earlier than sixty (60) days following the effective date of retirement.

The six percent (6%) increase shall be calculated based on the employee's Base Year creditable earnings and applied in each Notice Year, subject to applicable TRS or IMRF limitations. The six percent (6%) increase shall be paid over the employee's regular pay periods. This increase is in lieu of any other raise, step or other creditable earnings increase the employee may otherwise have been entitled to receive under this Agreement or any successor agreement.

The District shall consider applicable creditable earnings, to the extent required for compliance with TRS or IMRF regulations, as applicable. Under no circumstances shall the retirement incentive exceed an amount under which the District would be assessed an excess cost contribution (penalty) under TRS or IMRF, as applicable. In the event of changes to applicable law or retirement system limitations, the retirement incentive shall be adjusted as necessary to maintain compliance.

E. Pipeline Retirement Expectations

Employees who provide advance notice of retirement and enter the Notice Years ("pipeline retirees") are expected to maintain duties and responsibilities consistent with those performed during their Base Year, including any additional assignments contributing to creditable earnings.

If such duties are no longer available, or upon mutual agreement between the employee and the District, duties may be modified or replaced with assignments of equivalent value.

Failure to fulfill the duties and responsibilities required under this Section shall result in the loss of eligibility for the retirement incentive.

Employees may not increase compensation through additional duties or assignments beyond those agreed upon for purposes of enhancing retirement benefits. Under no circumstances shall compensation increases exceed the six percent (6%) annual limit.

F. Program Administration

This retirement incentive program shall apply to all eligible employees across bargaining groups and shall be administered in a consistent and non-discriminatory manner.

SECTION 2: TEACHERS' PROVISIONS

ARTICLE X: CONDITIONS OF EMPLOYMENT

10.1 Workday

- A. The workday for teachers shall be seven (7) and one-half (0.5) hours in length, grade level times as follows: (PreK) 7:45 am – 3:15 pm, (K-5) 8:15 am - 3:45 pm, (MS & FRMA) 7:15 am – 2:45 pm, (HS) 7:55 am – 3:25 pm, which time shall include a duty-free lunch period of no less than thirty (30) minutes. For school psychologists and school social workers, the duty-free lunch period shall be scheduled by the building principal. During times when other teachers are assigned to instruct their students, classroom teachers shall typically use such periods for planning, preparation, conferences or like activities.
- B. High school teachers will have seven (7) assigned periods which will include five (5) assigned instructional periods. One (1) period of the day shall be used for individual planning, preparation and/or other professional activities related to the school program and shall not be subject to regular assignment. One (1) period of the day shall be assigned as a duty period (not to be used for lunch supervision) to be utilized for either hall duty, study hall supervision, advisory period, sweep room, detention/suspension holding areas, and/or to assist individual students as the need may arise. No teacher shall be assigned to ISI supervision for a continuous period of more than one (1) semester.
- C. If a high school teacher is requested to and agrees to teach a sixth (6th) instructional period, they shall be compensated at one-fifth (1/5) salary. If a middle school teacher is requested to and agrees to teach a seventh (7th) instructional period, they shall be compensated at one-sixth (1/6) salary.
- D. Middle school teachers will have eight (8) assigned periods which include six (6) periods of instruction, and one (1) period for team professional collaboration which shall not be subject to regular assignment, and one (1) individual preparation period.
- E. Elementary teachers (K-5) will have eight (8) thirty (30) minute planning periods weekly. Planning periods shall be scheduled so that there should be at least one (1) planning period per workday. Planning periods should not be used for traveling to different buildings. All half day preK teachers will have a full plan period at the end of each day. A motor skills teacher (for gross motor skills) will provide a daily plan period for full-day preK teachers.

The District will make a good faith effort to review preK-12 bell schedules and explore the addition of elementary planning time. In addition to the planning time provided during the second scheduled faculty meeting of each month, and as a temporary measure until an alternative plan time structure is implemented, the first Professional Learning Community (PLC) late start Tuesday of each month at the elementary level shall be dedicated to teacher-directed planning time.

Elementary and middle school teachers, excluding birth-preK teachers, shall perform door duty supervision on a rotating basis. Door duty shall consist of up to ten (10) minutes before or after the student day. Door duty assignments shall be established in consultation with the building Safety Committee and shall be reviewed annually. Assignments shall be communicated to staff prior to the first instructional day of the school year. Door duty consists of monitoring students in the vicinity of building entrance points and does not include traffic control in parking lots or streets,

except as otherwise assigned for specific roles (e.g., special education staff at designated drop-off and pick-up locations). Administration will work with faculty and staff to accommodate absences. Itinerant teachers will perform door duty at their home school.

