What is ECFE?

Early Childhood Family Education (ECFE) is a statewide program in Minnesota that gives children and families the tools they need to thrive. Our classes and sessions are designed to help with the things that matter most:

- Individual attention time with parents/caregivers and their children to help strengthen bonds
- Playful learning time to help children with their next phase while minimizing separation anxiety
- Parenting discussion time for parents and caregivers to talk about their parenting joys, hopes and questions

Being a part of ECFE is easy. We're close to you, and our flexible sessions are built for busy families. **GROW TOGETHER WITH ECFE**
