About the Curriculum:

- Nevada Ready Pre-K will use Creative Curriculum
- Curriculum builds skills and knowledge
- Curriculum is organized into focused studies that investigate age appropriate topics
- Materials engage families as active partners in supporting learning

Please complete the Interest Form HERE.

- If the number of qualified students exceeds the available seats at a school, students will be selected through a lottery.
- Students not selected via lottery will be offered a seat at the closest school with seats available. If there are no Pre-K seats available, students will be placed on a waitlist.
