

July 2026

Dear Parents, Guardians, and Students:

Welcome back for another great MVCTC school year! My name is Jordan Greve, and I am the Food Service Director for Northmont City Schools. Northmont Food Service operates the cafeteria facilities at the MVCTC. If you have any questions or concerns regarding food service, please feel free to call our office at 937-832-5055. Have a great 2026-2027 school year!

- **What is the price of the school meals?** Meal prices are **\$2.10 for breakfast (free for reduced-price students) and \$3.35 for lunch (free for reduced-price students)**. MVCTC students have numerous breakfast, lunch and à la carte options daily. To review our menus go to [My School Menus](#).
- **How do I pay for school meals?** Parents can access [PaySchools Central](#) to manage all of their children's account information, view transaction history, set up recurring payments, create spending limits/restrictions, set up low-balance alerts, apply for free/reduced priced meals, and more. We highly encourage parent interaction with this payment software (**choose Northmont City Schools as the school district**). Money can still be added to a student's account through cash or check in person in the cafeteria.
Please note: If you already have a PaySchools account for your child or other children at your partner school district, or for Northmont Food Service for lunch accounts, you will need to create a new PaySchools account for MVCTC using a different email address for student fees.
- **What if I have low-funds on my account?** According to the school's charging policy, students **will not** be allowed to charge any items in the cafeteria. Parents can subscribe to low-balance notifications through PaySchools Central.
- **How can I qualify for financial assistance?** If you need help with meal costs, you can complete a Free and Reduced-Price School Meals Application. An application can be completed online through [PaySchools Central](#). Please follow these [instructions](#) found on the MVCTC website to submit an application. If you do not have access to a computer, please contact your principal's office for a copy. Complete the application and return it to Northmont Food Service, 7277 Hoke Road, Englewood, Ohio 45315 **or** give it to the MVCTC Cafeteria Manager. **Each application will be reviewed and an eligibility determination will be made within 10 working days upon receipt of the application. Notification will be sent through email if provided or mail.** Children who do not attend MVCTC should be listed as a member of the household on the application - you will also need to complete a separate meal application for that student with the school district they attend. If you need help with this application, please call 937-832-5061. **(Please note: The Free/Reduced Fee Waiver does not apply to MVCTC students.)**

Sincerely,

A handwritten signature in black ink, appearing to read "Jordan Greve".

PaySchools Central at www.payschoolscentral.com is a central cloud-based hub for all parent payment activities including school meal payments and PaySchools QuikApps. Parents can access PaySchools Central with a computer, tablet, or phone. Manage all your children's accounts and fees in one place! Additional information is available on our website at www.northmontschools.net.

Northmont is using PaySchools QuikApps which allows parents to access their free and reduced-price school meals application through their PaySchools Central account!

- A secure step-by-step portal
- One simple, automated online application
- Find out immediately if your children qualify
- All information is secure and private
- Fill out the application on your phone, tablet, or computer
- Is fully English-Spanish bilingual

FOOD ALLERGY POLICY

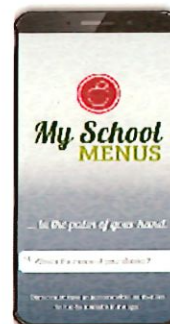

A copy of our Food Allergy Policy and printable form are available at www.northmontschools.net. If your child has a life-threatening food/milk allergy, please have your physician fill out the form and return it to the Food Service Department.