Certain thirty (30) minute preparation periods ordinarily provided to elementary teachers may be eliminated for those elementary teachers selected by the Board or Administration to teach overload classes. The elementary teachers selected to teach overload classes are hereinafter referred to as "Overload Teachers."

The Administration will seek volunteers for overload classes, but if the need arises because of no or insufficient volunteers, a lottery will be held of those teachers properly certified for the class or classes. In lieu of the eliminated preparation period, each Overload Teacher will be required to teach the overload class for which they have been selected/appointed. The thirty (30) minute preparation periods to be eliminated will be designated by each Overload Teacher's principal and may include any preparation period that would normally be provided before school, after school, or during the school day.

Each Overload Teacher will receive compensation for such additional teaching duties (i.e., teaching the overload class) based upon an hourly rate that is computed by dividing the individual teacher's per diem by the number of hours in the teacher's workday less the teacher's duty-free lunch period.

- F. An Ad Hoc Early Learning Committee shall convene prior to Summer 2026 to review Early Learning workloads, including preparation time. The committee may be reconvened based on audit results, Principal Consultant recommendations or requirements, changes to grant requirements, or as determined by the committee co-leads.
- G. On days with evening activities, the teacher's workday shall remain unchanged. All teachers shall be required to attend two (2) evening activities per school year, as designated by the building principal. One (1) of the required activities shall be Open House. The second required activity shall be a school-related event that may require planning and preparation. Examples of such events include, but are not limited to: curriculum nights, parent informational activities, STEM/math/reading nights, promotion or commencement ceremonies, freshman orientation, incoming sixth grade night, future Tomcat night, senior send-off events, or grade-level events. The principal shall provide at least thirty (30) days' notice of any required evening activity occurring on or after October 1. This Section does not include supervision of IHSA athletics or other District-sanctioned extracurricular activities.
- H. Teachers shall attend parent/teacher conferences as scheduled on the approved school calendar.
- I. Teachers may leave the building during their non-teaching period with notification to the appropriate administrator and/or designee. It is understood that Teachers may not exercise this prerogative for the purpose of shortening the workday.
- J. Non-Secondary and middle school counselors and instructional coaches may be required to work an extended contract of an additional five (5) days beyond the number of regular Teacher workdays. High School counselors and psychologists may be required to work an extended contract of an additional ten (10) days beyond the number of regular Teacher workdays.

Academic/Technology facilitators and Special Education coordinators may be required to work an extended contract of an additional twenty (20) days beyond the number of regular Teacher workdays. Such additional days shall be compensated on a per diem basis and must be scheduled by May 1 for the upcoming summer per diem days.

- K. References in this Agreement to "Middle School", may become obsolete if the Board, for economic or academic reasons, reestablishes a "Junior High" organizational structure for grades 6-8. Instructional, supervisory and preparation periods for teachers in these grades may, if necessary, be adjusted for the Junior High structure, provided the conventional workday described in Section 10.1 above is not extended without further negotiation.
- L. All teachers at the Fred Rodgers Magnet School Academy will follow the total instructional minutes of the middle school workday schedule.
- M. Special education teachers/case managers, school social workers, speech-language pathologists, and special education itinerant staff shall be provided release time for the purpose of completing Individualized Education Programs. Eligible employees shall have five (5) days per year when the scheduled date has been approved by the building principal and a substitute has been requested in advance. No more than two (2) consecutive days may be used without principal approval. The time may be taken only in increments of one-half (0.5) day or one (1) whole day at a time and not more than two (2) eligible employees per building per day may have such release time unless approved by the principal. Release time shall be completed in person; however, with prior approval, the work may be completed at an alternate District site.

10.2 Preparations

At the secondary level, it shall be the general practice to assign teachers no more than three (3) preparations.

Where it is necessary to assign more than three (3) preparations, such assignments shall be reasonable and equitable and in the best interests of the students' and teachers' needs. Such assignments shall be made in consultation with the teacher, and the following guidelines shall be the criteria for such assignments:

1. The interest, experience and training of the teachers.
2. The number of specific subject preparations and the number of ability levels within the specific subjects.
3. The nature of the subject taught in terms of time needed for preparation, method of evaluation, handling of special equipment and apparatus, and handling of materials and supplies.
4. Any teacher with four (4) or more preparations will be released from the duty period referenced in section 10.1.

