*For 2026-27, includes $2m to be provided by a combination of state and local sources. By the time of this publishing, it was revealed that Stamford would receive an additional $1.4m from the state in the form of Supplemental Education Aid. This is a one-time grant--the ECS formula and foundation amounts were not changed. During budget deliberations, the Board of Finance agreed to provide the difference between this state funding and $2m, meaning that the BOE should request an additional appropriation of $600,000 during FY27.
