Almira | PreK-8

NEAR WEST REGION

Overview

Welcome to Almira PreK-8 Academy—where every child is empowered to succeed beyond high school! Nestled in a vibrant and welcoming West Side Cleveland neighborhood, Almira offers a nurturing, family-centered environment that blends academic excellence with real-world learning. Our beautiful campus features a full-day PreK classroom, a spacious gymnasium, a media center, and technology-rich classrooms that support project-based learning. We believe in educating the whole child, with a strong emphasis on socialemotional development, critical thinking, and community engagement. Through our "Say Yes Cleveland" and Wraparound partnerships, students and families benefit from comprehensive support services including tutoring, mental health care, dental and vision screenings, yoga classes, and a monthly food market.

At Almira, learning goes beyond the classroom. Our students thrive through enriching extracurriculars like Girls Volleyball, Boys and Girls Basketball, and Cheerleading,. We proudly partner with Cleveland Playhouse Square to offer dynamic in-school and afterschool arts programming, and our collaboration with Tri-C's Youth Technology Academy gives 8th graders hands-on experience in robotics, enhanced algebra skills, and the opportunity to earn four college credits annually. Almira is more than a school—it's a community where families are valued, students are celebrated, and success is built together. Come join the Almira family and discover a place where your child's potential is nurtured every day.

Memorial | PreK-8

NORTHEAST REGION

~ Welcoming Hannah Gibbons ~

Overview

Memorial School has been the highest-rated eastside CMSD school for the past seven years. Memorial is located on a historical site and brings in devoted teachers who aim for the success of all students in our PreK-8 school. Memorial School challenges its scholars to become self-motivated, independent, lifelong learners.

Students thrive in an environment in which they feel emotionally and physically safe while also being academically challenged. Teachers use student data for their instruction, balancing the need for wholegroup, small-group, and individualized lessons. Memorial is truly a special place to be.

Scholars at Memorial School will:

- regularly collaborate with others in a variety of settings.
- share in an educational partnership among themselves, the school, the home, and the community.
- experience diverse learning opportunities to meet their individual needs.

Learning occurs in an inquiring, cooperative, nurturing atmosphere where the teacher and student interactions respect the dignity of the child. Our classrooms are led by Montessori credentialed educators and are multi-age in order to prioritize the development sensitivities/ stages of the age of the learners we serve (PreK/K serves 3-5 year olds; 1st-3rd grade; 4th-6th grade; and 7th/8th grade) and to align with Dr. Montessori's planes of development. The classroom environments are beautiful, orderly, and child centered to support students in choosing meaningful and challenging work. Whether individually or in small groups, students work with Montessori materials which are designed to allow hands-on learning and scaffold complexity, allowing students practice towards mastery in every subject. Integrated curriculum of Montessori practices and beliefs with the learning standards set by the Ohio Department of Education combine with our goal of fostering of competent, responsible, adaptive citizens who are self-directed lifelong learners and problem solvers.