10.3 Faculty Meetings/Professional Development Days

- A. Except in an emergency, the workday will not be extended more than twice a month for faculty meetings. Such meetings shall begin no later than fifteen (15) minutes after the normal student dismissal time and shall be no longer than fifty (50) minutes. Notification of such meetings shall be made at least forty-eight (48) hours in advance except in an emergency.
- B. At the elementary level, the second scheduled faculty meeting of each month shall be dedicated to teacher-directed planning time. Should a new bell schedule be implemented that provides additional elementary teacher planning time, the second faculty meeting may be reinstated upon mutual agreement of the parties.
- C. Inservice, school improvement, and institute days shall be as shown on the approved school calendar. In such cases, the workday shall not be extended past the regular workday.

10.4 New Teacher Orientation and Mentorship

Newly hired licensed employees may be required, as a condition of employment, to attend up to four (4) days of orientation prior to the start of the school year. In addition, newly hired licensed employees may be required to participate in up to the equivalent of two (2) additional workdays, which may be scheduled across meetings, workshops, and professional development sessions related to new educator support (e.g. NEST). There shall be no additional pay provided for these days, and they are separate from any mentor/mentee meeting expectations.

The District shall maintain a mentoring program for newly hired licensed employees. Mentors shall be selected by the Administration based on qualifications and program needs. Employees serving as mentors shall receive a stipend of one thousand three hundred dollars (\$1,300) for the school year, which includes participation in required mentor orientation and support activities. This stipend shall be prorated in the event of a mid-year start or end to the mentoring assignment.

10.5 Substituting

- A. Should it be necessary for a teacher to teach, perform administrative duties, or supervise students during their planning time, or when students are placed in a teacher's class due to the unavailability of a substitute teacher, and the teacher is required to assume responsibility for those students for twenty-five (25) minutes or more, such teacher shall be compensated at the internal substitution rate as noted below. Rates below are per elementary planning period or per middle and high school instructional period. When compensation is triggered due to additional students being assigned to a teacher's class, the rate shall be applied on a prorated hourly basis.

2026-2028	\$43.00
2028-2030	\$44.00

When multiple preK or elementary teachers are assigned additional students under these circumstances, an hourly rate of \$60.00 shall be divided equally among the affected teachers. The District will make a reasonable effort to secure substitute coverage prior to assigning students to other classrooms.

10.6 Assignments and Transfers

Teachers shall be notified in writing no later than ten (10) days before the last day of school of a change in their assignment(s) for the following school term, as to grade level, school and/or subject area. If notice of a change in assignment occurs later, the Teacher may transfer to any open position within the District for which they are qualified, with approval from the receiving principal. If a change in assignment is necessitated after August 1 the Teacher may, upon two (2) weeks prior written notice, resign without penalty.

The administration will attempt to avoid involuntary transfers. In the event of an involuntary transfer, upon the request of the Teacher, the Superintendent or designee and the Teacher shall meet to discuss the reasons for such transfer.

Teachers who are transferred between buildings, whether voluntarily or involuntarily, shall receive a one-time payment of \$300.00 for the purpose of reimbursing reasonable, job-related expenses associated with the transfer.

Vacancies shall be posted for a minimum of five (5) working days, or three (3) working days in the event the vacancy is created within fourteen (14) days prior to the start of school. As used herein, vacancy shall be any permanent full-time position which has been newly created or that becomes vacant because the employee holding that position has left the District or bargaining unit. Any employee interested in the position may apply.

Internal applicants who meet the minimum qualifications for a posted position shall be granted an interview. All internal applicants shall be notified of the outcome of the selection process.

An application made prior to the fifth student attendance day will require the approval of the receiving principal/supervisor. Applications made after the fifth student attendance day require the approval of both the sending and receiving principal/supervisor.

10.7 Vacancies

The Superintendent and/or designee shall post notice of all vacancies via email blast to all staff as they occur on the District website, and send copies to the Union President. No vacancy, except in case of emergency, shall be filled on a permanent basis until such vacancy shall have been posted for at least five (5) working days.

A vacancy shall be any full-time position which has been newly created, or newly approved, remains unfilled for more than thirty (30) school days, or that becomes available because the employee holding that position has left the position (except where the Teacher is on an approved leave).

In an emergency situation, the required posting time for vacancies shall be 1-3 (one to three) working days, rather than 5 (five) working days. An emergency situation is defined as a situation in which a vacancy occurs within ten (10) days prior to the start of the school term, or during the school term.

10.8 Student Grades

The responsibility and prerogative for assigning grades to students typically rests with the classroom teacher. The Administration shall not change any grade recorded by a teacher without written notice to said teacher and written notice to the parent indicating that the grade was assigned by the Administration.

