

2023-2024 ANNUAL REPORT

From the Principal

St. John Paul II Catholic School's (StJP II) theme for the 2023-2024 school year was "Eyes Up – keeping our focus ever on the Lord." As a saint community, we embraced this call to lift our hearts, minds, and actions heavenward, reminding ourselves daily to center our lives on Christ. The theme wove itself into StJP II in meaningful ways. At weekly Mass, in the classroom, on the playing field, and at campus events like Homecoming, Catholic Schools Week, and the Crawfish Boil, we were encouraged to look beyond ourselves and place our trust in God. The joy and strength that came from keeping our "Eyes Up" could be seen in every corner of our community. This was also a year of great momentum for StJP II. We advanced the For Every Saint capital campaign, laying the groundwork for exciting improvements to our campus. We proudly achieved STEM certification, further strengthening the academic opportunities we provide our students. And, our community came together in extraordinary fashion at the Haute in Havana gala, celebrating our mission with generosity and joy. We are blessed that our students, parents, teachers, staff, alumni, and friends continue to keep our "Eyes Up," looking together to Christ for guidance and gratitude each day.

In Him we Trust,

SYMPOSIUM FOR EXCELLENCE IN CATHOLIC EDUCATION

In June, StJPll hosted the Symposium for Excellence in Catholic Education, bringing together principals from National Blue Ribbon Award schools across the country. The gathering provided a collaborative forum to exchange ideas on critical topics including Catholic Identity, STREAM integration, financial sustainability, and more. The purpose of the Symposium is to safeguard, strengthen, and advance excellence in Catholic education nationwide by fostering the exchange of innovative approaches, proven practices, and mission-driven concepts from exemplary Catholic elementary schools.

FOR EVERY SAINT CAPITAL CAMPAIGN

ST. JOHN PAUL II CATHOLIC SCHOOL

This year, St. John Paul II Catholic School (StJPll) took a significant step forward in its vision for the future through the For Every Saint Capital Campaign, an initiative created to strengthen the campus and expand opportunities for every student. The campaign reaffirmed StJPll's commitment to being a place where faith, academics, and community come together. Focused on funding essential campus improvements, the campaign prioritized enhanced learning spaces and upgraded facilities to support academics, athletics, and the arts. Each investment was thoughtfully planned to align with the school's mission of forming the whole child, in mind, body, and spirit, while honoring the tradition of excellence in Catholic education.

This milestone year of planning, prayer, and progress inspired extraordinary generosity. Families, alumni, and friends joined together in support of the campaign, raising more than \$1,000,000 toward the \$4,000,000 goal. With continued momentum, StJPll is well-positioned to move boldly into the future, remaining true to its mission and providing students with the resources they need to succeed.

STJPII EARNS PRESTIGIOUS STEM CERTIFICATION

St. John Paul II Catholic School earned the National Certificate for STEM Excellence from the National Institute for STEM Education — a significant milestone that reflects StJPII's commitment to preparing students academically for a rapidly evolving world.

This recognition highlights StJPII's emphasis on science, technology, engineering, and math, and also the dedication of our faculty to fostering curiosity, collaboration, and innovation in the classroom. Throughout the rigorous certification process, teachers embraced research-based strategies designed to strengthen 21st-century learning and empower students to think critically, solve problems creatively, and approach challenges with confidence.

Earning this distinction was truly a campus-wide effort. Our teachers played a central role, with many achieving the National Certificate for STEM Teaching, demonstrating their passion, perseverance, and commitment to professional growth. Their work has created an environment where curiosity thrives and students are encouraged to explore, innovate, and lead.

The impact of this certification is far-reaching. It strengthens our academic foundation, enhances the opportunities available to our students, and equips them with skills they will carry into every stage of life. Every StJPII student will benefit from the habits of inquiry, collaboration, and innovation that STEM education inspires.

As a Catholic school, we view this achievement as more than an academic milestone — it is an opportunity to help our students use their God-given gifts to build, innovate, and serve with purpose. By earning this certification, StJPII continues to cultivate the next generation of thinkers, creators, and leaders who will make a meaningful impact in the world.

SAINTS VARSITY SOCCER WINS GHCAA CHAMPIONSHIP

The Varsity Saints Soccer team won the GHCAA Soccer Championship in the fall, bringing the 33rd championship (in all sports) home to StJPII. Congratulations to Coach Ade and all the players for your dedication and teamwork!

ST. JOHN PAUL II MONSTRANCE VISITS STJPII

In March, St. John Paul II Catholic School welcomed the Monstrance used by our patron, St. John Paul II. This offered a rare and meaningful opportunity for our students, teachers, and families to experience a tangible connection to the devotion and faith of our beloved patron saint in our All Saints Chapel. Throughout the day, our students participated in Adoration using the Monstrance, deepening their understanding of Christ's presence in the Eucharist and reflecting on the example of St. John Paul. Parents were also invited, making it a shared experience of faith for our entire community.

This visit was more than a moment on the school calendar; it also inspired prayer, reflection, and gratitude. Experiencing the Monstrance firsthand allowed our students to witness the devotion of St. John Paul II come to life, encouraging them to grow spiritually while strengthening our school's Catholic identity.

