

2021-2022 ANNUAL REPORT

Jesus
Sparks Joy
John 16:24

From the Principal

St. John Paul II Catholic School's (StJPII) chosen theme for the 2021-2022 school year was "Jesus Sparks JOY" and it truly became the best guidepost for our year! We hosted the first annual summer "Symposium for Catholic Education" and welcomed several educators from other high-performing Catholic schools across Texas. We also completed construction on the STREAM Innovation Lab, which was made possible thanks to previous paddles up gala donations. Students and teachers alike found great JOY in learning, collaborating, and inventing in this new lab. This year we focused on the JOY of God's abundant blessings, the gift of new beginnings, and the overwhelming JOY that He provides. Our community's JOY was always fully evident during classroom learning, weekly Mass, the Speakeasy Soiree Gala, and the return of the Crawfish Boil.

"Until now you have not asked for anything in my name. Ask and you will receive, and your joy will be complete." - John 16:24

ST. JOHN PAUL II AWARD WINNING FALL SPORTS SEASON

MIDDLE SCHOOL SOCCER AND VOLLEYBALL TEAMS WIN CHAMPIONSHIPS

HOUSTON, TX (November 2, 2021) – St. John Paul II Catholic School (StJP II) had a thrilling fall sports season, with four teams reaching the Championship level in the Greater Houston Catholic Athletics Association (GHCAA). On Saturday October 30th, St. John Paul II Catholic School cheered on three of their teams in Championship games. StJP II Varsity Volleyball kicked off the weekend with a terrific win over St. Helen's Catholic School. The team was led to victory by Coach Jennifer Linhardt, who is thrilled to bring the trophy back to StJP II after 17 years!

The weekend continued to excel with another big win on the soccer field. The StJP II Varsity Soccer team, led by Coach Ade, faced St. Cecilia Catholic School, defeating them with a score of 3-1. The StJP II Saints are now back-to-back GHCAA Champions! The recent Volleyball and Soccer victories bring StJP II's overall winning record up to 27 Championship titles.

The grand finale of a victorious weekend occurred when StJP II Football put up a tremendous fight against St. Thomas More Catholic School. Even though they did not finish with a win, the Saints earned second place in the GHCAA. The StJP II Football team made colossal strides this season under Coach Richard Porth. StJP II Cross Country teams also had a shining season, with the Girls' team bringing home third, and the Boys' team finishing fifth.

Mrs. Rebeca Bogard, StJP II Principal, states, "We are BEYOND proud of all our SAINTS! Congratulations on a wonderful and rewarding season." These latest trophies, when coupled with the school's three National Blue Ribbon Awards and the Catholic Honor Roll Award, demonstrate that StJP II educates well-rounded students, who excel academically, spiritually, and athletically.

INNOVATION LAB

After almost a year of construction, our new STREAM Innovation Lab opened to students and teachers in the upstairs elementary hallway. STREAM stands for Science, Technology, Religion, Engineering, Arts and Math. The prior space was transformed into a modern, creative and collaborative environment which opened up the doors of discovery! Students and teachers alike found great JOY in learning, collaborating, and inventing in this new lab. A student favorite in the Innovation Lab are the Little Bits, which are color-coded electronic bits that snap together for foolproof inventing, thus empowering students to engineer realistic solutions through inventions and simple machinery. Our Innovation Lab provides a great foundation for those students who are interested in robotics as well as all the other STREAM-related fields of study.

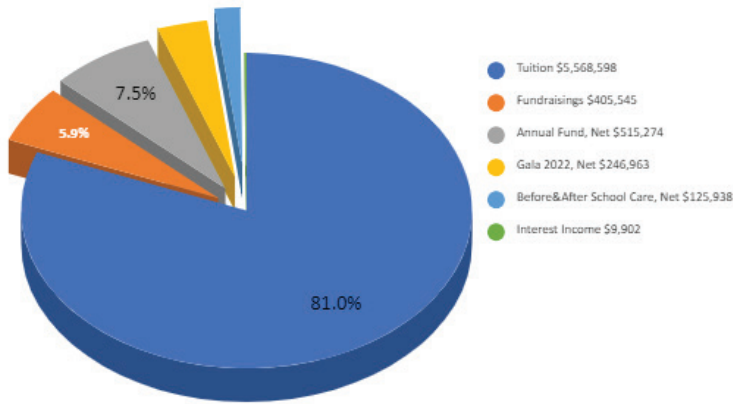

SYMPOSIUM FOR EXCELLENCE IN CATHOLIC EDUCATION

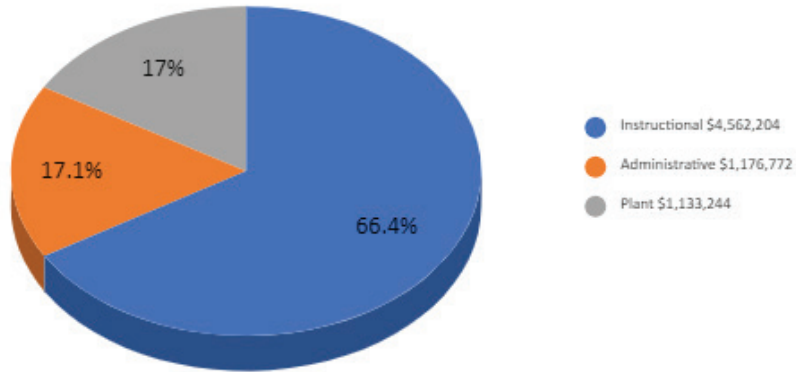

In June, StJP II hosted the Symposium for Excellence in Catholic Education which included several principals from other high performing schools throughout Texas. They shared best practices about hot topics such as meeting the needs of diverse learners, STREAM, Endowment, Admissions, etc. The mission of the St. John Paul II Symposium for Catholic Education is to actively protect, strengthen, and expand excellence in Catholic Education in the United States through the sharing of proven and unique practices and Catholic educational concepts from the best Catholic elementary schools in our country.

Paver Program

Leave your mark on the StJPll campus with a brick paver in the Randall-Crosthwait Courtyard surrounding the statue of St. John Paul II. A paver is a lasting tribute that can honor members of your family, commemorate a special event, or thank a coach or teacher. Proceeds from brick pavers fund the StJPll garden and help pay for compost, fertilizer, seeds, and repairs. To place your order, download the Paver Order Form on www.jp2.org.