10.9 Reporting Absence

In addition to any school building internal procedure, anticipated absences by a Teacher from work shall be reported by way of the online substitute management system implemented by the District. Absences shall be reported at least one and a half (1.5) hours before the start of the Teacher's contractual workday. In an emergency situation where the absence cannot be reported at least one and a half (1.5) hours before the start of the Teacher's contractual workday, the absence shall be reported as soon as possible. Emergency absences needing to be reported, or otherwise not able to be reported using the District's online substitute management system, shall be reported to the school's principal, or designee.

10.10 Class Materials and Use of Building Equipment

Each Teacher shall receive an annual allowance of \$250 for use toward the purchase of instructional resources and classroom basic supplies. This allowance will be issued automatically on the December 15 pay period as non-creditable earnings under TRS guidelines. Teachers whose start date falls after the December 15 payroll processing period shall receive the \$250 allowance on the February 15 pay period.

Each special education resource co-teacher shall receive teacher copies of all materials used by the general education teacher. In addition, resource co-teachers shall have a desk in a secured area where confidential records can be stored.

10.11 Lesson Plans

Teachers will provide to their building administrator, within one (1) workday of each request, lesson plans for a designated previous date, or a date that falls within the current work week. The plans may be submitted in either electronic or other District-wide software program, or hard copy format at the teacher's discretion. Emergency lesson plans shall be submitted within the first ten (10) days of the school year. Teachers shall maintain a bank of three (3) days of emergency lesson plans. After any emergency lesson plans are used, within two (2) workdays of returning to work the teacher shall replenish the emergency lesson plans that were used. Prior to beginning a planned leave of five (5) or more workdays, a teacher shall provide five (5) days of lesson plans for use by the substitute teacher.

The lesson plans to be submitted shall contain the categories Objectives/Standards, Procedure/Agenda, Resources, and Assessment. School psychologists, school social workers, speech-language pathologists, itinerants, coordinators, facilitators, school counselors, and other clinicians will provide weekly schedules with predicted outcomes in lieu of lesson plans.

ARTICLE XI: EVALUATIONS

The evaluation of licensed employees shall be governed by the District's Performance Evaluation Plan developed and maintained by the PERA Joint Committee in accordance with the Illinois School Code [105 ILCS 5/24A-1 et seq.]. The Administration shall provide each licensed employee with access to the District's Performance Evaluation Plan no later than the first day of student attendance each school year. Licensed employees shall receive a copy of any formal evaluation and may submit a written response, which shall be attached to the evaluation and included in the employee's personnel file. Professional Development Plans and Remediation Plans shall be implemented in accordance with applicable law and the District's Performance Evaluation Plan. The evaluation process, including evaluation procedures and ratings, is not subject to the grievance procedure set forth in this Agreement, except to the extent required by law.

ARTICLE XII: SENIORITY

12.1 Seniority

Seniority shall be defined as the length of continuous service (including scheduled breaks and authorized leave) within the Teacher's bargaining unit. Said service shall be computed from the first day of current uninterrupted employment within the unit. The "first day" shall be defined as the day upon which duties are first performed. Seniority credit will not accrue during any leave-of-absence without pay in excess of ninety (90) workdays. Employees who are promoted or work out of the Teacher bargaining unit for up to ninety (90) workdays and subsequently return to the Teacher bargaining unit without a break in service in the District shall have their seniority computed from their first day of original employment.

Employees who transfer into the Teacher bargaining unit shall not retain prior accrued seniority; provided, that if the employee is subsequently laid off from the Teacher bargaining unit the employee may return to his or her prior bargaining unit with seniority restored to the date the employee originally transferred.

The parties acknowledge that where it is necessary to reduce the number of Teachers in the District, it is desirable that such reduction be accomplished through attrition if possible, rather than by lay-off.

12.2 Reductions-in-Force and Seniority

Reductions-in-force shall be accomplished in accordance with the applicable provisions of the Education Reform Act, revising Section 24-12 of the School Code, effective June 13, 2011. Seniority for purposes of reduction-in-force shall be computed from the date of Board approval or date services began, whichever date is earlier. Seniority shall be terminated upon resignation by the Teacher or termination of their services (provided seniority is not to be extinguished during the recall period arising following a reduction in-force). Seniority shall not be affected by any leave of absence, but unpaid leaves of absence in excess of ninety (90) workdays in any one (1) school year shall not be included in the computation of seniority, and the Teacher's seniority date shall be adjusted as follows: the seniority date will be moved forward one (1) calendar year. Note: unpaid leaves of less than ninety (90) workdays in any one (1) school year shall not affect a Teacher's seniority date.

12.3 Seniority - Breaking of Ties

In the event of equal seniority in the District, ties shall be broken according to:

1. Highest degree earned.
2. Number of graduate hours obtained.
3. Length of service in public education.
4. Availability to participate in non-academic programs.
5. By lot.

