7th Grade Supply List
2026-2027 School Year

Dear DMS Families,

Congratulations on the completion of another successful school year! We know that the transition to 7th grade is an exciting milestone, and we want to help make the start of the school year as smooth and organized as possible. To support your child's success, we have created the attached school supply list. All we ask is that you purchase the listed materials and send them with your child on the first day of school. During the first week, the 7th grade teachers will work with students to set up an organizational system that will be used throughout the year. Students will use one binder for their daily classes and assignments. They will also have a larger binder to store completed units of work, helping them stay organized and prepare for state assessments and final exams. This larger binder can be kept in their full-size locker. If you feel that anything on the list will cause you financial hardship, please contact our school counselor, Mr. Eric Guercio at eguercio@marcellusschools.org.

We hope you and your family enjoy a wonderful summer, and we look forward to welcoming our 7th graders in September!

Sincerely,

The 7th Grade Team

(Supply list on back)
