

## Abrakadoodle Art Program

### We are Up, Up and Away!

Like balloons in the sky, we are up, up and away. We will learn about the Polish art of paper cutting called Wycinanki. We will focus on designs from the Lowicz Region, which layer paper to create a colorful dramatic effect. Also, we'll simulate "gilding" – an art form widely used by the ancient Romans. We will learn about two great American artists – LeRoy Neiman, known best for his art depicting sports and circus animals, and Norman Rockwell, who recorded everyday life in his paintings.

In addition, we will have a fun Clay-Play-Time! We will squish, squeeze, roll, pinch and press! We will color and shape the clay to sculpt balloon dogs, lily pads, ladybugs, dinosaurs, unicorns, and more!