ARTICLE XIII: LEAVES

13.1 Professional Conferences

Upon the discretion and approval of the Superintendent or designee, Teachers shall be allowed to attend professional conferences and pre-approved expenses for food, lodging, and travel will be reimbursed. Itemized paid receipts for all expenses claimed shall be turned into the Administration before reimbursement is approved.

13.2 Parental Leave

Probationary Teachers requesting parental leave are advised that for the purposes of determining contractual continued service, a school term shall be counted only toward attainment of contractual continued service if the Teacher actually teaches or is otherwise present and participating in the District's or program's educational program for one hundred twenty (120) days or more, provided that the days of leave under FMLA taken by the Teacher until the end of the school term shall be considered days of teaching or participation in the District's or program's educational program, and shall only be deemed a break in service as provided in Section 24-1.5 of the School Code.

13.3 Sabbatical Leave

Sabbatical leaves may be granted in accordance with Section 24-6.1 of the Illinois School Code. The purpose of this clause is to contribute to the improvement of the quality of education in the schools of this District by aiding individual professional development through the granting of sabbatical leave time. Inasmuch as leaves will be granted only for those activities deemed beneficial to the program of the system, except as provided in subsection I. hereof, a partial payment of salary during the leave period is considered reasonable and justifiable under the following conditions.

- A. Application for sabbatical leave may be made by any certificated person who will have completed six (6) continuous years of employment in this District prior to the commencement of the leave. Such leave shall be for a period of at least four (4) school months, but not in excess of one (1) school term. A second sabbatical leave may be granted only if the applicant has completed six (6) years of satisfactory service since their last sabbatical.
- B. The application should reach the office of the Superintendent not later than ninety (90) days before the leave period is to begin. Each application will be evaluated by the Superintendent and such

other persons as they may desire to involve in the decision, on the basis of its merits and its value to the school system. Certain limiting factors, such as the availability of suitable substitutes and of budget funds, must also be considered in each case.

- C. Applications for sabbatical leaves may be submitted for any of the following reasons or any combination of these reasons:
 - a. Training - This must be resident study. The equivalent of twelve (12) semester hours per semester of college level coursework is a minimum.
 - b. Planned program of professional development - research, writing, similar activities.
 - c. Travel - a planned program of educational travel having a direct relationship to the individual's assignment within the system.
 - d. Other purposes which, in the opinion of the Superintendent and the Board, are designed to improve the school system.
- D. The employee shall submit evidence of professional development at the conclusion of the sabbatical leave period. This may be in the form of written reports, course credit, certification of performance or other means as recommended and approved by the Superintendent.
- E. The employee shall receive the same scheduled salary (excluding stipends, if any) during the leave period as if in actual service, except that there shall be deducted therefrom an amount equivalent to the amount payable for substitute service. However, such salary after deduction for substitute service shall in no case be less than the minimum provided by Section 24-8 of the Illinois School Code or one-half (0.5) of the basic salary, whichever is greater.
- F. The person on leave shall not engage in any activity for which salary or compensation is paid unless the activity is directly related to the purpose for which the leave is granted and is approved by the Board. A sabbatical leave may be granted to enable the applicant, if otherwise eligible, to accept scholarships for study or research. Unless justified by illness or incapacity, failure of any person granted a leave under this section to devote the entire period to the purposes for which the leave was granted, shall constitute a cause for removal from teaching service.
- G. The sabbatical leave period shall be counted as equivalent to teaching service and credit allowed for salary determination purposes.
- H. Failure to return to the school system for at least three (3) school years after this leave shall result in reimbursement to the District of all sums of money received by the employee from the Board during their sabbatical leave, unless such return and performance is prevented by illness or incapacity. This condition shall be secured by note or bond which shall be canceled in the event of death or permanent disability.
- I. Notwithstanding anything to the contrary in this Section 13.5, or in Section 13.6 of this Agreement, the following modifications shall govern a sabbatical leave granted to Teachers accepted into a U.S. Department of Education funded Illinois Partnerships Advance Rigorous Training project ("IL-PART") with North Central College or other approved District/University partnership:
 - (i) the Teacher must have entered into contractual continued service in the District but need

not have completed six (6) years of continuous years of employment in the District;

- (ii) the Teacher shall receive their full salary and benefits during the term of the sabbatical leave;
- (iii) during the Teacher's internship the teacher may participate in the evaluation process for other certified staff, but such teacher's participation or input shall not be used in the summative evaluation for any certified staff.
- (iv) the Teacher shall not be required to return to employment in the District upon completion of the Program unless such Teacher is offered a position in the District for the school term following the completion of the IL-PART Program as a Principal, Assistant Principal, or Administrator.

