Over to you!

Prepare a presentation/story map/podcast to share on **ONE** of the following topics for your first lesson back:

1. Geography is....
2. My local area is....
3. The most at risk country is...
4. Geopolitically contested area are....

There are no right or wrong answers! You can't Google the 'perfect' answer. This about you, as an A Level student, thinking like a Geographer! Research the area you are interested in and then put together a presentation that suits you.

Good Practice	• You will need two folders for Geography with four dividers in each. • The more you read, the better you'll do. • Homework deadlines are non-negotiable. Late work will be marked at the discretion of your teacher. • Lesson materials will be sent via the VLE/OneNote and the department site has additional stretch and challenge materials.

"Geography is a living, breathing subject, constantly adapting itself to change. It is dynamic and relevant. For me geography is a great adventure with a purpose."

-Michael Palin
