Re: **Nursing Services; Chapter 226 – Laws of 1991**

Existing legislation provides certain nursing services and funding for full time students in private schools. Included in these services, based on available state aid, is maintenance of student health records, hearing assessment, and scoliosis screening. In addition, your child will receive emergency nursing services for any school related illness or injury.

Please sign the form below and return it to the YHIS front office as soon as possible.

NONPUBLIC NURSING SERVICES

_____ I do give my permission