Final approval of the application for sabbatical leave shall be by the Board and only upon recommendation by the Superintendent. The plan for the sabbatical leave may not be modified without the approval of the Board.

13.4 Rights on Leave

Any Teacher on leave authorized by the Board shall be accorded the opportunity, if the carrier approves, to maintain at their expense the insurance benefits to which a Teacher would have been entitled were the Teacher regularly employed.

ARTICLE XIV: SALARY AND ADDITIONAL COMPENSATION

14.1 Salary Schedule

Teachers shall be paid in accordance with the following salary schedules:

Appendix A-1 - 2026-2027 Salary Schedule
Appendix A-2 - 2027-2028 Salary Schedule
Appendix A-3 - 2028-2029 Salary Schedule
Appendix A-4 - 2029-2030 Salary Schedule

Newly hired Teachers will generally receive the starting rate for the lane provided, however, a Teacher can be assigned by the Administration to a place on the schedule with a higher salary based on education or experience or for a position requiring a specified education and/or certification.

14.2 Schedule of Stipend Payments

Appendix D-2- Classification of Stipend Positions
Stipends shall be paid in accordance with the schedule set out in Appendix D-3.

14.3 Salary Schedule Advancement

Only coursework that has been pre-approved in accordance with Section 9.11 shall be eligible for

horizontal movement on the salary schedule. Coursework must be part of an accredited program and aligned to the criteria established through the approval process. Movement to an advanced lane will be implemented two (2) times per fiscal year with the first pay period after submission and processing of appropriate paperwork, which must be submitted to Human Resources by September 30 and February 15.

14.4 Summer School and Summer Camp Compensation

All Teachers employed to teach in the Summer School Program or conduct e-learning outside of the contractual work day shall be compensated at the rate of \$45.00 per hour. Summer camp for sports and fine arts shall be limited to no more than twenty-five (25) days or fifty (50) hours with the compensation for a Coach to be at the rate of \$28.00 per hour, and for an Assistant Coach to be at the rate of \$23.00 per hour.

14.5 Additional Compensation Rates

- 1. Outside of contractual hours PD, District meetings, and supervision \$31.00/hour
- 2. Summer curriculum writing \$38.00/hour

14.6 Sign-On Incentive for Hard-to-Fill Positions

The District may offer a sign-on incentive of up to two thousand dollars (\$2,000) for positions identified as hard-to-fill. Eligible positions shall be limited to those included on the high-need areas list jointly developed by the District and the Union and approved annually by the Board pursuant to Section 8.11.

Receipt of a sign-on incentive shall require a commitment to remain employed in the District in a full-time position for a period of three (3) complete school years. Employees who voluntarily separate employment prior to fulfilling this commitment shall reimburse the District for the full amount of the incentive received.

Current District employees who obtain an endorsement aligned to a high-need area and are selected for a position on the approved list may also be eligible to receive the sign-on incentive, consistent with this Section.

ARTICLE XV: CLASS SIZE

The District and the Union will strive to maintain class sizes at reasonable levels in order to deliver quality educational services and maintain expenditures at levels consistent with District resources. With these parameters in mind, annually on or about October 1 and February 15 the Superintendent shall take action to attempt to ameliorate class sizes in CORE courses (i.e., reading, math, science, and social studies) and the ENCORE courses of art, music, physical education, and technology exceeding the following thresholds:

Grade LevelsClass Size Thresholds

K-2

26

3-5

28

6-8

30

9-12

32

Additionally, in reviewing appropriate class sizes the Superintendent will take into account the subject taught, the physical limitations of the instructional area, and the composition of the class. Secondary Music and PE are exempt from the class size thresholds listed above, but shall be maintained at a safe and reasonable number based on the individual circumstances of each course.

Building administration shall schedule a meeting with any Teacher exceeding the class size threshold and their Building Representative within five (5) workdays of the October 1 and February 15 deadlines to discuss and implement appropriate relief. In the event an employee changes categories, previously earned seniority shall be applied to the new category for purposes of any reduction in force in the new category.

It shall be the responsibility of the Union to review the annual "Seniority List" and to advise the Assistant Superintendent of Human Resources in writing by February [or ten (10) days after the List is posted, whichever is later] of any claimed error or omission ("objection") in the List. The Assistant Superintendent of Human Resources shall review and consider any such objection and inform the employee of their decision within five (5) days. Within five (5) days of the Assistant Superintendent of Human Resources' decision, the employee may file a written appeal to the Board. The Board shall issue its decision prior to sixty (60) days before the end of the then current school term which decision is then final. Failure of the employee to make a timely objection shall be deemed as an acceptance of their placement on the seniority list. The employee shall be prohibited thereafter from challenging the employee's seniority in any category of position until the posting of a seniority list in the following school year.