STJPII RECEIVES 2024 CATHOLIC IMPACT AWARD

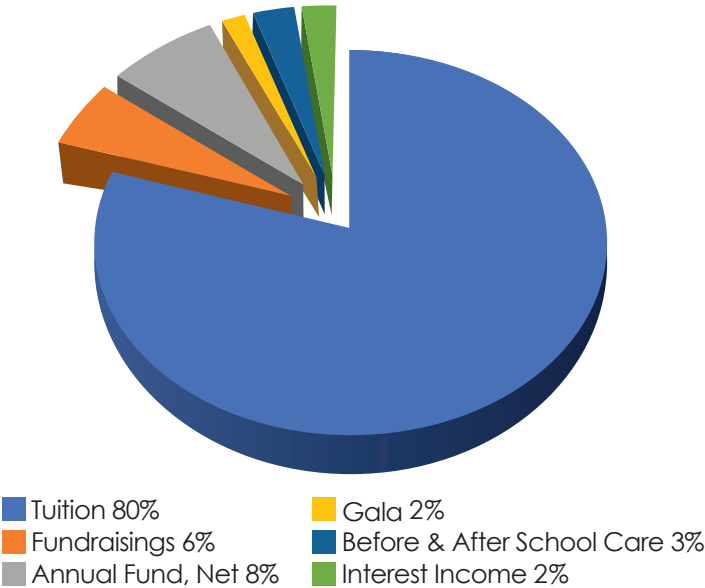

St. John Paul II Catholic School was honored with the 2024 Catholic Impact Award, recognizing the school's exceptional outreach and service within the Archdiocese of Galveston-Houston. This award celebrates schools that exemplify the Corporal and Spiritual Works of Mercy through compassion, generosity, and a commitment to the mission of the Catholic Church. This recognition was especially notable because StJPII is an independent Catholic

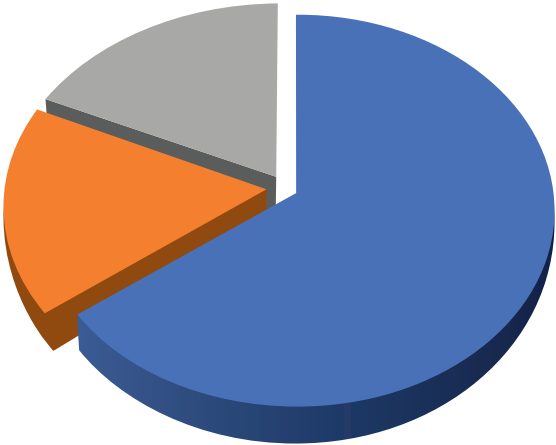

school, consistently demonstrates a strong Catholic identity. The school has also been recognized as a Cardinal Newman Society: Catholic Education Honor Roll School (2020–2025), distinguishing itself for both faith formation and academic excellence.

Faith and service are always at the heart of StJPII's mission and are what inspired the honor. StJPII students participated in grade-level service projects based on the 7 Corporal Works of Mercy, contributing over 5,000 hours of service annually. Highlights included the 3rd-grade class adopting seminarians from St. Mary's Seminary, offering prayers, cards, and snacks during finals week. Principal Rebecca Bogard leads StJPII with vision and dedication, mentoring other schools and supporting Catholic education broadly. She reflected, "I was deeply honored to receive the Impact Award for StJPII. This recognition reflects our commitment to serving our students, families, and communities, helping them grow into the Saints of tomorrow." This award celebrated a year of devotion, achievement, and generosity, highlighting the school's lasting impact on students and the wider community.

Endowment Fund

Having a strong endowment for the school ensures that we continue to fulfill our Christ-centered mission for future generations of aspiring saints. We are valiantly committed to securing the success of the students entrusted to our care, which dictates that we secure the success of our school in perpetuity. The Endowment has designated funds for academic achievement, arts, athletics, and tuition assistance as well as a General Fund for any unforeseen needs that may arise. The Endowment Fund accepts gifts from individuals, corporations, or foundations, and invests these funds for the long-term goals of the school. There are many ways to give, including gifts of securities and planned gifts. For more information, contact Jessi Cook at 281-496-1500.

2023-2024 ANNUAL FUND BENEFACTORS

The mission of St. John Paul II Catholic School is to prepare all students spiritually and academically to do God's will and to succeed in life. Annual Fund supports every aspect of our mission and it is put to use in our current academic year. It provides technology with our Chromebook carts, interactive projectors, and Mac lab. It allows us to upgrade athletic equipment and enabled the installation of turf on the playground. Most importantly, your support of the Annual Fund allows us to further our Catholic educational mission by retaining excellent and caring faculty, a campus Chaplain, and two counselors to support our student body. These are all very visible and tangible ways your support elevates our students' experience at StJPIL. Making a philanthropic gift to the Annual Fund is an act of faith which lessens the burden of tuition and encourages our students to grow closer to Jesus. \$574,463 was contributed to the 2023-2024 Annual Fund Drive.

CELEBRATING OUR COMMUNITY

Paver Program

Leave your mark on the StJPII campus with a brick paver in the Randall-Crosthwait Courtyard surrounding the statue of St. John Paul II. A paver is a lasting tribute that can honor members of your family, commemorate a special event, or thank a coach or teacher. Proceeds from brick pavers fund the StJPII garden and help pay for compost, fertilizer, seeds, and repairs. To place your order, download the Paver Order Form on www.jp2.org.
