

WELCOME! We are so glad you have joined the Rams Team for 7th grade!! If you are new to Linglestown Middle, welcome! If you are returning, we welcome you back! Here is some basic information about our team.

Behavior Expectations:

For ALL classes: Follow your RAMS Pride!

- **Respect**
- **Accountability**
- **Make good decisions**
- **Safe**

Individual teachers will share specific rules for their classrooms.

Ac. lit. is the 7th grade reading class. Please bring a two pocket folder, your charged Chromebook, and a pencil! We will be learning before, during, and after reading strategies and applying those strategies to become successful readers! We will be using the Amplify curriculum.

For English class please bring a one subject notebook and a two pocket folder. We will be learning about various writing strategies, grammar and mechanics, and how to interpret literature using the Amplify curriculum.

For world history class please bring one folder and a composition notebook everyday. In this class we will learn about the development of human civilization between 3000 BC-1500 AD.

In 7th grade, the math courses we will be learning are Pre-Algebra (accelerated) or Math 7. The daily agenda will always list materials needed for class so please be sure to always bring a pencil, Texas Instruments TI-30XIIS Scientific Calculator, a blue math folder/binder to store all materials in, and a growth mindset to be fully prepared for class.

For science please bring a one subject notebook and a three ring binder with pockets. You will need a pencil for class every single day. We will be learning physical science, chemistry, cell biology, and ecology.

All classes will require students to use Chromebooks regularly to interact with class material. Please refer to the Chromebook guidelines for the Team's expectations.

RAMS TEAM CHROMEBOOK EXPECTATIONS

- ❖ Bring your Chromebook to school fully charged daily.
- ❖ Take it to every class using the carrying case.
- ❖ If you are bringing your charger to class, please make sure it is labeled in some way with your name so it can always be returned to you.
- ❖ If you forget your Chromebook, ask for a loaner in homeroom.
- ❖ If you need to charge your Chromebook, ask your teacher for permission to use the charging station.
- ❖ If your Chromebook is not working, ask your homeroom teacher for help.
- ❖ Take your Chromebook home every evening and charge it!
- ❖ Use only YOUR Chromebook or a school loaner. Do not use another student's Chromebook to sign in.
- ❖ Use your Chromebook for lessons only! If asked to put it away, do so the first time.
- ❖ For tech issues, your parent/guardian may call the Service Desk at: 717 346-9452.