B. Reduction in Force

1. If the Board decides to decrease the number of employees or to discontinue some particular type of educational support service, the Board shall first dismiss, within the respective category of position, the employee with the least seniority, provided, however, that in the event special qualifications and current evaluations for the employee exist for a particular position then a less senior employee may be retained over a more senior employee. In such event the more senior employee and the Union shall be notified of the reasons for retaining the less senior employee. The same factors shall also apply to a recall of employees. Employees who are removed or dismissed shall receive a written notice of honorable dismissal by certified mail, return receipt requested, in accordance with Section 10-23.5 of the School Code.
2. The Board and the Union agree that a decision of the Board to decrease the number of employees or to discontinue some particular type of educational support service shall be solely the decision of the Board.
3. If the Board has any vacancies for the following school term or within one (1) calendar year from the beginning of the following school term, the positions thereby becoming available within a specific category of position shall be tendered to the employees so removed or dismissed from that category of position, so far as they are qualified to hold such positions. The positions shall be offered first to the laid off employees with greater seniority.

To be eligible for recall, employees must notify the Board, in writing, within ten (10) calendar days of the Board's mailing of the notice of vacancy, or within five (5) calendar days of the employee's receipt of the notice, whichever shall first occur, of the acceptance of any vacant position offered to the employee during the recall period. The employee's failure to notify the Board of acceptance of any vacancy shall constitute rejection of the offer of employment. Any employee who rejects an offer of an available full-time position in any category of position in which they are qualified shall be deemed to have waived their recall rights under Section 10-23.5 of the School Code and will no longer be eligible for any other vacant position that becomes available during the recall period.

In the case of employees whose position is being eliminated within the respective classification by District seniority, the affected employee shall be allowed to displace or "bump" the employee with the least District seniority in the next lowest classification provided they are qualified for the position as determined by the authorized administrator in charge and the employee in the next lowest classification has less District seniority. If no one in the next lowest classification has less District seniority than the employee whose position was eliminated, then the employee shall have the right to a position in the next lowest subsequent classification in the same manner as described above until such time as a position is secured or all classifications are exhausted.

An employee displaced in the above procedure shall also have the right to a position in the manner as described above.

If the employee is released and recalled to a position within the time frame specified above, for the purpose of this section, it will not constitute a break in service and the employees will not

incur any loss in District seniority.

4. The creation of new categories of position shall be within the inherent managerial authority of the Board and the impact of the new categories shall be negotiated with the Union.

19.3 Staff Development

- A. Efforts shall be made by the Administration to increase opportunities for professional growth/skill improvement, within budgetary constraints. In the event the involuntary transfer occurs after the end of the school year then notice of such transfer shall be given to the employee by telephone and U.S. mail. In the event of an involuntary transfer, upon the request of the employee, the Assistant Superintendent of Human Resources, or designee, and the employee shall meet to discuss the reasons for such transfer. Employees who are involuntarily transferred to another position shall be returned to their original position if the original position becomes available or vacant, upon the earlier of: (a) hiring an employee into the new position; or (b) the end of the academic semester.

19.5 Vacancies and Transfers

Consideration will be given to advancing present employees to a higher job classification, giving them preference over applicants not currently employed by the District, when all other criteria are equal.

- A. All vacancies, newly created positions, or other positions covered by this Agreement shall be posted via email blast to all staff, and a copy sent to the Union President. At the completion of the evaluation, the employee shall be provided with a copy of the evaluation and shall have the opportunity to submit a written response, which shall be attached to the evaluation and included in the employee's personnel file. All other evaluation procedures and requirements shall be governed by the District's Evaluation Plan as developed and maintained by the Joint Evaluation Committee.

APPENDIX B (Continued): SPECIAL SALARY PROVISIONS

1. Any employee being paid above the maximum will be frozen until such time as the maximum pay rate exceeds the employee's rate.
2. Newly hired employees will generally receive the starting rate for the category. However, a higher rate, based on education or experience, may be assigned at the discretion of the Administration. In addition, a higher salary may be assigned by the Administration for other positions requiring a specified education and/or certification.
3. Support and Office Staff will be paid a longevity stipend as follows:

20+ Years	\$1000
15-19 Years	\$750
10-14 Years	\$500

Payments will be made on the September 15 pay period.

1. Support and Office Staff transferring to a new classification will retain accrued seniority and will be paid in the new classification commensurate with their existing salary step.
2. An employee demoted, transferred or reassigned to a lower category will be paid at their prior rate or the maximum for the lower category, whichever is less; provided, however, if such change in position to a lower category is due solely to the fact that the administrator to whom such employee was assigned is transferred or reassigned to a lower rated position, then the employee shall continue to be paid at their prior rate. In addition, the Board reserves the right, at its discretion, to maintain an employee at their prior rate if the employee is reassigned to a position in a lower category, regardless of any maximum for the lower category.

APPENDIX D-1: PROCEDURES FOR STIPEND POSITIONS

Postings & Appointment

Stipend positions shall be coordinated annually. All stipend positions shall be posted District-wide on the same platform used for other District positions for a minimum of five (5) calendar days prior to any external posting.

Bargaining unit candidates will be given first consideration for open stipend positions. Interested employees shall apply through the District's standard application process. In making a recommendation to the central office for appointment, the Principal, or designee, shall take into consideration experience and prior stipend assessments, if applicable. A screener/interview may be required for stipend positions.

Any bargaining unit employee receiving a rating of "excellent" or "proficient" on their stipend position evaluation shall retain that stipend position for the following year, provided the position continues to exist. Individuals who are not District employees and who hold only a stipend position with the District shall be released at the conclusion of the activity, and such positions shall be reposted annually.

Initial Placement

An administrator (principal/designee) shall establish the level for which an individual sponsor is eligible based upon documented experience and preparation, consistent with the following:

- Athletics (IHSA): Experience in the same sport shall be credited for placement.
- Clubs/Activities: Experience in the same or similar activity shall be credited for placement.
- Internal District experience shall be recognized for placement purposes.
- For club/activity positions, prior experience in any District club or activity shall count as one (1) year of experience when placing an employee into a new club/activity position.
- For athletic positions, prior experience in any District club or activity shall count as one (1) year of experience when placing an employee into a new athletic position.
- In the case of a stipend position where an assistant coach is promoted to head coach, the step determination shall include all stipend experience within the same sport then placed at the next highest step compared to current pay.

All sponsors/coaches will begin a new position in the appropriate classification as determined by Section 14.2 of this Agreement. No sponsor may hold two (2) or more stipend positions (as listed on Appendix D-2) where any part of the position requirements overlaps or have conflicting meeting times.

Evaluation

All employees receiving a stipend payment shall be evaluated annually (Appendices D-5, D-6, and D-7) within two (2) weeks after the conclusion of each stipend position activity using the District's online evaluation system. Where applicable, the evaluation of an employee's regular assignment will serve as a job-embedded evaluation of stipend responsibilities.

Failure to meet performance expectations, as documented through the evaluation process, may result in non-reappointment to the stipend position. If an employee is at risk of losing a stipend position due

to performance, the District shall provide a documented stipend evaluation using an established rubric and written notice of concerns.

The Joint Stipend Committee shall review stipend evaluation rubrics and processes, with a goal of implementation no later than the end of the 2026-2027 school year for use in the 2027-2028 school year.

Joint Stipend Committee

The Joint Stipend Committee, established in accordance with Section 2.11, shall be responsible for reviewing and making recommendations regarding the creation, elimination, and reclassification of stipend positions. The Committee shall develop clear guidelines for stipend positions, including criteria for Wild Card stipends. All recommendations of the Committee shall be submitted to the Board for approval.

Wild Card

1. To propose a Wild Card Stipend position, an employee shall submit a stipend position proposal (Appendix D-4) in accordance with District procedures, plus the compilation of a list of interested student signatures (15 for a classification A and 20 for a classification B).
2. Consideration for Wild Card choice is aligned with areas such as school improvement goals, socio-emotional standards, student safety and enrichment.
3. A screener/interview process takes place to secure the building choice.

Other Provisions

Certain stipend positions are job-embedded and are intended to compensate employees for duties associated with their assigned position that are performed outside of the regular workday, including, but not limited to, performances, events, and other related responsibilities.

All candidates for athletic coaching positions must meet all certification requirements as required by the District in Policy 5:280, including, but not limited to, (i) demonstrated knowledge regarding coaching principles, (ii) training on first aid, (iii) training on use of Automated External Defibrillators, requirements as noted in applicable IHSA Guidelines, and any other certification requirements as may be required from time to time by the IHSA or the District.

If a non-District employee is offered a stipend position, they must complete a fingerprint criminal history background check and any additional District employment requirements.

For payments to a person whose only services are for a stipend activity, then they shall be paid not less frequently than half of the stipend halfway through the activity and half on completion. If one employee takes over for another employee during the school year (due to extenuating circumstances), the amount will be divided equally among the remaining pay periods ending June 30 of that school year.

Stipend compensation must be submitted electronically in accordance with District procedures.
